Chancellor's Message

It gives me immense pride to present the Thirteenth Edition of the Annual Report of Sharda University for the Academic Year 2024–25, which reflects the remarkable progress we continue to make in higher education. Over the years, Sharda University has established itself as a beacon of excellence in high-quality education, research, and innovation. With students representing more than 95 countries, the University has evolved into a vibrant hub of knowledge, cultural diversity, and inclusivity. The recent recognition of Jain Minority Status by the National Commission for Minority Educational Institutions (NCMEI) further strengthens our commitment to equity and access, ensuring that Sharda University remains a nurturing space where diversity is celebrated and every learner finds opportunity and belonging.

As we reflect on the significant achievements of the past year, I extend my sincere appreciation to our students, faculty, researchers, and staff whose dedication drives the institution's success. With a curriculum that fosters both professional competence and social responsibility, supported by strong industry linkages and a culture of inclusivity, I am confident that Sharda University will continue to scale new heights and reinforce its standing as a premier global institution of higher learning in the years ahead.

(P.K. Gupta)
Chancellor

Pro-Chancellor's Message

The Annual Report for the Academic Year 2024–25 reflects Sharda University's steadfast commitment to delivering experiential education that goes beyond classrooms—an education that blends intellectual rigor with practical application, preparing graduates to thrive in a complex and interconnected world. Our students, representing over 95 countries over a period of time, embody the spirit of inclusivity and global citizenship, making Sharda University a true crucible of cultures and ideas. It is deeply gratifying to witness our alumni excelling across diverse fields—be it higher education, research, industry, or entrepreneurship—driven by the innovative spirit and resilience nurtured during their time at Sharda.

Over the years, Sharda University has steadily advanced in its journey toward global recognition, featuring prominently in international rankings and strengthening its reputation as a hub of quality education, research, and innovation. With a strong emphasis on inclusivity, multidisciplinary learning, and industry collaboration, we continue to raise benchmarks in higher education while fostering an environment where every student can realize their full potential. As we look ahead, our collective vision remains clear—to make Sharda University a globally admired institution, defined by academic excellence, social responsibility, and an enduring commitment to shaping future leaders.

Pro Chancellor

Vice Chancellor's Message

It is a moment of immense pride to present the Thirteenth Annual Report of Sharda University for the Academic Year 2024–25, which encapsulates the extraordinary milestones and achievements of our institution as we continue our journey towards academic distinction and societal impact. Over the years, Sharda has established itself as a leader in holistic education, cutting-edge research, innovation, and cultural integration, living the ethos of "Vasudhaiva Kutumbakam"—the world is one family.

This year has been especially significant in our pursuit of excellence. Sharda University achieved recognition in prestigious global rankings such as the Times Higher Education and QS World Rankings. Our progress in the NIRF Rankings has also been commendable, with the University securing the 86th position among Indian universities, and our School of Pharmacy ranked at 69. With students hailing from almost all parts of the world, and a globally accomplished faculty, we have nurtured a vibrant, inclusive, and multicultural environment where diversity and academic rigor flourish.

Our commitment to research, innovation, and entrepreneurship continues to be unwavering. Sharda University now proudly holds over 200 granted patents, with impactful contributions spanning artificial intelligence, cybersecurity, healthcare, and sustainable technologies. The flourishing start-up ecosystem, where over 70% of incubated ventures are revenue-generating, reflects our dedication to fostering innovation and entrepreneurial leadership. Additionally, the integration of Sustainable Development Goals (SDGs) into both research and curricula ensures that our knowledge ecosystem remains deeply aligned with global priorities.

Aligned with the National Education Policy (NEP) 2020, we have adopted a flexible, multidisciplinary, and experiential curriculum enriched by a choice-based credit system, diverse electives, industry internships, and the integration of Indian knowledge systems. These academic frameworks are designed to nurture graduates who are not only professionally competent but also socially responsible and globally aware. The establishment of the Jain Study Centre and recognition of Sharda University as a Jain Minority Institution in Delhi NCR by NCMEI further highlights our commitment to inclusivity, equity, and cultural advancement.

Together, let us remain steadfast in realizing the vision of "Viksit Bharat @ 2047" and Atmanirbhar Bharat, while continuing to strengthen Sharda University's position as a global exemplar of inclusive excellence, innovation, and societal contribution.

(Prof. Sibaram Khara)
Vice Chancellor

ANNUAL REPORT

1. UNIVERSITY AT A GLANCE

It gives us immense pride to present the Annual Report of Sharda University for the academic year 2024–25, a document that encapsulates the milestones, achievements, and aspirations of our vibrant academic community. This report reflects the wide spectrum of academic, cultural, and sporting initiatives undertaken during the year, showcasing the creativity, resilience, and accomplishments of our students, supported by the collective dedication of our faculty and staff.

A defining feature of this year's report is Sharda University's conscious commitment to integrating the United Nations Sustainable Development Goals (SDGs) into research, teaching, and extracurricular engagements. This alignment reinforces our vision of nurturing socially responsible graduates and fostering innovation that contributes meaningfully to society, the nation, and the global community.

Over the years, Sharda University has earned national and international recognition through its strong performance in rankings, accreditations, and ratings—a testimony to our sustained pursuit of excellence.

Curated with meticulous attention to detail, this report serves not only as a chronicle of the year's journey but also as an inspiration for the future. As you turn its pages, you will discover that Sharda University's distinction is deeply rooted in the remarkable achievements of its students—reaffirming our resolve to encourage innovation, cultivate talent, and sustain our legacy of excellence.

From the establishment in 2009, the University has been imparting instructions in almost all disciplines of pure & applied sciences, engineering & technology, management, social sciences & humanities, architecture, law, agriculture, education, media, film & entertainment, nursing, pharmacy, allied health science, dental science, and medical sciences through its 14 Schools and 25 Departments, offering more than 139 programmes, including 77 post-graduate, 56 undergraduate, 02 Diplomas, 03 certificates and a doctoral programme. The university has recently been granted permission by UGC to run 06 UG & PG programmes in Online Education mode.

The University is accredited with A+ Grade by the National Assessment and Accreditation Council (NAAC) in 2023. Sharda University has secured considerable positions in the NIRF 2025 rankings, standing at 87th in the University category and achieving 57th in Pharmacy. 6. CHIEF-EDITOR MESSAGE

From the Desk of the Chief Editor

It gives us great pride to present the Annual Report of Sharda University for the academic year 2024–25, a document that encapsulates the milestones, achievements, and aspirations of our vibrant academic community. The report highlights the wide spectrum of academic, cultural, and sporting initiatives undertaken during the year, reflecting the creativity, resilience, and accomplishments of our students, supported by the collaborative efforts of our faculty and staff.

A distinctive feature of this year's report is the University's conscious endeavor to integrate the United Nations Sustainable Development Goals (SDGs) into research, teaching, and extracurricular engagements. This alignment underscores Sharda University's commitment to nurturing socially responsible graduates and fostering innovation that contributes meaningfully to society, the nation, and the global community.

We are confident that this report, curated with meticulous attention to detail, provides both a record of the year's journey and an inspiration for the future. As you peruse its contents, you will recognize that Sharda University's excellence is deeply rooted in the remarkable achievements of its students, reaffirming our resolve to encourage innovation, cultivate talent, and sustain our legacy of distinction.

Dr. N. Karthikeyan,
Director, IQAC, SU

12. SHARDA LAUNCHPAD FEDERATION

1. Reflections & Vision

The financial year 2024–25 has been a transformative journey for Sharda Launchpad Federation. This period was marked by a renewed commitment to catalyzing innovation and building founder-first support systems. With the successful execution of strategic programs like **IGNIS (Igniting New Ideas and Stratups)**, **Launchpreneur – 3 days startup bootcamp**, and **Startup Clinics – one to-one mentoring series**, we took definitive steps in translating early-stage ideas into fundable, scalable ventures. Our alignment with national and state missions, including **SISFS**, **StartinUP**, and **DST NIDHI**, has amplified the incubation value chain.

From building capacities to disbursing grants, from designing mentor-led pathways to fostering cross-border partnerships, this year reaffirmed our belief that universities can be powerful enablers of entrepreneurial growth.

2. Financial Stewardship & Resource Mobilization

Our financial operations this year focused not just on disbursing funds, but on ensuring **impact-per-rupee** across every startup engagement:

- **Startups Funded:** 8 ventures onboarded through IGNIS 1.0
- **5 investor connects established for a equity funding of 7+ Cr**

- **Launchpreneur Bootcamp:**

  - **Held from 28th to 30th January 2025 was a high impact 3-day residential program aimed at empowering 22 early stage entrepreneurs with practical skills and strategic insights to launch their ventures.**

  - **Participants engaged with 20 industry mentors from organizations like HCL, Icreate, ENNOBLE IP and DST.**

- **Mentoring Clinics & Ecosystem Engagement:**

  - **Held over 10+ Startup Clinics and VC Connects.**

- **Media, Branding & Design:**

  - **Promoted Startup Pitch Day and iGNIS 1.0. Highlighted startup success stories across digital platforms.**

- **Funded By:** DST, SISFS, StartinUP (GoUP), and internal contributions from Sharda University

3. Startup/Innovator Portfolio in 2024-25:-

Scheme	Startups/Innovators
StartinUP	44
Startup India Seed Fund Scheme	14
MSME Idea Hackathon	14
iHUB Sharda supported by iHUB Divyasampark, IIT Roorkee and DST	17
Others	7

4. Program Milestones & Outcomes

IGNIS 1.0 & 2.0 (Pre-Incubation Program)

IGNIS 1.0:

- 25 participants attended 3-month program; 8 shortlisted for Ignition Grant

IGNIS 2.0: Launched in June 2025 with 50+ applications received and evaluated.

- Onboarding, mentoring, and startup clinics completed
- Grant finalization in progress for shortlisted ventures
- Demo Day planned for July 2025

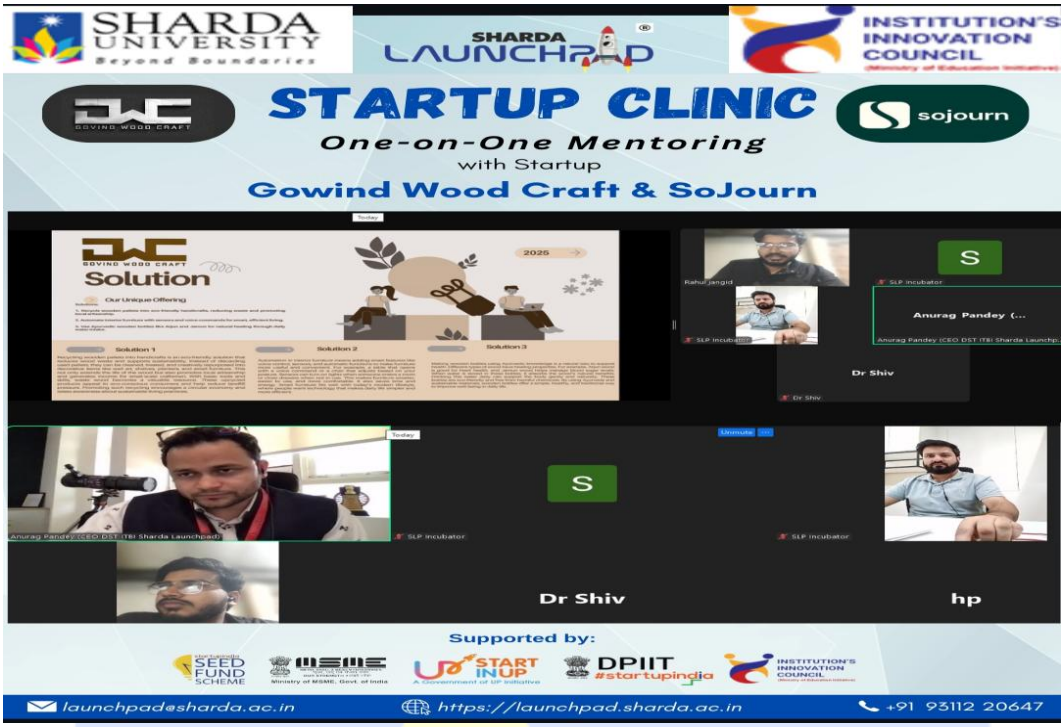

Launchpreneur 2025 – A Residential Startup Bootcamp

- A first-of-its-kind 3-day residential startup bootcamp at Sharda University
- Brought together 15+ industry mentors and 22 early-stage founders
- Key outcomes included pitch refinement, validation strategies, and cross-learning

Startup Clinics – Structured one-to-one Mentoring Platform

- **40+ mentoring sessions** conducted across sectors
- Hands-on guidance provided in product positioning, market validation, and fundraising
- Curated clinic interventions under direct guidance of Launchpad's incubation experts

5. Startups with Impact – Spotlight Achievements

❖ Voltrack by Navstream Innovations Private Limited incubated at Sharda Launchpad was awarded the Youngest Startup Award of the Year at the Prestigious 4th CSI IT Excellence Awards.

❖ Our Incubated Startup Moonrider collaborates with Shell on advancing Active Cooling Immersion Battery Technology and also raises 19 crore in seed round.

- **Avasar Works Private Limited Club incubated at sharda launchpad won the Starthon at Bharat Shiksha Expo 2025**

- **Auspice Condiments** funded by Sharda Launchpad won the Aegis Graham Bell Award For Innovation in Social Good

❖ **Hitesh Envir Pvt. Ltd. Wins B2B Category at Startup Maharathi Grand Challenge, Honored at Startup Mahakumbh by Shri Piyush Goyal**

Hitesh Enviro Engineers Pvt. Ltd., an incubated startup at iTBI Sharda Launchpad, for emerging as the Winner of the Startup MahaRathi Grand Challenge (B2B Category) at the prestigious Startup Mahakumbh 2025.

❖ **Royal Bengal Greentech Pvt. Ltd**.., an inovative venture incubated at i-TBI Sharda Launchpad, achieved a remarkable milestone by securing a four-shark deal on Shark Tank India Season 4.

- **Triple S FuelCab:** Selected for **STPI Global Connect – LEAP AHEAD 2**, marking its entry into the U.S. market

6. Government Grant Support:-

DST iTBI:

The **DST i-TBI (Innovation & Technology Business Incubator)**, supported by the **Department of Science and Technology, Government of India**, aims to foster innovation and support early-stage, technology-based startups through incubation, mentorship, infrastructure, and funding. Hosted at institutions like **Sharda University**, the incubator provides startups with co-working space, expert guidance, and business development support. One of its key offerings is the **DST Seed/IGNITION Grant**, which provides financial assistance (up to ₹25 lakhs) to help incubated startups bridge the early-stage funding gap for activities such as prototype development, product validation, testing, and market entry. The grant is milestone-based and can be utilized for technical salaries, raw materials, certification, and other product development costs, but not for founder salaries or asset purchases

MSME Champion Scheme:

Grant upto 15 lakhs

iHUB Sharda

iHUB Sharda has been set up in collaboration with iHUB DivyaSampark - an initiative of DST, Govt. of India & IIT Roorkee

- 7 Faculty members received a total of Rs. 69.6 Lakhs under Prototype Development grant
- 9 UG students received the Chanakya fellowship of Rs. 10,000 per month for 10 months
- Central facility for prototyping developed with a grant of Rs. 50 lakhs

Event/Workshop/Seminar:-

One Day Workshop –Let's Start your Startup Journey held at Sharda Launchpad (30 Nov 2024):

Sharda Launchpad Team Participates in National Workshop at IIT Delhi to strengthen Ecosystem

The Sharda Launchpad Team recently marked a significant presence at the prestigious **national workshop on "Building High-Performance Incubators in Higher Education", held on May 9–10 at the Indian Institute of Technology (IIT) Delhi**. The event was jointly organized by the **Education Promotion Society for India (EPSI)** and **the Foundation for Innovation and Technology Transfer (FITT), IIT Delhi**, with the objective of advancing the role of incubators in academic institutions across the country

❖ Sharda Launchpad Team at Startup Mahakumbh 2025

Sharda Launchpad actively participated in Startup Mahakumbh, one of the largest gatherings of startups, investors, and ecosystem enablers in the country. As a key incubator presence, Sharda Launchpad showcased its initiatives, engaged with emerging entrepreneurs, and networked with industry leaders to explore collaboration and support opportunities.

Startup Pitch Day 2025 at Sharda Launchpad:-

On 31st May 2025, Sharda Launchpad hosted a high-energy edition of Startup Pitch Day 2025, bringing together a diverse and talented group of early-stage startups, visionary mentors, and potential investors. The event provided a powerful platform for founders to pitch their ventures, share their entrepreneurial journeys, and receive expert feedback on refining their business models and go-to-market strategies.

Closing Note

At Sharda Launchpad, our belief remains clear — innovation thrives when ideas meet intentional support. This year, we witnessed not just startups evolve, but students transform into founders, and ideas morph into action.

We extend heartfelt gratitude to the Sharda University leadership for their unwavering trust and invite deeper collaborations as we collectively nurture the next wave of entrepreneurs.

13. TRAINING & PLACEMENT

1. Training & Placement

The placement of students stands as a pivotal determinant of the University's outcomes. At Sharda University, substantial efforts are dedicated to not only imparting industry-relevant skills but also providing ample on-campus placement opportunities. The University's training and placement officials extensively engaged with diverse industries, conducting presentations to understand their specific requirements. Subsequently, targeted placement drives were orchestrated for the students.

15. HUMAN RESOURCE ADMINISTRATION

HR Department is concerned with teaching and non-teaching staff issues and activities that effect the behavior of the individuals and their contribution to the goals and objectives of the Schools.

HR Processes

Recruitment & Selection

The process of searching and selecting the right talent for employment begins when there is a need of a new employee in the respective department, either due to relieving of an existing staff member or because of new activity, future plans or specific demand of a certain activity. The University recruits its faculty and support employees through direct recruitment and sometimes even through media advertisements.

During the academic year 2024-25 total 202 academic & 199 non-academic staff were appointed.

Joining & Induction/Orientation

A one-day orientation activity is conducted by HR which aims to help the newcomer acclimatize with the new working environment and prepare themselves for their new tasks/ assignments. An overview on the Role holders, University's Policies & Procedures along with the contents of the Manual of Human Resource is briefed. They are also informed about other employee benefits like Leave types & rules to avail leave/Career growth/Annual Increment.

During the academic year 2024-25 total 401 Joining & Induction/Orientation programme were conducted for new joiners.

Probation Assessment

Initially, employees are on probation for a period of one year from the date of joining. During the Probationary period, he/she is expected to demonstrate his/her suitability for the position to which he/she has been appointed. The probation confirmation of Support Staff those who have completed their one year with the University shall be based on their assigned KRA's and those faculty members completed their one year with the University have to undergo an interaction with the Committee comprising of the following members who are delegated for evaluation:

Vice Chancellor	-	Chairperson
Dean, Academics Affairs		
Director, IQAC		
Dean of the School		
Head of the Department		
HR	-	Convener

Following parameters were considered while evaluating the respective Faculty members by the Committee Members:

- Teaching Innovation
- Mentoring
- OBE / CO
- PhD Scholar
- Project guided
- Courses taught
- Labs conducted
- Course file prepared
- Administrative Responsibility
- Research Papers
- Projects
- Patents
- MOOCs
- Membership
- FDP

During the Academic year 2024-25 144 academic & 136 non-academic staff were considered for probation assessment.

Performance Management:

Teaching:

a) **PARS-F:** Based on the experience and feedback on 'Performance Appraisal & Recognition Scheme for Faculty (PARS-F) 2019'. Its execution was further refined by introducing:
PARS-F Training: The eligible faculty members had to undergo training on PARS-F form & its process. They were given overview & insight on its guidelines too.
PARS-F Calendar: The PARS-F events / process steps were driven by a calendar.
Single Point of Contact (SPOC): Any queries / assistance were extended to by these SPOCs' from HR Department.
Process: Performance of all faculty members was reviewed on the basis of:

Part I: Teaching Evaluation

Teaching Load undertaken in each semester Feedback on teaching from Students Lecture evaluation through Rubric Result Factor

Part II: Additional Academic / Research Activities

Research Scholar Guidance Sponsored Projects / Consultancy Publications & Patents Own Ph. D work

Part III: Additional Academic / Research Activities

Administrative Work – Any Position / Other responsibilities in the Department / School Extension Activities
Students Activities
Awards and Contributions / Memberships

Part IV: Conduct and Integrity of Faculty member: Feedback from Dean / HOD

Evaluation by 'PARS-F Appraisal Committee' (PAC)

The 'Appraisal Committee' to award points/score for each activity on the basis of the information provided by the faculty member and guidelines given in the PARS-F form. The 'Appraisal Committee' to also work out on the total score for each part of and thereafter derive the overall/final score.

During the Academic year 2024-25 total 431 academic staff were considered for PARS-F.

a) Stage up-gradation / Promotion –Teaching

Candidature of Faculty members eligible for up-gradation/promotion as per the defined University guidelines is reviewed and personal interactions conducted by the Selection Committee.

This exercise is done once in a year, with monetary benefit effective 1st July 24. In 2024-25, 19 persons were considered for promotion and 36 for stage up-gradation.

b) Stage up-gradation / Promotion - Support Staff

Stage Upgradation/Promotion exercise is initiated once a year, with monetary benefit effective 1st July 24.

In 2024-25, posts checking the eligibility, 45 support staff were considered for promotion and 38 for stage up-gradation.

Employee Engagement

With respect to employee engagement there is a dedicated HR SPOC (HR Partner) for each School/Department. Regular meeting with employees where we met them on an informal note to examine generic/specific department/employee issues and try to resolve their issues through proper escalation.

Following are the team building events conducted by the HR for employees:

- Birthday e-wishes to employees' & sharing thought of the week.

- Staff Badminton Tournament
- Cricket Tournament
- Diwali Celebrations: Ethnic Day
- Holi Celebrations
- Women's Day Celebration
- Training Programme on Advanced Data Analysis & Visualization Tools for Non-Academic Staff
- Teacher's Day Celebration
- Hariyali Teej celebration for Women's employee

16. EXAMINATION DEPARTMENT

The Sharda University Examination office operates under the guidelines of the University Ordinances and Examinations Manual, aligning its vision and mission with the University's overarching goals.

To provide high-quality examination services, the Office prioritizes transparency in all its operations. This focus supports faculty, students, and institutions by ensuring open and secure examination processes and systems. The office fosters close collaboration with institutions, external organizations, and individuals.

The Controller of Examinations heads the office and reports directly to the Vice Chancellor. All assessment and evaluation activities, including the conduct of examinations, adhere strictly to the provisions outlined in the University Ordinances and Examination Manual.

In line with the University's policy, a continuous and progressive evaluation system is implemented to assess students' analytical and decision-making abilities.

The office manages the entire student assessment process, encompassing responsibilities such as conducting Final Examinations, allocating Invigilators, preparing Seating Plans, addressing Revaluation Queries, and declaring Results.

The primary objective of assessment is to determine whether students have successfully achieved the learning outcomes and fulfilled the academic requirements of their courses and modules, as defined in the course specifications and the University's general educational aims. This assessment ensures that students have attained the necessary standards for the award they are pursuing.

EXAMINATION SCHEDULE

Students register for both their regular and backlog courses during the registration period on the Sharda University Academic Portal. The Examination Office then takes this registration data and creates the preliminary examination schedule based on the course codes registered. This initial schedule is crafted to avoid any clashes for students taking multiple courses. Once the schedule is finalized, it's cross-referenced with the Academic Calendar to ensure all dates align with university-wide timelines. The finalized examination schedule is then officially published on the university website, allowing students to check their exam dates, times. To ensure everyone is informed, a copy of the schedule is also sent to the Deans of Schools, who can then disseminate it to the students and relevant authorities within their departments. Finally, the final examination schedule for each specific student is printed on their Admit Card. This ensures students have a physical or digital copy of their personal exam schedule to refer to.

GRIEVANCE REDRESSAL

Grievances received from students related to examinations have been resolved by the Examination Office in academic session 2024-25 are as under:

S. No.	Schools	Number of applications receive

6.	Sharda School of Law	1
7.	School of Medical Sciences & Research	9
	T	**180**

Raised Grievances are particularly related to re-evaluation, status of which are given below:

RE-EVALUATION

During the 2024-25 academic year, a total of 14,290 students participated in examinations across various

courses. The overall integrity of the evaluation process is strongly supported by the low number of reported grievances and the complete absence of revaluation requests.

A mere 180 grievances were filed, which accounts for only 1.25% of the student body. More notably, **no students at all (0.00%)** applied for a revaluation of their grades. This unprecedented statistic suggests a high degree of confidence among students that their initial grades were fair and accurate. The absence of revaluation requests effectively means that the original grades for all 14,290 students were considered correct, underscoring a fair and transparent grading system. This outcome is a strong testament to the effectiveness and impartiality of the evaluation process.

EXAMINATION REFORMS AND AUTOMATION

The university has implemented a fully automated examination process to streamline administrative tasks and improve efficiency. This system, powered by the PeopleSoft ERP, is designed to handle all aspects of the examination cycle, from initial registration to the final result.

The automation begins with the enrollment of students in various courses and the generation of student Admit Cards (Hall Tickets). Instead of a manual distribution process, these cards are automatically created for each student based on their course registrations and are then made accessible through the PeopleSoft ERP system. Students can simply log in to their individual ERP accounts from anywhere in the world and download their Admit Card. This not only provides convenience but also ensures students have immediate access to this critical document.

Furthermore, all essential examination-related services are consolidated and readily available to students through their single PeopleSoft login. This integrated approach means students don't need to visit multiple offices or websites to get information. Whether they need to check their exam schedule, verify course registrations, or view their results, everything is accessible from a single, convenient location. This automation ensures a seamless and efficient experience for students and staff alike.

S. No.	Activity	Past Practice	After Automation	Advantage
1.	Online Student's Exam Attendance on **eNirikshak** App	Physical verification sheets are circulated for attendance	Invigilator's will record the attendance on eNirikshak app.	**No paper needed:** Eliminates physical attendance sheets, saving time and resources. **Live monitoring:** Allows for real-time tracking of student check-ins, reducing fraud. **Automated reporting:** Generates instant, accurate reports for easy record-keeping. **Data integration:** Feeds attendance data directly into the evaluation system for streamlined grading. **Cost and time savings:** Automates a manual process, reducing administrative burden and costs. **Better insights:** Provides data for analysis on attendance trends and student performance.

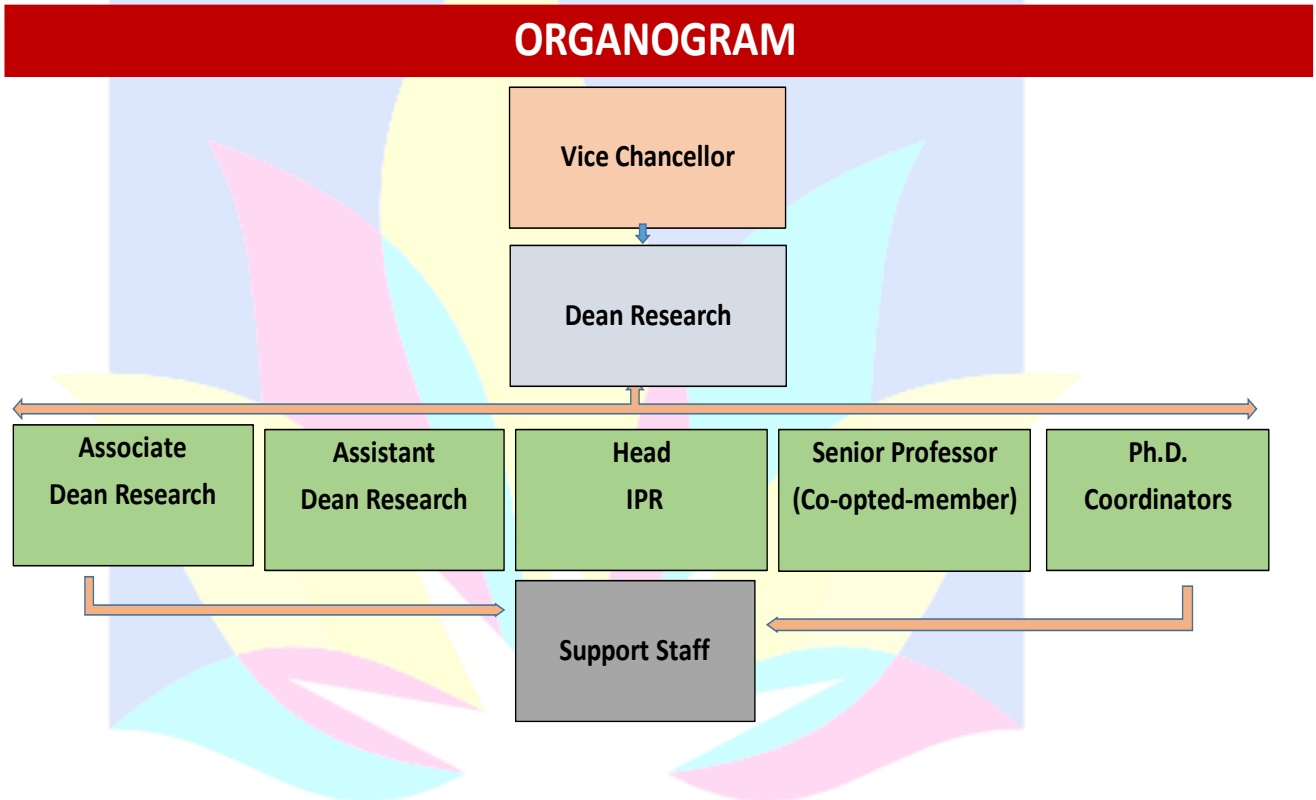

17. RESEARCH & DEVELOPMENT

Vision

Building a resilient research ecosystem to promote knowledge creation leading to disruptive innovations and accelerated entrepreneurship

Mission

- To create a resilient R&D ecosystem and provide necessary financial, infrastructural and intellectual support to faculty and students for promotion of research
- To facilitate the faculty members for intramural grants (Seed Money) for strengthening the research facilities to enable extramural funding from government and non-government agencies
- To Protect intellectual wealth by facilitating the researchers for filing, the patents, publishing papers, and developing & commercializing the technologies & products
- To incentivize faculty members and students for motivating & enhancing their research outcomes

Research and Development Cell, besides looking after the Ph.D programme encourages its faculty and students to contribute towards research, publication, patent and consultancy so as to realize the institutional goals. During the recent years, this cell has enrolled increasing number of Ph.D. students through a well laid process notified by UGC and through entrance examination, followed by interview, which provides ample opportunity for quality research with consequential outcomes. A roadmap has

been formulated which facilitates the research scholars to sail through the various stages in timely submission of thesis and award of degree. In this context, the PhD Ordinances notified by the University play a crucial role.

RDC facilitates faculty members to formulate and submit research proposals as seed funds (Intramural) to Sharda University and to various government and non-government agencies (Extramural) During August 2024 and July 2025, a total of 16 intramural and 15 extramural research projects, secured ₹7.71 crores in research funding, and contributed to the publication of 1,356 Scopus-indexed articles. Additionally, 277 patents were published, 39 patents were granted, along with 50 design patents and 20 copyrights.

To promote research quality, the Research & Development Cell has come out with a faculty and student centric plan to incentivize and financially support them to undertake various activities:

- To promote a culture for producing high quality research.
- To further augment interdisciplinary, multidisciplinary and transdisciplinary research.
- To provide required support through research framework and guidelines for research and facilitation to faculty and students for research promotion.
- To bolster infrastructural facility and human capital for establishing a strong R&D base.
- To protect the generated IPR by facilitating the faculty to file patents and their commercialization,
- To suitably incentivize the faculty/ Staff and students for patents, research publications, process & product development, extramural research grants, consultancy work, attending conferences/ seminars, membership of professional societies etc.
- To regularly monitor and track the research outcomes for improving the research quality.
- To promote globalization of research & development for global visibility of Sharda University.

E. INTELLECTUAL PROPERTY PORTFOLIO

E.1.Patents Published During the Academic Year 2024-25

Sr. No.	Application Number	Tile of Patent	Date of Filling	Name of Inventors
1	202411050644	AN AUTOMATIC CLEANING APPARATUS FOR AN AIR CONDITIONER	02-07-2024	Nishant Kumar-0001991, Sunil Kumar-0002826
2	202441056771	HYBRID NANOCOMPOSITE SOLID POLYMER ELECTROLYTE FOR SOLID-STATE SODIUM-ION BATTERY	26-07-2024	Pramod Kumar Singh-0000442
3	202411059393	SYSTEM AND METHOD FOR ORDERING ONE OR MORE UNREAD MESSAGES IN AN INSTANT MESSAGING PLATFORM	06-08-2024	Mandeep kaur-0004508, Mayank Kumar Goyal-0005553
4	202411059345	METHOD AND SYSTEM FOR HANDLING ATTACHMENTS IN ELECTRONIC MAIL	06-08-2024	Mandeep kaur-0004508, Mayank Kumar Goyal-0005553
5	202411057821	SYSTEM AND METHOD FOR SORTING ONE OR MORE UNREAD MESSAGES IN AN APPLICATION	30-07-2024	Mandeep kaur-0004508, Mayank Kumar Goyal-0005553
6	202411055302	AN IDENTITY VERIFICATION AND SECURITY MONITORING SYSTEM AND METHOD	19-07-2024	Iqra Javid-0009052, Sibaram Khara-0005365, Yashaswini Sharma-0009766
7	202411058742	AN ELECTRIC PLUG COVER	02-08-2024	Faizanul Haque-0002965, Megha Gupta-0003485, Nishant

				Kumar-0001991, Sufyan Ghani-0008010, Sunil Kumar-0002826
8	202411059384	ANTI-OSTEOPOROTIC COMPOUND, METHOD OF PREPARATION AND USE THEREOF	06-08-2024	Kanu Priya-0005998
9	202411055300	A UTILITY METERING SYSTEM AND METHOD FOR REMOTE MONITORING	19-07-2024	Iqra Javid-0009052, Sibaram Khara-0005365, Yashaswini Sharma-0009766
10	202411029525	HYBRID WASTE MANAGEMENT SYSTEM	11-04-2024	Ashish Kumar Chakraverti-0007762, Gaurav Raj-0006097, Murari Kumar Singh-0007552, Parma Nand-0004075, Rani Astya-0004074, Shaheen Naz-0000739
11	202411059590	A DUMP BOX FOR A TIPPER TRUCK	07-08-2024	Sujoy Kumar Dey-0009896
12	202411062508	AN AIR DYER FOR DRYING COMPRESSED AIR	19-08-2024	Sujoy Kumar Dey-0009896
13	202411058508	A MUCOADHESIVE COMPOSITION COMPRISING CURCUMIN FORGASTRIC WOUND HEALING AND PAIN MANAGEMENT	01-08-2024	Amrish Chandra-0009669, Bhavana Singh-0010034, Gunjan .-0003244, Preeti Singh-0006863, Priya Sharma-0005145, Priya Sharma-0005145
14	202411059383	A FORMULATION COMPRISING OF CURCUMIN AND METHOD OF PREPARATION OF THEREOF	06-08-2024	Amrish Chandra-0009669, Bhavana Singh-0010034, Gunjan .-0003244, Preeti Singh-0006863, Priya Sharma-0005145, Priya Sharma-0005145
15	202411065344	AN ELECTRICAL PANEL WITH A TESTING DEVICE	29-08-2024	Faizanul Haque-0002965, Megha Gupta-0003485, Nishant Kumar-0001991, Sufyan Ghani-0008010, Sunil Kumar-0002826
16	202441069870	DEEP LEARNING AND AI-DRIVEN PAIN MANAGEMENT SYSTEMS: INNOVATIONS IN PAIN CONTROL DEVICES AND THEIR ROLE IN ENHANCING NURSING CARE	16-09-2024	Anjela Marandi-0010722, Hemlata Lalia-0009415, Joyce Prabhu Das-0009021, R Sreeraja Kumar-0003558, Rekha Kumari-0003375
17	202411050331	INTEGRATED VERMICOMPOST MICROBIAL FUEL CELL SYSTEM AND METHOD FOR EFFECTIVE UTILIZATION OF VERMIWASH TO BIOELECTRICITY	01-07-2024	Arpita Roy-0006323, Shikha Singh-0010020, Soumya Pandit-0006073
18	202411066477	ACADEMIC JOB RECRUITMENT PORTAL SYSTEM AND METHOD THEREOF	03-09-2024	Khushboo Kumari-0009823, Shradha .-0006039, Tanni Moitra-0007544
19	202411053928	SURGICAL SCISSOR	15-07-2024	Ajit Pal Singh-0006630, Rahul Saxena-0000065, Suyash Saxena-0000287, Vishwani Khanna-0009905, Vivek Kumar Pathak-0001614
20	202411063179	BIOMASS PROCESSING APPARATUS	21-08-2024	Dayanand Sharma-0008964, Dayanand Sharma-0008964,

				Har Mohan Singh-0009926, Tushar Bansal-0008522
21	202411063779	A DENTAL INSTRUMENT FOR ENDODONTIC TREATMENT	23-08-2024	Divya Singh-0001330, Ekta Choudhary-0000303, Pooja Kabra-0000304
22	202411063778	A MEDICATION DISPENSING SYSTEM AND METHOD THEREOF	23-08-2024	Amit Kumar Upadhyay-0000513, Preeti Dubey-0004701, Pushpendra Kumar Rajput-0000542, Sudeep Varshney-0000758, Hoor Fatima-0005990
23	202411065331	A COMPOSTER FOR ORGANIC WASTE	29-08-2024	Dayanand Sharma-0008964, Dayanand Sharma-0008964, Tushar Bansal-0008522, Pooja .-0008656
24	202411065909	ECO-FRIENDLY BIORESOURCE CYANOBACTERIA AND MICROALGAE WITH THE ABILITY TO PRODUCE EPS AND REPAIR CONCRETE CRACKS	31-08-2024	Soumya Pandit-0006073
25	202411063181	SYSTEM TO CONVERT VOLTAGE OUTPUT FROM STACKED MICROBIAL FUEL CELLS	21-08-2024	C. Mohan-0000755, Soma Deb-0000753, Soumya Pandit-0006073
26	202411061800	NATURAL SPORTS DRINK PREMIX AND FORMULATION THEREOF	14-08-2024	Karuna Singh-0006882, Ratnakar Shukla-0008020
27	202411041615	ZINC OXIDE POLYMER NANOCOMPOSITE, ITS METHOD OF PREPARATION AND APPLICATIONS THEREOF	29-05-2024	Richa Tomar-0003730, Soumya Pandit-0006073
28	202441068925	A SMART DEVICE THAT USES AI TO AUTOMATICALLY ADJUST IV FLOW RATES BASED ON PATIENT VITALS, REDUCING NURSING WORKLOAD AND ENHANCING	12-09-2024	J Mythili .-0010443, Navaneeta Kalita-0010431, Rekha Kumari-0003375, Sandhya Kumari-0011072, Soumya Rajeswari Khuntia-0010981
29	202411069879	A SYSTEM AND METHOD FOR ANALYZING THE CULTURAL, POLITICAL, AND SOCIOECONOMIC IMPACTS OF DIGITAL MEDIA	16-09-2024	Shradha .-0006039
30	202441071055	EDGE COMPUTING PLATFORM FOR LOW-LATENCY IOT APPLICATIONS	20-09-2024	Anurag Rai-0011151, Kuldeep Chouhan-0009475
31	202411065996	METHOD FOR PREPARING MORTAR COMPOSITION FROM TEA WASTE POWDER	31-08-2024	Megha Gupta-0003485, Nishant Kumar-0001991, Sufyan Ghani-0008010, Sunil Kumar-0002826
32	202411039691	MATERNITY SUPPORT BELT	21-05-2024	Rita Sharma-0000402
33	202411075298	SYSTEM AND METHOD FOR MANAGING MESSAGES CORRESPONDING TO PLURALITY OF MESSAGING PLATFORMS	04-10-2024	Mandeep kaur-0004508, Mayank Kumar Goyal-0005553

34	202411077003	A METHOD AND A SYSTEM FOR DISPLAYING A PLURALITY OF SORTED UNREAD MESSAGES	10-10-2024	Anjali .-0007863, Dharm Raj-0004274, Mandeep kaur-0004508, Mayank Kumar Goyal-0005553, Nishant Gupta-0007733, Prashant Upadhyay-0009185, Preeti Dubey-0004701, Shiraz Khurana-0007976, Sonia Setia-0007820, Sudeep Varshney-0000758, Swati Singal-0009768, Hoor Fatima-0005990
35	202411067890	A PORTABLE UV STERILIZING DEVICE	09-09-2024	Kunal Kishor-0006888
36	202411066991	HEALTH AND LOCATION MANAGEMENT SYSTEM FOR ENHANCED MOBILITY AND SAFETY	04-09-2024	Amit Kumar Upadhyay-0000513, Preeti Dubey-0004701, Sudeep Varshney-0000758, Hoor Fatima-0005990
37	202411073332	DEVICE AND SYSTEM FOR MONITORING INFLOW OF FLUID IN A TANK	27-09-2024	Shaheen Naz-0000739, Usha Tiwari-0004714
38	202411077380	METHOD AND SYSTEM FOR ENHANCING ATTACHMENT MANAGEMENT OF AN ELECTRONIC MAIL	11-10-2024	Mandeep kaur-0004508, Mayank Kumar Goyal-0005553
39	202411079949	METHOD AND SYSTEM FOR FILTERING FREQUENCY MODULATION (FM) RADIO SOURCES IN RADIO SYSTEM	21-10-2024	Anjali .-0007863, Dharm Raj-0004274, Gaurav Raj-0006097, Gunjan Aggarwal-0003311, Mandeep kaur-0004508, Mayank Kumar Goyal-0005553, Sonia Setia-0007820, Sudeep Varshney-0000758, Sushant Jhingran-0005989, Swati Singal-0009768
40	202411075951	SYSTEM FOR PERFORMANCE MODELING AND ANALYSIS OF BLOODFLOW IN ELASTIC ARTERIES AND METHOD THEREOF	07-10-2024	Amit Attri-0008790
41	202411080122	DEVELOPMENT OF A SIMPLE KINETIC MATHEMATICAL MODEL FOR ENVIRONMENT FRIENDLY COATINGS	22-10-2024	Amit Attri-0008790
42	202411073514	SYSTEM AND METHOD FOR AN ARTERY SCANNER DEVICE WITH SINGLE-PRICK INSERTION USING ARTIFICIAL INTELLIGENCE TO ENHANCE PATIENT SAFETY	28-09-2024	Anamika Charan-0009983, Chitra Diwakaran-0009680, Christa Mathew-0003630, Niharika Tiwari-0009997, Nikita Jethi-0011232, Poonam Thakur-0004975, R Sreeraja Kumar-0003558, Shalini Franky-0009527, Subhalaxmi Nayak-0009884
43	202411071352	Ventilated Helmet	20-09-2024	Ajit Pal Singh-0006630, M C Chhabra-0000288, Rahul Saxena-0000065, Shailesh Jain-0005575, Suyash Saxena-0000287

44	202411083468	A METHOD AND SYSTEM FOR MULTI-LANGUAGE ATTACHMENT SEARCH AT AN ELECTRONIC COMMUNICATION PLATFORM	30-10-2024	Anjali .-0007863, Mandeep kaur-0004508, Mayank Kumar Goyal-0005553, Nishant Gupta-0007733, Parma Nand-0004075, Sonia Setia-0007820
45	202411079385	AN ANTI-CANCER COMPOUND AND PROCESS FOR THE PREPARATION THEREOF	18-10-2024	Pankaj Taneja-0001782, Pankaj Taneja-0001782, Sonia Khanna-0002038
46	202411065990	ECO-FRIENDLY INSTRUMENT BOXFOR MICROBIAL ANALYSIS	31-08-2024	Kunal Kishor-0006888
47	202411082352	A SYNERGISTIC COMPOSITION OF AN ANTIBIOTIC WITH TRANS-CINNAMALDEHYDE AGAINST MULTI-DRUG-RESISTANT BACTERIA	28-10-2024	Babita Tripathi-0009686, Garima Sharma-0011199, Pramod Kumar Singh-0000442, R C Singh-0000443, Santosh Kumar Mishra-0009476
48	202411082689	SYSTEM FOR MONITORING AND CONTROLLING SPEED OF A VEHICLE	29-10-2024	Mandeep kaur-0004508
49	202411083101	AN APPARATUS FOR MEASURING THE INFLUENCE OF TEMPERATURE AND FLUID FLOW ON CORROSION	30-10-2024	Faizanul Haque-0002965, Megha Gupta-0003485, Nishant Kumar-0001991, Sufyan Ghani-0008010, Sunil Kumar-0002826
50	202411073734	A FERMENTED FOOD PRODUCT AND A PROCESS OF PRODUCTION THEREOF	30-09-2024	Akansha .-0007580, Karuna Singh-0006882, Mayuri Rastogi-0004007, Saleem Siddiqui-0005866
51	202411083532	AUTONOMOUS BUOY SYSTEM WITH GPS AND AI FOR CONTINUOUS MONITORING OF WETLAND GREENHOUSE GAS EMISSIONS	30-10-2024	Vipin Solanki-0008727
52	202411070919	SYSTEM AND METHOD CALCULATING FOR CARDIOVASCULAR RISK IN OBSTRUCTIVE SLEEP APNEA PATIENTS	10-09-2024	Ajit Pal Singh-0006630, Devendra Kumar Singh-0002020, Rahul Saxena-0000065, Suyash Saxena-0000287, Vivek Kumar Pathak-0001614
53	202411090158	Apparatus to train Badminton players	20-11-2024	Bhumesh Tyagi-0005634, Rahul Saxena-0000065
54	202411079906	A METHOD FOR PRODUCING A CONCRETE STRUCTURE	21-10-2024	Megha Gupta-0003485, Satya Prakash-0000444
55	202411081601	MORTAR COMPOSITION COMPRISING COCONUT SHELL ASH	25-10-2024	Faizanul Haque-0002965, Megha Gupta-0003485, Nishant Kumar-0001991, Sufyan Ghani-0008010, Sunil Kumar-0002826
56	202411082694	SYSTEM AND METHOD FOR AUTOMATIC FILE FORMAT CONVERSION AND TRANSMISSION	29-10-2024	Anjali .-0007863, Mandeep kaur-0004508, Mayank Kumar Goyal-0005553, Parma Nand-0004075, Sonia Setia-0007820
57	202411083364	METHOD AND SYSTEM FOR MANAGING DUPLICATE ATTACHMENTS IN AN ELECTRONIC EMAIL	30-10-2024	Anjali .-0007863, Mandeep kaur-0004508, Mayank Kumar Goyal-0005553, Parma Nand-0004075, Sonia Setia-0007820

58	202411090950	METHOD AND SYSTEM FOR CORRECTING A TYPOGRAPHICAL ERROR IN A FILENAME OF AN ATTACHMENT	22-11-2024	Mandeep kaur-0004508, Mayank Kumar Goyal-0005553, Parma Nand-0004075
59	202411091051	A SYSTEM AND A METHOD FOR SORTING ONE OR MORE UNREAD MESSAGES	22-11-2024	Mandeep kaur-0004508, Mayank Kumar Goyal-0005553, Parma Nand-0004075
60	202441076811	A SYSTEM FOR ENHANCING WASTEWATER TREATMENT EFFICIENCY THROUGH MICROBIAL CONSORTIA OPTIMIZATION	10-10-2024	Prasun Kumar-0010933, Subhasree Ray-0007724
61	202411099532	SYSTEM AND METHOD FOR PSYCHOLOGICAL ASSESSMENT AND PERSONAL DEVELOPMENT USING THE SACRED MODEL	16-12-2024	Radhika Visalam Krishnamoorthy-0009140
62	202411076958	A PROCESS FOR CONVERSION OF AN ORGANIC WASTE INTO USABLE ENERGY AND A SYSTEM THEREOF.	10-10-2024	Arpita Roy-0006323, Shikha Singh-0010020, Soumya Pandit-0006073
63	202411077830	A MULTI-EPITOPE VACCINE CONSTRUCT AGAINST INFECTIONS CAUSED BY MYCOBACTERIUM TUBERCULOSIS	14-10-2024	Anwar Alam-0009347, Nasreen Zafar Ehtesham-0008960, Seyed Ehtesham Hasnain-0007184
64	202411078919	A PROCESS FOR PRODUCTION OF CELLULOSE NANOFIBERS (CNFS)	17-10-2024	Saleem Siddiqui-0005866
65	202411089230	PHYSIO-TOE STRENGTHING CUM HEEL PROTECTION DEVICE	18-11-2024	Kriti Sachan-0007684
66	202411090067	CORDYCEPS MILITARIS, A NOVEL BIO-LARVICIDE AGAINST DENGUE AND MALARIA VECTORS	20-11-2024	Annette Angel-0006741, Bennet Angel-0006744, Ramesh Joshi-0008776, Satyawada Rama Rao-0009570, Vinod Joshi-0006236
67	202411096159	AN OLECRANON PROTECTION SYSTEM AND METHOD	05-12-2024	Archana Khanna-0004644, Ramsha Ahmed-0009338
68	202411072596	LAPTOP STAND ASSEMBLY	25-09-2024	Archana Khanna-0004644, Ramsha Ahmed-0009338, Rita Sharma-0000402
69	202411078239	A THERAPEUTIC LIP BALM FORMULATION	15-10-2024	Hemant Sawhney-0001688, Kushdeep Kumar Gupta-0010478
70	202411072172	APPARATUS TO EXAMINE ORAL CAVITY	24-09-2024	Hemant Sawhney-0001688, Kushdeep Kumar Gupta-0010478
71	202411090647	A WASTEWATER TREATMENT SYSTEM	21-11-2024	Babita Tripathi-0009686, Mohit Sahni-0000735, Munendra Singh-0000738, Munendra Singh-0000738, Sandhya Gupta-0000762, Suman Lata Dhar-0000733
72	202411047918	CONVERTIBLE FURNITURE	21-06-2024	Dipti Parashar-0000797, Dipti Parashar-0000797, Poonam Bhagchandani-0002935, Satakshi Choudhary-0009266
73	202411088183	BRAKE COOLING SYSTEM USING THE EXHAUST AIR	14-11-2024	Sujoy Kumar Dey-0009896

74	202411093385	A BUMP STOP MOUNTING BRACKET	28-11-2024	Sujoy Kumar Dey-0009896
75	202411092671	A SUSPENSION SYSTEM	27-11-2024	Sujoy Kumar Dey-0009896
76	202411093382	A CROP HEALTH MANAGEMENT SYSTEM AND METHOD	28-11-2024	Sharik Ahmad-0009618
77	202411098328	SYSTEM AND METHOD FOR DIGITIZING AND PRESERVING HINDU TRADITIONS AND CUSTOMS	12-12-2024	Jyoti Dwivedi-0011046, Shradha .-0006039
78	202411084687	A SENSORY STIMULATION MAT FOR BALANCE AND COORDINATION	05-11-2024	Meenakshi Verma-0005620, Sumedha Rabra-0005857
79	202411093386	AN ELECTRICAL SAFETY DEVICE	28-11-2024	Faizanul Haque-0002965, Megha Gupta-0003485, Nishant Kumar-0001991, Sufyan Ghani-0008010, Sunil Kumar-0002826
80	202411092675	A BARRICADING APPARATUS	27-11-2024	Himanshu Yadav-0010582, Lalit Pratap Chandravanshi-0008032, Prashant Agrawal-0007462
81	202411099835	A SYSTEM FOR REAL-TIME VISUALIZATION OF VEINS	17-12-2024	Shikha Verma-0009586
82	202411089657	SYSTEM AND METHOD FOR PREPARING A SUSTAINABLE MORTAR COMPOSITION	19-11-2024	Megha Gupta-0003485, Nishant Kumar-0001991, Sufyan Ghani-0008010, Sunil Kumar-0002826
83	202411103269	A LOADING ASSEMBLY FOR A VEHICLE	26-12-2024	Parma Nand-0004075, Rani Astya-0004074, Sujoy Kumar Dey-0009896
84	202411087763	ANTI-INFLAMMATORY DRUG CANDIDATE AND PROCESS FOR SYNTHESIZING THE SAME	13-11-2024	R C Singh-0000443, Vinay Kumar Verma-0000666
85	202411103203	SYSTEM AND METHOD FOR EMOTIONAL INTELLIGENCE TRAINING AND THERAPY USING THE MANASA-VACHA-KARMANA (MVK) MODEL	26-12-2024	Radhika Visalam Krishnamoorthy-0009140
86	202411081575	PLANT-BASED MEAT ALTERNATIVE FORMULATION FROM RICE AND OYSTER MUSHROOM	25-10-2024	Saleem Siddiqui-0005866

F. Activities of R&D Cell During the Academic Year 2024-25

F.1. Hands on training of Atomic Spectroscopy and Chromatographic Techniques, 12 Aug, 2024:

Participants gained first-time hands-on experience with AAS and HPLC systems. TLC plates developed during training were digitally analyzed using ImageJ software. Participants learned trace element quantification, retention time analysis, and peak interpretation. Several research scholars expressed interest in using these techniques for MS, MPhil, and Ph.D. projects. Enhanced understanding of sample preparation, instrument calibration, and method validation.

Sharda University and Shimadzu Partnership for Academics, Research and Quality of Life (SPARQ) Program to Strengthen R&D, 10 Sep, 2024

Prof Kevin Schug, Professor, University of Texas, Arlington (UTA) visited Sharda University for the discussion on Shimadzu Partnership for Academics, Research and Quality of Life (SPARQ) program along with Mr. Shoichi Kakizawa, Deputy General Manager, of Shimadzu (Asia Pacific) Pte Ltd and Senior officer of Spinco Biotech Pvt. Ltd. and Toshvin Analytical Pvt. Ltd (September 10th 2024).

Prof. Kevin shared the Shimadzu SPARQ program importance in UTA research and teaching and How Sharda University can avail such benefit being the part of Shimadzu World Lab Network.

The program attended by 17 participants of different disciplines (Chemistry, Forensics, Medical, Pharmacy and Instrumentation). The program started with a welcome address and importance of Analytical equipment's in research and teaching by Hon'ble Vice Chancellor Dr. Sibaram Khara and Dean Research Prof. (Dr.) Bhuvnesh Kumar. The program was coordinated and organized by Dr Atul Kumar Gupta of Sharda University.

F3. <u>Technical Workshop on the Concept of Equipment Calibration to Strengthen R&D</u>, 10 Sep., 2024

Sharda University organized a workshop in collaboration with the M/s Fluke Technologies Pvt. Ltd., Mumbai on the Concept of In-house Calibration and Integrated Test Instruments Lab set up in the Field of Electrical, Thermal and Pressure calibration test instruments (September 5th 2024).

The workshop attended by 23 participants of different discipline (Chemistry, Physics, Forensics, Electronic and Instrumentation). The workshop started with a welcome address and importance of calibration by Dean Research Prof. (Dr.) Bhuvnesh Kumar.

Calibration is an essential practice that ensures the accuracy, reliability, and compliance of measuring instruments. By regularly calibrating these equipment, laboratories and industries can maintain high standards of quality and safety. As the NEP-2020 emphasizes the importance of Science, Technology, Engineering, and Mathematics (STEM) education, calibration plays a crucial role in STEM by ensuring that scientific experiments and measurements are accurate and reliable. Integrating calibration training into STEM curricula can help students understand the importance of precision in scientific research and industrial applications. These details were presented by representatives of Fluke Technologies Pvt Ltd. The workshop was organized by Dr Atul Gupta, Dr Mohit Sahni and Dr Usha Tiwari of Sharda University.

F4. <u>Hands-on learning of cutting-edge Chromatographic Techniques, 18 Oct, 2024</u>:

Dr. Atul K. Gupta an expert in analytical instrumentation with over 20 years of experience in chromatography and mass spectrometry trained the researcher and provided **practical exposure** and **conceptual clarity** on modern chromatographic techniques used in pharmaceuticals, environmental analysis, forensic science, and biochemical research. 22 research scholars participated and gained the knowledge on chromatographic techniques during the workshop.

F5. Sharda University Initiatives on Scientific Programme with People Republic of China, 22 Oct 2024:

Sharda University initiated Interaction on Science & Technology Collaboration with Minister Counsellor, Scientific & Technological Affairs, Embassy of People Republic of China in India.

A team comprising Mr GAO Hongshan, Minister Counsellor; Mr Hou Wangvin, Second Secretary, and Ms Miao Xuejiao, Attache, Embassy of People Republic of China in India visited Sharda University on 22 Oct 2024 and had discussion for establishing cooperation and collaboration in the field of Science & Technology of mutual interest. Hon'ble Vice Chancellor, Prof Sibaram Khara; Dean Research Dr Bhuvnesh Kumar; Registrar, Dr Vivek Gupta; Dr Ashok Daryani, Director International Relations; Mrs Ritu Kapoor, Dir Strategic Planning and Dr Atul Kumar Gupta, DGM attended the meeting from Sharda University.

F6. Intensive Hands-On Workshop on Atomic Spectroscopy Techniques,15th Feb 2025

The **Intensive Hands-On Workshop on Atomic Spectroscopy Techniques** provided practical training on advanced analytical methods for elemental analysis. Participants gained expertise in **AAS**, sample preparation, and data interpretation. This workshop is ideal for researchers, scientists, and students seeking in-depth knowledge of atomic spectroscopy for various applications.

F7. National Technology Day: Empowering a Sustainable Tomorrow through Innovation, 11 May, 2025

Dr. M. H. Rahaman, Former Director General (TM & HR), DRDO; Director, DIA-CoE, IIT Delhi delivered talk on National Science Day. He delivered an insightful and motivational lecture focused on the integration of science, technology, and innovation in national security and development. He emphasized the need for translational research, indigenous development, and strategic autonomy in critical technologies.

Key highlights of the talk included:

- The legacy of C. V. Raman and its relevance to modern scientific pursuit.
- The structure and mission of DRDO in promoting defence innovation.
- Importance of interdisciplinary collaboration and academia-industry synergy.
- Introduction to the Defence Innovation Accelerator – CoE (DIA-CoE) and its support for startups and academic research in defense applications.
- Encouragement for students and faculty to engage in cutting-edge R&D, apply for DRDO fellowships, and contribute to Atmanirbhar Bharat.
- Dr. Rahaman also highlighted successful case studies of innovations developed through DRDO-academia partnerships.

G. Awards and Recognition:

G.1. Best Researcher Awards, Sharda University:

A total of 87 applications were received from 14 schools of Sharda University. Among the applicants, Dr. Piyush Gupta from School of Basic Sciences and Research was awarded the Best Researcher Award.

G.2. Sharda University Researchers Featured in Top 2% World Scientists by Stanford University, USA – 2024

Stanford University, globally renowned, has published a report identifying the top 2% of scientists across 22 different fields based on standardized citation indicators such as citation counts, h-index, co-authorship, and a composite indicator. Among those listed are 11 scientists from Sharda University, Greater Noida

1. Emeritus Professor Dr N B Singh, Research Development Cell
2. Distinguished Professor, Dr. RC Kuhad, Life Sciences
3. Dr. Soumya Pandit, Assistant Professor Life Sciences
4. Dr Sanjay Kumar, Associate Professor, Life Sciences
5. Dr. Piyush Gupta Assistant Professor Life Sciences
6. Dr. Bharat Bhushan Assistant Professor, Computer Science & Engineering
7. Dr. P K Singh, Professor, Physics
8. Dr. Krishna Kumar, Assistant Professor, Computer Science & Engineering
9. Dr. Arpita Roy, Assistant Professor, Biotechnology
10. Dr. Sushimita Banergee, Associate Professor, Environmental Science
11. Dr Ashwani Kumar, Professor, Computer Science & Engineering

H. DST FIST Lab -TPN 69942

The DST-FIST Laboratory at Sharda University was established under the Fund for Improvement of S&T Infrastructure **(FIST)** Scheme of the Department of Science and Technology **(DST)**, Government of India, with a sanctioned grant of **₹200 lakhs** over five years to enhance advanced research infrastructure in cell biology, imaging, cell sorting, and molecular diagnostics. The facility houses high-end instrumentation, including the **BD FACS Melody™** Cell Sorter, **ZEISS Axio Observer 7** Fluorescence Microscope, and a state-of-the-art **animal cell culture unit**. During the academic year 2024–2025, the FIST lab significantly advanced interdisciplinary research across various departments and schools, resulting in over **10** peer-reviewed publications and **4** patent

filings. It played a pivotal role in attracting more than **₹275 lakhs** in extramural funding from premier agencies such as **ICMR, DRDO, AYUSH, and DST**, alongside industry-supported consultancy and small-scale projects worth over **₹10 lakhs**. The facility enabled the development and validation of innovative technologies, including **SeeTB®**—a device that transforms conventional light microscopes into fluorescence microscopes for MDR-TB detection; **L3CuBpy®**—a novel Schiff base copper complex with promising anticancer properties; and recombinant **envelope proteins of SARS-CoV-2** as potential vaccine candidates. The FIST Lab has emerged as a multidisciplinary hub supporting undergraduate, postgraduate, and doctoral research, extending its services to external academic and industrial institutions. In alignment with the Skill India mission, the lab conducts regular hands-on training programs for students, faculty, and industry professionals. The Project Implementation Group (PIG) has worked proactively to establish the lab as a self-sustaining, outcome-driven model for fostering scientific excellence and translational research within academic ecosystems.

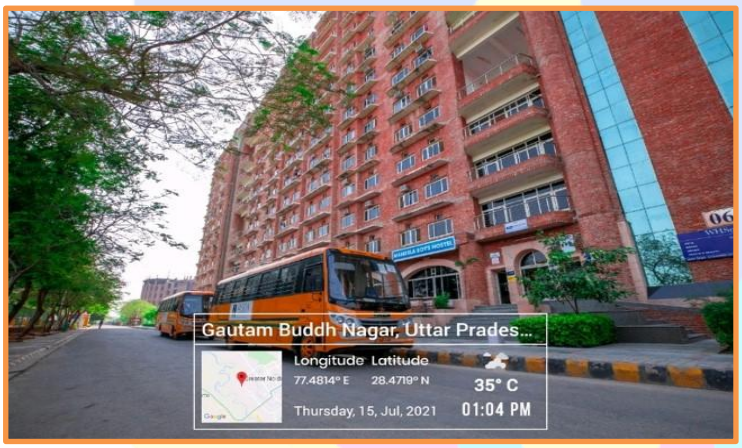

18. INTER HOSTEL ADMINISTRATION

The Inter Hostel Administration (IHA) department of Sharda University is dedicated to creating a safe, inclusive, and vibrant residential experience that fosters academic excellence, cultural understanding, and personal growth. With students from over 70 countries residing on campus, our hostels embody a global community living in harmony and collaboration.

The IHA oversees hostel management, discipline, infrastructure, and student welfare across the residential zones. Under the guidance of the Chief Warden and supported by a competent team of Wardens, Asst. Wardens, and support staff, our hostels operate with a student-first philosophy focused on safety, comfort, and community.

HOSTEL'S INFRASTRUCTURE

There are 11 Hostels including 5 Girls and 5 Boys Hostels and one PG hostel with accommodation for 3972 students. Each Hostel has a dedicated team of hostel warden, manager, caretaker and support staff to take care of the hostellers.

S. No.	Boys Hostel	Capacity	S. No.	Girls Hostel	Capacity
01	Vivekanand	267	07	Sarojini	277
02	Jawahar	224	08	Mother Teresa	50
03	Tagore	267	09	Kasturba	277
04	Mandela (Boys)	330	10	Mandela (Girls)	822
05	Vardhman	496	11	Indira	592
06	PG	370			
			Total	3972	

Rooms are available in various configurations – AC/Non-AC, Single/Double/Triple Seaters, with or without attached washrooms and balconies – catering to students' personal and economic preferences.

Each hostel is equipped with reading rooms, common lounges, indoor sports (table tennis, chess, carrom), and female washrooms are designed with specific hygienic considerations.

HOSTEL'S MESS SERVICE

Recognizing our campus's rich cultural diversity, each hostel has a **well-equipped, air-conditioned mess** that serves a balanced vegetarian and non-vegetarian menu. Food is freshly prepared under hygienic conditions and includes **breakfast, lunch, evening snacks, and dinner**.

Highlights:

- **Student-led Mess Committees** regulate and revise menus.
- **Special festive menus** (Holi, Diwali, Eid, Christmas, etc.).
- **Campus food courts and branded outlets** enhance dining options.

Internet & Digital Connectivity

Every Hostel has round the clock Wi-Fi facility that serves the hostel students need of internet connection. The Wi-Fi has 1.5 GBPS internet speed connectivity with fully secured network. The hostels have strategically placed access points and routers for quick and better connection.

LAUNDRY SERVICES

Message from the Dean – Students' Welfare

Greetings and welcome to Sharda University….!

As the Dean of Students' Welfare, I take immense pride in our university's long-standing commitment to delivering a practical, experiential-based education. Since its inception, Sharda University has prepared undergraduate, postgraduate, and doctoral students to become leaders with both **moral depth** and **intellectual strength**—qualities essential for navigating the complexities of our ever-evolving global society.

Located in the dynamic and culturally rich **National Capital Region (NCR)**, Sharda University provides students with unparalleled access to top-tier companies and communities. This strategic location serves as a springboard for professional growth and has contributed to the success stories of over **50,000 alumni**. Our distinguished faculty members, who bring decades of leadership and experience to the classroom, play a central role in shaping these outcomes. Their thought leadership and cutting-edge research make meaningful contributions both locally and globally.

The **Office of the Dean of Students' Welfare** is committed to fostering the **holistic development** of students, emphasizing leadership, character building, and personal growth. Under the mentorship of faculty coordinators, students are actively engaged in managing **hostels**, **mess services**, **sports**, **cultural and literary activities**, and various **professional societies** within each school. We strive to cultivate a campus culture of collaboration, inclusivity, and camaraderie through a wide range of events and initiatives.

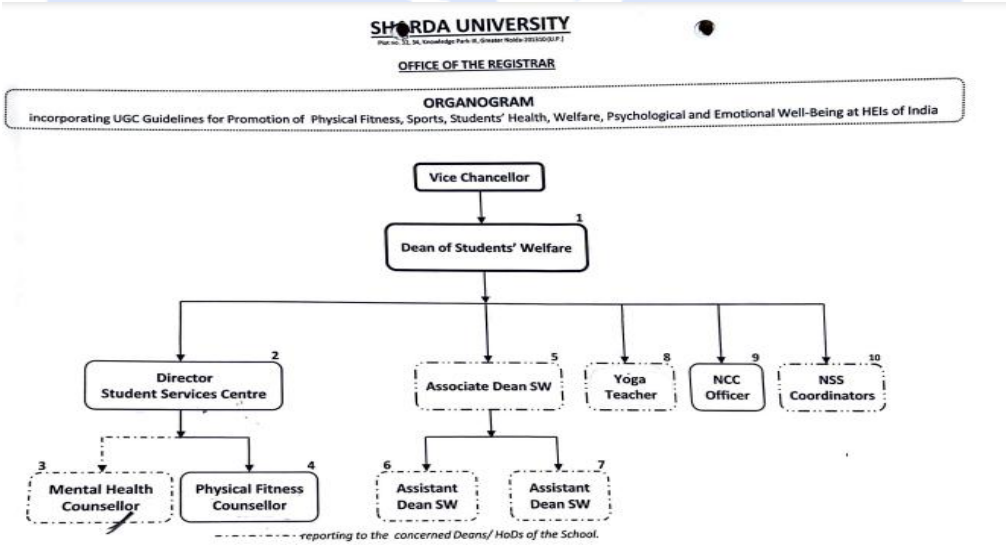

Recognizing the diverse backgrounds and aspirations of our student community, we aim to provide a supportive environment where every student can thrive, express their talents, and work toward their fullest potential.

We look forward to walking alongside you in your journey of transformation, excellence, and achievement.

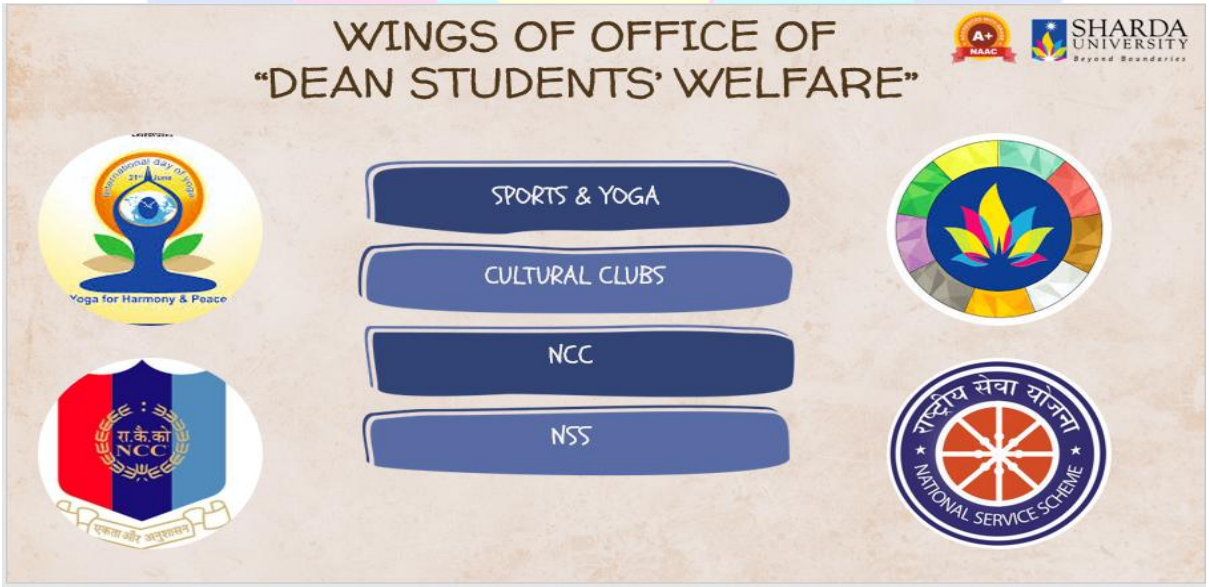

Warm regards,

Dean – Students' Welfare
Sharda University

NSS

(NATIONAL SERVICE SCHEME) CELL

The **National Service Scheme** (**NSS**) is an Indian government sector public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year in 1969. Aimed at developing student's personality through community service. NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus-community.

The programme aims to instilling the idea of social welfare in students, and to provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity. In doing so, volunteers learn from people in villages how to lead a good life despite a scarcity of resources. It also provides help in natural and man-made disasters by providing food, clothing and first aid to the disaster's victims.

The sole aim of the NSS is to provide hands on experience to young students in delivering community service.The students participating in its activities work with the people of the society in the interest of the society. Literacy related work, environmental protection, Health and sanitation, assistance to the victims of emergency or natural disaster etc. By virtue of the social work from the student's life, the qualities of social service or national service are developed in them. To become an ideal citizen it is necessary to develop these qualities.

The National Service Scheme of Sharda University is constantly working to make students aware of social problems and motivate them in creative work to solve

them. NSS provides an opportunity for social service by motivating the students towards creative work and is playing an important role in nurturing their personality. Certificates obtained from the National Service Scheme help in building a good future for the volunteers. Students can use these certificates in government and non-government services. Additional bonus points are also given to students holding National Service Scheme certificate at the time of admission to various courses of higher classes.

Motto

The motto of National Service Scheme is **NOT ME BUT YOU**

The Motto of NSS "Not Me But You", reflects the essence of democratic living and upholds the need for selfless service. NSS helps the students development & appreciation to other person's point of view and also show consideration towards other living beings. The philosophy of the NSS is a good doctrine in this motto, which underlines on the belief that the welfare of an individual is ultimately dependent on the welfare of the society as a whole and therefore, the NSS volunteers shall strive for the well-being of the society.

NSS Logo

The logo for the NSS has been based on the giant Rath Wheel of the world famous Konark Sun Temple (The Black Pagoda) situated in Orissa, India. The Red & Blue colors contained in the logo motivate the NSS Volunteers to be active & energetic for the nation-building social activities. The wheel portrays the cycle of creation, preservation and release and signifies the movement in life across time and space, the wheel thus stands for continuity as well as change and implies the continuous striving of NSS for social change.

- **The Konark wheel in the NSS badge having 8 bars signifies the 24 hours of the day, reminding the wearer to be ready for the service of the nation round the clock i.e. for 24 hours.**

- **Red colour in the badge signifies energy and spirit displayed by the NSS volunteers.**

- **The Blue colour signifies the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of the mankind.**

Objectives

The objective of the National Service Scheme is to awaken the social consciousness of the students and provide opportunities to them as follows:

1. Understand the community in which they work

2. Understand themselves in relation to their community

3. Identify the needs and problems of the community and involve them in problem-solving

4. Develop among themselves a sense of social and civic responsibility

5. Utilise their knowledge in finding practical solutions to individual and community problems

6. Develop competence required for group-living and sharing of responsibilities

7. Gain skills in mobilising community participation

8. Acquire leadership qualities and democratic attitudes

9. Develop capacity to meet emergencies and natural disasters and

10. Practise national integration and social harmony

Mission and Vision

- The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. It provides opportunity to the student youth of India to takepart in various government led community service activities & programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service.

- To recognize outstanding contribution by NSS student volunteers, NSS Programme Officers and the Programme Coordinators in community service.

- To encourage young NSS student volunteers to develop their personality through community service.

- To encourage the Programme Officers and the Programme Coordinators of NSS for catering the needs of National Service Scheme through the NSS volunteers.

- To motivate NSS Volunteers for continuing their selfless service towards community work.

NSS Cell Activity Calendar

Types of Activities:

Regular Activities:

NSS volunteers generally work in villages, slums and voluntary agencies. As per the fundamental principles of National Service Scheme, a volunteer is expected to remain in constant touch with the community.

Special Camping Programme:

Special Camping forms an integral part of National Service Scheme. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with community. Special campings are organised generally on various developmental issues of national importance.

- **NSS Cell is involved in doing several activities such as the activities in Collaboration with National and International NGOs.**
- **NSS Volunteers are involved with the Green Practices Committee, Sharda University**
- **Village Visit in Greater Noida**
- **Tree Plantation**
- **Nukkad Natak for Awareness Creation etc.**

एड्स को लेकर एनएसएस के विद्यार्थियों ने निकाली जागरूकता रैली

ग्रेटर नोएडा, 15 जनवरी (देशबन्धु)। नॉलेज पार्क स्थित शारदा विश्वविद्यालय के एनएसएस सेल, छात्र कल्याण विभाग और रेड रिबन के सहयोग से रैली निकालकर लोगों को एड्स से बचाव की जानकारी दी गई। एनएसएस सेल के कॉर्डिनेटर डॉ. कृष्ण कुमार पांडेय ने बताया कि हम थोड़ी सी सावधानी बरतकर इस संक्रमण से बच सकते हैं, कई बार हमारी थोड़ी सी लापरवाही हमपर भारी पड़ती है। इसकी चपेट में आने पर इस वायरस का असर हमारे शरीर की प्रतिरोधक क्षमता पर पड़ता है। एचआईवी संक्रमण के बाद हमारे शरीर की प्रतिरोधक क्षमता घटने लगती है। इस कारण अन्य बीमारियों का प्रकोप बढ़ने की आशंका रहती है, यह एक जानलेवा बीमारी है। यह असुरक्षित यौन संबंध बनाने, संक्रमित सूई लेने या संक्रमित रक्त के संपर्क में आने से हो सकता है। इससे बचकर हम एड्स से बच सकते है। अपनी सेहत पर खुद ही ध्यान देना चाहिए। छात्र कल्याण विभाग के डीन डॉ. प्रमोद कुमार ने कहा कि एचआईवी से संक्रमित होने के आठ साल बाद एड्स के लक्षण दिखते हैं। कभी-कभार तो 10 साल बाद भी इसके लक्षण नहीं दिखते हैं। एक बार संक्रमण होने के बाद इसे ठीक नहीं किया जा सकता है, अबतक यह बीमारी लाइलाज है। ऐसे में बचाव ही एकमात्र उपाय है। हमें हमेशा सतर्क व सावधान रहना चाहिए। इसके लिए समाज में जागरूकता लानी होगी. एचआईवी संक्रमण से जागरूकता से ही लोगों को बचाया जा सकता है।

शारदा विश्वविद्यालय ने एड्स को लेकर जागरूकता रैली निकाली

ग्रेनो के नॉलेज पार्क स्थित शारदा विश्वविद्यालय के एनएसएस सेल, छात्र कल्याण विभाग और रेड रिबन के सहयोग से रैली निकालकर लोगों को एड्स से बचाव की जानकारी दी गई। एनएसएस सेल के कॉर्डिनेटर डॉ कृष्ण कुमार पांडेय ने बताया कि हम थोड़ी सी सावधानी बरतकर इस संक्रमण से बच सकते हैं,कई बार हमारी थोड़ी सी लापरवाही हमपर भारी पड़ती है। इसकी चपेट में आने पर इस वायरस का असर हमारे शरीर की प्रतिरोधक क्षमता पर पड़ता है। एचआईवी संक्रमण के बाद हमारे शरीर की प्रतिरोधक क्षमता घटने लगती है। इस कारण अन्य बीमारियों का प्रकोप बढ़ने की आशंका रहती है,यह एक जानलेवा बीमारी है। यह असुरक्षित यौन संबंध बनाने, संक्रमित सूई लेने या संक्रमित रक्त के संपर्क में आने से हो सकता है। इससे बचकर हम एड्स से बच सकते है। अपनी सेहत पर खुद ही ध्यान देना चाहिए। छात्र कल्याण विभाग के डीन डॉ प्रमोद कुमार ने कहा कि एचआईवी से संक्रमित होने के आठ साल बाद एड्स के लक्षण दिखते हैं।कभी-कभार तो 10 साल बाद भी इसके लक्षण नहीं दिखते हैं। एक बार संक्रमण होने के बाद इसे ठीक नहीं किया जा सकता है,अबतक यह बीमारी लाइलाज है। ऐसे में बचाव ही एकमात्र उपाय है। हमें हमेशा सतर्क व सावधान रहना चाहिए।इसके लिए समाज में जागरूकता लानी होगी. एचआईवी संक्रमण से जागरूकता से ही लोगों को बचाया जा सकता है।

Sharda School of Humanities & Social Sciences

Bharatiya Sanskriti Vaishvik Kendra

Email: bsvk@sharda.ac.in

Centre of Excellence for Indian Knowledge Systems (IKS)

Sharda University established Bharatiya Sanskriti Vaishvik Kendra (BSVK) in 2024 under the aegis of Sharda School of Humanities and Social Sciences. The centre is a first-of-its-kind academic endeavour in the country for the revival, collation and dissemination of India's rich knowledge and cultural heritage at a global level. This centre aims to create a repository of भारतीय ज्ञान परम्परा or Indian Knowledge Systems (IKS) for the diverse student body from over 95 countries studying at the university.

Vision

BSVK aims to preserve and disseminate the knowledge inherent to our core intellectual texts such as the Vedic Vangmaya, Tripitaka, Jain Agama, Guru Granth Sahib and Dasham Grantha, Thirukkural and the major Sanskrit, Tamil and Tribal epics, to name a few. Students will be introduced to the philosophies and practices of the four principal Dharmic traditions—Hinduism, Jainism, Buddhism, and Sikhism. This will bring about an understanding and adaptation of global solutions to contemporary challenges for humanity.

Objectives

The objective of the centre is to cultivate a deeper understanding of Indian philosophical traditions and their enduring relevance to contemporary global discourse. It will provide both national and international students with an access to foundational as well as advanced courses on Indian Knowledge Systems, encouraging intellectual discourse, philosophical inquiry, and artistic expression through the study of systems and traditions that span over millennia.

- It will enable a global platform for the methodical study and representation of Bharatiya Culture (Sanskriti) in a comprehensible format.
- The centre will encourage cross-cultural dialogues for the promotion of global peace, health, harmony, and Jiva-friendly (eco-friendly) living and disseminate it to the masses by using the state of the art technology.
- Through this centre, students will get a chance to revisit the depths of Bharatiya Sanskriti, reflected in its philosophical tenets, intellectual texts, and the invaluable contributions of its great thinkers like Andala, Sarala Dasa, Vyasa, Charaka, Jaimini, Chankya Vishnugupta, Adi Shankara, Gyaneshwara, Chaitanya Mahaprabhu, Narayana Guru, Vivekananda and Sri Aurobindo, to mention only a few.

- Indian civilization is accepted as the fountainhead of timeless and universal values such as diversity, equity, and sustainability, which will be studied more in-depth at the centre.
- The interdisciplinary efforts of the different schools at Sharda University will enable a digital repository of primary sources which will be made available en-masse.
- The world-class infrastructure will enhance the scope of research and publications in Indic studies.
- A team will be dedicated to plan and establish art galleries and archives for Indic art and culture, including tribal and folk cultures.

6. **Student & Volunteers**

The centre will have its own student wing by the name of 'The Spiritual Club' who will hold discussions on a regular basis.

BSVK is structured into three dedicated verticals, each focussing on a core aspect of the centre.

I. **Adhyayan Kendra (Study Centre) :** Will be focussing on the theoretical foundations of Indian Knowledge Systems through curated academic programs.

Ongoing Programs include

Open Elective Courses (2 Credits/30 Hours) offered across the university

- Introduction to Indian Knowledge Systems- This course provides an in-depth exploration of the Indian Knowledge System (IKS), encompassing its meaning, nature, and scope. Students will engage with the Vedic corpus and other classical texts, interpreting them through their own perspectives while developing critical thinking skills. The course emphasizes the application of traditional knowledge to contemporary times, encouraging students to relate ancient wisdom to modern challenges and fostering an integrative understanding of knowledge.

- Introduction to Vedic Studies- offers a comprehensive exploration of Vedic literature, philosophy, rituals, society, and culture. Students will engage with primary Vedic texts, gaining insights into their structure, themes, and philosophical underpinnings. Through critical analysis, comparative studies, and practical activities, students will explore the core concepts of Vedic thought, including cosmology, metaphysics, ethics, and ritual practices. This course aligns with the National Education Policy (NEP) 2020 guidelines, emphasizing a multidisciplinary and holistic approach to education.

Certificate Courses (3 Credits/ 45 Hours) on

- Introduction to Jain Philosophy and Thoughts- This course offers a comprehensive study of Jain philosophy, encompassing its intricate metaphysical, epistemological, and ethical principles. Rooted in the teachings of Tirthankaras and articulated through Agamic scriptures, Jain philosophy emphasizes non-violence, non-absolutism, and karma theory. Through this course, students will delve into the core tenets of Jain thought and their implications on human existence and spiritual liberation.

- Introduction to Brahmi Script- offers a comprehensive exploration of one of the oldest writing systems in the Indian subcontinent. Brāhmī, the precursor to many modern Indian scripts, played a crucial role in the development of written communication in ancient India and has left a lasting legacy in the linguistic and cultural history of South Asia. This course will delve into the origins, structure, and evolution of the Brahmi Script. Student will get a hands-on exercises in reading and writing Brāhmī, providing them with the skills to decipher historical texts and inscriptions.

- Introduction to Pali Language and Buddhist Studies- This introductory course offers a comprehensive foundation in the Pali language, the classical language of the Theravada Buddhist canon. Designed for beginners, the course covers the basic grammar, vocabulary, and syntax of Pali, with a focus on developing reading proficiency in canonical texts. Students will learn to read, understand, and translate simple Pali sentences, explore key Buddhist concepts, and gain insight into the cultural and historical context in which Pali was used.

- Vipassana: Theory and Practice- This intensive, silent meditation course offers a deep dive into the practice of Vipassana, often described as "insight meditation," which aims to purify the mind by developing heightened awareness, mindfulness, and equanimity. Participants will be required to follow a strict code of discipline, which includes maintaining silence, abstaining from certain activities, and following a prescribed schedule. The course will be conducted in a supportive environment with guidance provided by experienced teachers.

- Self-Growth & Empowerment: Learnings from Bhagavad Gita- This course offers a journey through the essential teachings of the *Bhagavad-Gita*, to empower students with ancient insights with modern-day relevance. Rooted in the timeless paths of **Karma Yoga (action), Jnana Yoga (knowledge),** and **Bhakti Yoga (devotion),** the course cultivates clarity, character, and inner strength.

- Understanding Human Behaviour: In this course students will examine the foundational psychological theories and real-life applications, the course will help learners understand how perception, cognition, and emotion influence human behavioural patterns. Humans behave themselves as driven by the ever generating 'thoughts' in their minds. The thoughts are generated as a result of interaction of the external and internal stimuli fed to the mind (through the sensory organs of sight, hearing, tasting, smelling and touching) with the ever updating memory complex. Internal stimuli include the qualities of the mind or the influence of *Triguna* which makes up one’s biological composition.

21. Community Connect

Message from the Vice-Chancellor

I am honoured to share with you the annual report for the Community Connect initiative for 2023-24. It is a continued commitment to making a positive difference in the world around us. Community Connect exemplifies our dedication to bridging academia with the pressing needs of society, fostering a collaborative spirit that benefits both our students and the communities we serve.

This year has seen remarkable strides in our efforts. Students and faculty have engaged in transformative projects, addressing challenges across education, healthcare, environmental preservation, and social justice. These initiatives have not only enhanced students' academic journeys but have also built empathy, responsibility, and a genuine commitment to public service. Our students have had the privilege of working with inspiring community partners, leaders, and organizations, each project strengthening their sense of purpose and ability to contribute meaningfully.

I am immensely grateful to the dedicated faculty, staff, and community partners who make these efforts possible, as well as to our students, whose enthusiasm and dedication bring our mission to life. Moving forward, we are excited to further expand Community Connect's impact, embedding even more opportunities for experiential learning into our programs and cultivating socially conscious graduates prepared to lead with insight and compassion.

Thank you for your continued support and for joining us on this inspiring journey. Together, we are building a stronger, more inclusive future for all.

Prof. Sibaram Khara
Vice-Chancellor, Sharda University

Message fromthe Pro Vice-Chancellor

It is a privilege to share the annual report of theSharda University's Community Connect initiative, an embodiment of our university's commitment to social responsibility, experiential learning, and transformative impact. Community Connect continues to play an invaluable role in nurturing a sense of civic duty among our students, encouraging them to step beyond the classroom and engage meaningfully with the world around them.

Over the past year, our students and faculty have contributed to projects addressing some of society's most pressing issues, from healthcare and education to environmental conservation and community development. These experiences have enriched our students' academic journeys, helping them develop essential skills like leadership, empathy, and resilience. By working with local organizations and leaders, they have gained a deeper understanding of societal challenges and learned the true value of contributing to the greater good.

None of this would be possible without the tireless efforts of our faculty, staff, and the community partners who have supported our students in their endeavours.

Thank you for your unwavering support and for being a part of this journey toward building a more compassionate and resilient society.

Prof. Parmanand
Pro Vice-Chancellor, Sharda University

Message from the Dean Academic Affairs

It is my pleasure to share the achievements of our Community Connect initiative in this year's annual report. Community Connect has become an integral part of our educational philosophy at Sharda University, bridging classroom learning with community engagement and fostering a deeper understanding of the social challenges and needs within our communities. By participating in this initiative, our students gain valuable, hands-on experience that builds their academic skills and nurtures empathy, leadership, and a strong sense of civic responsibility.

Throughout the year, our students and faculty have worked collaboratively on impactful projects across healthcare, education, environmental conservation, and social equity. These projects are designed not only to address immediate needs but also to inspire long-term positive change within our partner communities. Our students have had the unique opportunity to work alongside local organizations and leaders, learning from real-world issues and actively contributing to solutions. These experiences are vital in shaping graduates who are both skilled professionals and compassionate, informed citizens.

The success of Community Connect would not be possible without the unwavering dedication of our faculty, staff, and community partners.

Prof. R. C Singh
Dean Academic Affairs, Sharda University

Message from the Advisor Community Connect

As a community Advisor and social worker l grateful to share the Annual Report. At Sharda University we believe that true education extends beyond the boundaries of classrooms and textbooks. Our Community Connect Program is a vital step in nurturing socially responsible, empathetic, and people-centric professionals for tomorrow.

Through this initiative, our students engage with the often unseen world of low-income communities—daily wage workers, laborers, and marginalized families. By studying the microeconomics of the poor, students begin to understand how these individuals manage their lives amidst constant social and economic hardship. This exposure helps students witness resilience, ingenuity, and the power of hope at the grassroots level.

The program is designed not only to broaden academic understanding but also to sensitise students to the real challenges faced by society. It aims to cultivate compassion and a genuine sense of responsibility. Students are encouraged to explore how systemic issues affect communities, and how innovative, need-based solutions can create real impact.

This initiative serves as a foundation for building empathetic leaders, policy-makers who listen, designers who care, and entrepreneurs who solve. By connecting with communities directly, students develop a deeper insight into human needs—insights that will shape their journey as professionals and citizens.

Let us continue to learn from the people, serve with purpose, and lead with empathy.

Message from the Associate Dean Academic Affairs

It is with great pride and a sense of fulfillment that I share this message for the Annual Report of *Community Connects*. The initiative embodies the spirit of collaboration, service, and transformative education, values that are integral to the mission of our institution.

Over the past year, *Community Connects* has grown into a platform that not only enhances the learning experiences of our students but also enriches the lives of the communities we engage with. Through innovative projects, hands-on involvement, and a commitment to addressing real-world challenges, our students and faculty have showcased the power of academic knowledge applied in meaningful ways.

The highlights of this year reflect a collective dedication to fostering inclusivity, sustainability, and innovation towards rural India. From grassroots projects to large-scale initiatives, every effort has contributed to building stronger ties with our community partners and making a positive, tangible impact.

I extend my heartfelt gratitude to the entire team behind *Community Connects*—students, faculty, staff, and collaborators. Your dedication and passion have made this initiative a beacon of hope and progress. I also thank our community partners for trusting us and allowing us to learn and grow together.

As we look ahead, let us continue to strengthen this bridge between academia and the community, ensuring that our institution remains a catalyst for social good and transformative learning.

Prof. Pallavi Gupta
Associate Dean Academic Affairs

Message from the Head, Community Connect

It gives me immense pleasure to present this message for the Annual Report of *Community Connects*. This initiative has been a cornerstone in bridging the gap between academia and the community, fostering a spirit of collaboration, empathy, and impactful change.

The past year has been remarkable in terms of achievements and learning. Our students, faculty, and partners have worked together on diverse projects that address pressing societal challenges, promote sustainable practices, and uplift underserved communities. These endeavors not only contribute to the well-being of society but also provide our students with invaluable experiential learning opportunities.

The essence of *Community Connects* lies in its ability to bring people together—students with communities, ideas with actions, and challenges with solutions. Every activity undertaken this year has reinforced our belief in the power of collective effort and the importance of giving back to society specialy to rural India.

I want to express my deepest gratitude to everyone who has been a part of this journey—the students for their enthusiasm, the faculty for their guidance, and our community partners for their trust and collaboration. Your contributions have been instrumental in making this initiative a success.

As we move forward, I am confident that *Community Connects* will continue to thrive as a platform for meaningful engagement and transformative impact. Together, let us keep working towards a brighter, more inclusive future.

Prof. Bhim Singh
Head, Community Connect

Message from the Head, Community Connect

Each year, *Community Connects* reaffirms our belief that true education extends beyond classrooms—it lives in the communities we engage with, the challenges we help address, and the lives we strive to impact.

This year, the initiative has taken significant strides in expanding its scope and deepening its impact. What began as a platform for outreach has now become a dynamic laboratory of learning and leadership. Through thoughtfully designed projects and immersive fieldwork, our students are not only applying their academic knowledge but also cultivating empathy, critical thinking, and social responsibility.

One of the most inspiring aspects of *Community Connects* is witnessing how young minds transform when they step into real-world situations. Whether it's supporting rural education, promoting health and hygiene, or encouraging sustainable livelihood practices, these interactions shape students into more aware, compassionate, and action-oriented individuals.
I am particularly proud of how the initiative has embraced interdisciplinary thinking and innovation. By encouraging collaboration across departments and partnering with local stakeholders, *Community Connects* continues to generate solutions that are both relevant and sustainable.

To all those who contributed—students, faculty, and community members—thank you for your commitment and vision. You are the changemakers and catalysts of this ongoing journey.

Let us continue to build on this momentum and work towards creating a model of education that is deeply rooted in service, relevance, and humanity.

Prof. Nimmi Agarwal
Head, Community Connect

1 Introduction

1.1 Introduction to Community Connect

The origin of the Community Connect initiative in higher education is closely linked with the goals of India's National Education Policy (NEP) 2020, which emphasizes holistic education, experiential learning, and a strong focus on social responsibility. Recognizing that higher education institutions have a profound role to play in societal development, the NEP encourages universities to integrate community engagement as a central part of their curricula. In line with this policy and the University Grants Commission (UGC) recommendations, Sharda University established its Community Connect program as a platform to provide students with the opportunity to apply academic knowledge in real-world contexts, addressing local and national challenges and contributing to the public good.

The New Education Policy advocates a learner-centric approach, one that not only prepares students for their careers but also develops responsible citizens. Community Connect is a direct response to these principles, integrating service learning with academic coursework to produce well-rounded graduates. Through this initiative, Sharda University actively supports the NEP's goal of promoting knowledge that transcends traditional classroom boundaries, focusing on sustainable solutions that address issues in education, healthcare, environmental sustainability, and economic empowerment.

Inspired by the UGC's directives on social responsibility and university-community linkages, Sharda University's Community Connect program was designed to foster partnerships with local communities, non-profits, and government agencies. These collaborations enable students to immerse themselves in social projects where they can develop empathy, critical thinking, and leadership skills—qualities that the NEP envisions as essential for modern graduates. Additionally, the program emphasizes reflective learning and problem-solving, empowering students to work effectively within diverse social contexts and to understand the broader implications of their actions.

The origins of Community Connect also reflect Sharda University's dedication to producing socially conscious graduates who are prepared to contribute positively to the nation. Through this program, students gain firsthand experience in tackling real-world challenges, guided by faculty mentors who provide both academic and ethical perspectives on community work. This emphasis on experiential learning resonates with the NEP's vision of education as a tool for societal transformation, where students are encouraged to engage in projects that address social issues and contribute to community upliftment.

Community Connect at Sharda University is more than an academic program; it is a journey of personal and social growth. Students engage in diverse initiatives—from health awareness drives and environmental conservation efforts to educational outreach and skills training—that benefit both their learning experience and the communities they serve. The initiative aims to cultivate a mindset of service, civic responsibility, and sustainability, aligning seamlessly with the NEP's call for building an education system rooted in compassion, ethics, and real-world impact.

As Sharda University continues to expand the scope of Community Connect, it remains committed to the NEP's transformative vision for higher education. By embedding community engagement into the curriculum, Sharda aims to shape graduates who are not only academically accomplished but also socially aware and driven by purpose. The Community Connect program exemplifies the university's alignment with the UGC's recommendations and the NEP's goals, ensuring that higher education serves as a powerful agent of change in society. Through Community Connect, Sharda University is proud to contribute to the vision of a more inclusive, compassionate, and responsible India.

1.2 Community Engagement Programs in India

1. **Social Responsibility Focus:** Universities across India are increasingly emphasizing social responsibility, encouraging students to actively participate in addressing societal issues such as education, healthcare, and environmental sustainability.
2. **Collaboration with Local Communities:** Many higher education institutions collaborate with local communities, NGOs, and government bodies, providing students with opportunities to engage directly with real-world problems and solutions.
3. **Experiential Learning:** Community engagement programs integrate experiential learning into academic curricula, allowing students to apply theoretical knowledge in practical, hands-on projects that benefit society.
4. **Addressing Marginalized Communities:** Programs often focus on uplifting marginalized communities, offering educational support, health awareness, skill development, and other initiatives aimed at reducing socio-economic disparities.
5. **Alignment with NEP 2020:** The National Education Policy (NEP) 2020 promotes the integration of community engagement as part of higher education, encouraging universities to cultivate a sense of civic responsibility and ethical leadership among students.
6. **Holistic Development:** These programs help students develop critical skills like leadership, teamwork, empathy, and problem-solving, preparing them to become socially-conscious leaders in their respective fields.
7. **Sustainability and Long-Term Impact:** Many programs aim for sustainable, long-term impact, fostering collaboration and solutions that continue to benefit communities beyond the duration of student involvement.

2 Community Connect Program at Sharda University

2.1 University Level Operations

Sharda University's Community Connect program is a comprehensive initiative aimed at bridging the gap between academic learning and community engagement. It is designed to foster social responsibility, enhance practical learning, and encourage students to actively contribute to societal development. With 14 diverse schools offering programs in fields such as Engineering, Medical, Dental, Law, Social Science, Basic Science, and Health Science, the program leverages the broad expertise of Sharda University's academic disciplines to address a wide range of community needs.

Key features of the Community Connect program include:

- **Interdisciplinary Collaboration:** Students from different schools and departments collaborate on projects that align with their academic backgrounds, such as healthcare initiatives, legal aid, environmental sustainability, and educational outreach.
- **Role of Deans and Department Heads:** The success of Community Connect is driven by the active involvement of Deans and Department Heads, who oversee and guide projects in their respective fields. They are responsible for ensuring faculty and students engage with relevant community projects, linking academic knowledge with real-world applications.
- **Diverse Community Engagement:** Students apply their knowledge to address local and national issues, contributing to sustainable solutions in sectors such as healthcare, law, education, and infrastructure. For example, Engineering students might focus on building eco-friendly infrastructure, while Medical and Health Sciences students may provide healthcare services or awareness campaigns.

- **Holistic Skill Development:** Through hands-on community work, students develop essential skills such as leadership, empathy, teamwork, and problem-solving. This enhances their academic learning while fostering a sense of civic responsibility.

Sharda University's Community Connect program is a vital part of its commitment to creating well-rounded graduates who are not only experts in their fields but also responsible citizens dedicated to contributing positively to society. Through this initiative, the university continues to empower students to make a meaningful difference in communities while preparing them for successful careers and social leadership.

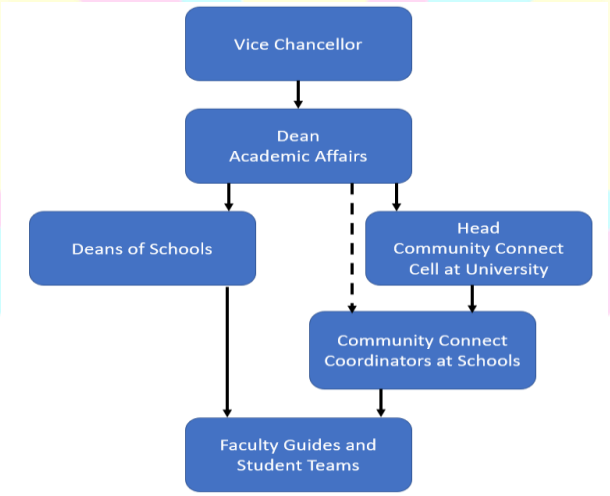

2.2 Key Principles for Community Engagement

In light of the global and national approaches currently prevalent, the following key principles shall guide community engagement of HEIs:

- Partnership between HEIs and local communities should be based on mutual learning and respect.
  - Students visit villages and other communities to learn from.
  - Students provide services and benefits to the community in various forms.
- University-wide implementation of the program, in each faculty and discipline.
  - All schools of Sharda University have made it mandatory for their students to perform Community Connect program once during their course.
- Formal crediting for students and teachers.
  - The course is a 2-credit course for all schools of Sharda University, except the schools following NEP 2020 for community connect courses or those following council standards.
  - Faculty are awarded/incentivise for carrying out Community Connect activities.
- Linkages with local institutions, such as local governments, district administration, local entrepreneurs, business and local NGOs.
  - Sharda provides help in the form of services, advice, awareness campaign, etc in order to improve the lives of people it touches.
  - Apart from the 5 villages that Sharda has adopted, Community Connect touches the lives of people in dozens of communities.

5 Activity Analysis

This section helps us understand the activities undertaken throughout the year for Community Connect.The table and graph below summarise the area of focus of the projects in this year. As the data shows, research into social aspect has increased, even when compared to the previous year. The social and health topics have remained the two main focus areas in this year as well as in the previous one.

Apart from these villages, surveys and projects were carried out in many areas of Delhi/NCR and Ghaziabad. Surveys were also conducted in Bihar and Manipur in India.
Outside India, our students conducted community engagement programs in Burkina Faso and Nigeria.

5.1 Outcome of Community Connect.

The community connect initiative by Sharda University has yielded remarkable outcomes, showcasing the institution's commitment to addressing societal challenges and fostering innovation. Here are the key outcomes of the initiative:

i. **Impact on Rural Communities**:
Students and faculty visited nearby rural communities to identify and address local challenges. Their active engagement has led to tangible solutions and enhanced the quality of life in these areas.
ii. **Academic Contributions**:
   a. **Research Papers**: Faculty and students have published research papers based on their findings and interventions in rural areas, contributing to the body of knowledge in diverse fields.
   b. **Book Chapters**: Insights from the community connect activities have been compiled into scholarly book chapters, highlighting innovative practices and challenges faced by rural communities.
iii. **Intellectual Property Development**:
   a. **Patents Filed**: Practical solutions developed during the initiative have led to the filing of patents, demonstrating the creativity and technical expertise of the participants.
iv. **Documentation and Reporting**:
   a. Faculty and students have compiled various reports detailing the outcomes of their interventions, serving as resources for future projects and policymaking.

Example: The report of Mechanical Engineering students concluded that drip irrigation is the most suitable system for addressing Girdhapur village's irrigation challenges due to its efficiency in conserving water and enhancing crop yields by delivering precise amounts of water directly to plant roots. Raingun irrigation is also identified as a viable alternative for larger fields requiring broader coverage. Both methods outperform traditional surface irrigation, providing sustainable solutions that optimize water use, improve agricultural productivity, and support the village's long-term resilience against water scarcity. Another report evaluates and rank organic fertilizer production methods, identifying the most sustainable and efficient option.

5.2 Feedback Analysis

Feedback on the programme was taken from students, faculty as well as community members. The details are given and discussed in the sections below.
This year, we have seen a stabilization of expectations related to Community Connect programme – from students, faculty as well as community members. It indicates that they are now familiar with the programme.
Such a development is heartening, especially when it was done in the face of adverse circumstances created by the COVID crisis.

The questions that were asked of the students are:

1. Q1 - How do you like the experience of Community Connect?

2. Q2 - Was the background training and information sufficient for you to work in the field?
3. Q3 - How would you rate your learning from the field?
4. Q4 - Would you like to go for similar projects in future?

The questions that were asked of the faculty are:

1. Q1 - How do you like the idea of Community Connect?
2. Q2 - Were you clear about the execution of the project?
3. Q3 - How do you rate the learning of the students from the program?
4. Q4 - Would you like to guide Community Connect projects in future?

The questions that were asked of the community members are:

1. Q1 - How was your experience of students visiting your community?
2. Q2 - Did student and community members interact respectfully?
3. Q3 - How do you rate the benefit from students' visit?
4. Q4 - Would you like to have more such visits by our students in future?

The questions were chosen on the basis of their ability to help understand how well the programme is being conducted as well as the potential for improvement in the scope of the programme.

5.2.1 Student Feedback

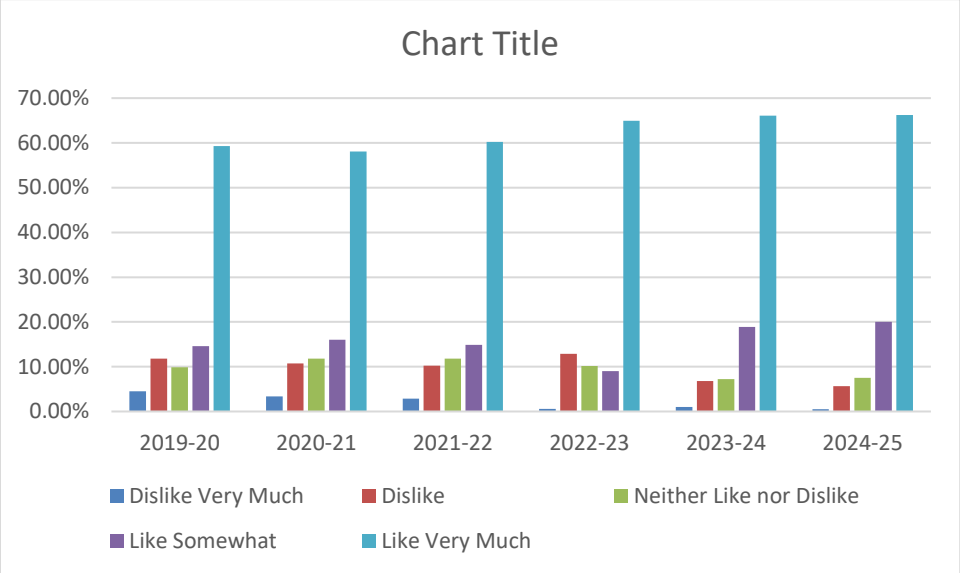

The feedback from students is found quite positive. Compared to previous years, a steady increase in attraction of the programme has been reported.

Question 1: How to you like the idea of Community Connect program?

Students were asked how well they have liked the idea of community connect. The feedback shows that the response to Community Connect idea has become stable as compared to the previous year, with both liking and not liking remaining similar to previous years.

Table 5.1: Student Feedback on the Concept of Community Connect

Like Very Much	59.30%	58.10%	60.20%	64.93%	66.10%	66.26%

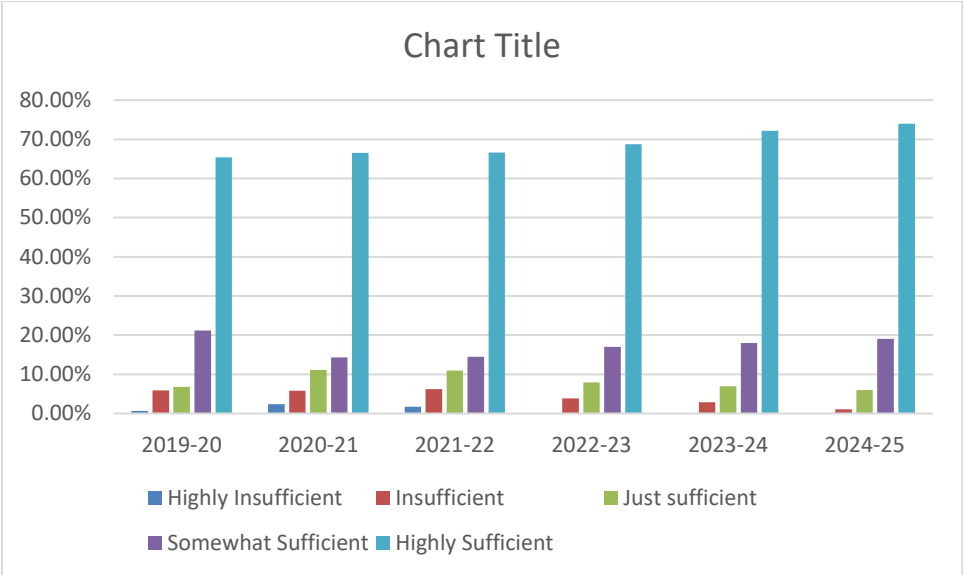

Graph 2.1: Student Feedback on the Concept of Community Connect

Question 2: Was the background training and information sufficient for you to work in the field?

Student were asked if the training/orientation they received was sufficient for the task, and like in the previous question, we see that the responses have become similar to previous years, although the response of 'highly sufficient' has been increasing from previous years.

Table 5.2: Student Feedback on the Training Received

Question 3: How would you rate your learning from the field?

When we compare the responses of 'Highly Educated and 'Educated', we can see that the overall experience of education students feel they get from the Community Connect programme has become stable. And comparing them to the responses of the other questions students were asked, it becomes clear that the programme has achieved stability in terms of expectations and experiences from the students.

Table 5.3: Student Feedback on the Learning Experience

Educational status	2019-20	2020-21	2021-22	2023-24	2023-24	2024-25
Not having any formal education.	4.70%	3.20%	4.10%	3.01%	3.01%	2.05%
Educated	28.50%	31.00%	29.30%	21.10%	21.10%	24.05%
Highly Educated	66.80%	65.80%	66.60%	73.42%	73.42%	73.90%

Question 4: Would you like to go for similar projects in future?

The question about likelihood of repeating is asked in order to judge the final impact on the respondent. Therefore, students were asked if they would like to do similar projects in future. Overall, the numbers are stable, but when compared to last years (2019-20), we see a slight decline in the likelihood of repeating but in 2023-24 there is slight jump. This can be explained that in the current year, there was lockdown in both the semesters, while in the previous year, there was lockdown only in one.
As community interaction is a vital part of this programme, the lack of social contact has contributed to the decrease in this statistic.

Table 5.4: Student Feedback on the Attractiveness for Future Projects

Likelyhood of Joining such events in future	2019-20	2020-21	2021-22	2022-23	2023-24	2024-25
