- ix) The School's balance sheet and statement of income and expenditure had been prepared based on the data/ figures extracted from University's audited financial statements for the financial year ended 31st March 2023 and are for the purpose of filing with Government authorities/regulatory departments. Certain disclosures like government grant, contingent liabilities, capital commitment litigations, foreign currency inward/outward, MSME etc. have been disclosed in university/trust financial statements. - x) The outbreak of Coronavirus (COVID-19) pandemic globally is causing a slowdown in economic activity and has caused global widespread economic and business disruption leaving uncertainties with respect to its severity, which currently cannot be reasonably ascertained. Measure taken to contain the spread of the virus including travel bans, quarantines, social distancing and closure of non-essential services have triggered disruptions to the business worldwide, resulting in an economic slowdown and uncertainties pertaining to future operations. However, the University has evaluated and factored in to the extent possible the likely impact that may result from COVID-19 pandemic as well as all events and circumstances up to the date of approval of these financial results, on the carrying value of its assets and liabilities as at 31st March 2023.

Based on current indicators of future economic conditions, the University expects to recover the carrying amount of these assets and adequate liquidity is available. The impact of any events and developments occurring after the balance sheet date may differ from that estimated as at the date of approval of these financial results and will be recognized prospectively. The University will continue to monitor any material changes to the future economic conditions.

- xi) Previous year figures have been regrouped/re-arranged, wherever considered necessary to make them conform to the figures for the current year.
- xii) Schedules 'A' to 'K' and Notes 1 to 16 form the integral part of Balance Sheet and Income & Expenditure account and have been duly authenticated.
