SHARDA GROUP

The Soul of Progress.
The Spirit of Sharda.

From humble beginnings to global presence, the Sharda Group logo has come to stand for something deeper than a brand. It stands for belief-in people, possibility and purpose.

It represents a group that dared to dream beyond boundaries.

That built not just institutions, but ecosystems.

In education, it lights up classrooms from Greater Noida to Uzbekistan.

In healthcare, it reflects the promise of compassion wrapped in cutting-edge care.

In innovation it fuels startups, tech, and transformation.

This mark is a covenant. A quiet vow etched into every endeavor-to be honest in intent, inclusive in growth, and relentless in the pursuit of excellence.

It is rooted in timeless Indian values. And yet, it rises with a vision that's bold, global, and future-facing.

This is the spirit of Sharda.

SHARDA GROUP

30+ years

of nation building

Established in 1995, the Sharda Group stands as a multi-million-dollar conglomerate with over 30 years of unwavering commitment to excellence. From its roots in India and Uzbekistan, the Group now serves more than 15 million individuals and is actively expanding into the CIS region and Africa.

What began in education has flourished to include healthcare, information technology, vibrant startup incubations, engineering solutions, infrastructure and construction, biotechnology innovation, hospitality ventures, and robust skill-development initiatives. In each of these domains, the Group brings fresh perspective, progressive solutions, and a deeply rooted ethos of integrity.

Sharda's legacy is not simply built on business success, but on an unwavering quest to generate meaningful societal impact. Whether in classrooms, hospitals, smart cities, labs, or innovation hubs - every initiative reflects a promise to uplift communities, empower individuals, and create a more equitable, inspired future.

Chancellor's Message

"As the Chancellor of Sharda University, I have both the opportunity to provide forward-looking leadership and to ensure that Sharda becomes a model of excellence in education for the country in the years to come.

If I had to state what differentiates Sharda University, I would without a doubt say that it is how we bring together incredibly diverse groups of students & faculty from across the world to discover a new way of learning. Moreover, Sharda gleans great advantage from its valuable industry network, which equips our students with essential knowledge and skills to excel in today's highly competitive world.

Although we offer over 135+ programmes in a variety of academic disciplines, our goal is your success. All our programmes focus on professional fields with strong current and future prospects to provide a degree that works for you. And, we surround you with a supportive and helpful academic community to encourage your personal growth and success."

I welcome you to be a part of this amazing experience!

Mr. Pradeep Kumar Gupta has revamped the way education is imparted in educational institutions across India. He established Sharda Hospital in 2005 to provide hi-tech medical care at affordable cost to everyone. He also established ShardaCare-Healthcity in 2025 to raise the bar of excellence in world-class treatment. Going beyond boundaries, Sharda University established its first overseas campus at Andijan, Uzbekistan.

Mr. Gupta is one of the founders of Education Promotion Society for India (EPSI) and also its past President. The then Hon'ble President of India nominated him on the Board of Governors of National Institute of Fashion Technology.

Distinguished awards conferred on Mr. P.K. Gupta

- 'Udyog Ratna' award
- 'Uttar Pradesh Ratna' award
- 'Gaurav Shri' award for entrepreneurship from the Alumni Association of Agra University
- Best Educationist award from the Federation of Educational Publisher in India

Pro-Chancellor's Message

"When you come to Sharda, you are choosing a university that has been raising the bar of excellence in education since 2009. Behind this success was the experience of almost a decade in managing a large conglomerate of education institutions with infrastructure and education delivery processes benchmarked with the best.

The experiential education that our graduates have received while at Sharda has empowered them to solve real-world challenges. Whether through joining the workforce, continuing on with further studies, launching an entrepreneurial venture, or forging a different path, Sharda's graduates have brought their 'Think and Do' spirit out into the world.

With a reputation of being India's only global university, our passion for the areas of expertise we operate in and our cordial relationship with industry, you can be sure that Sharda will help you find your future.

An investment in higher education is a life-changing decision that will affect your career growth. Whatever programme you choose, we will support you with the very best academic staff and state-of-the-art facilities."

Shri Y.K. Gupta is a renowned educationist, social leader and a visionary industrialist who has traversed a tough road to the position he holds in Sharda University.

Shri Y.K. Gupta has put immense efforts to do pioneering work for his hometown, the city of Taj Mahal. He groomed Agra as a centre of excellence in technical education and provided the students better learning opportunities without any boundaries.

Igniting Global minds in Central Asia

Since its inception in 2019, Sharda University Uzbekistan has emerged as a trailblazer in international education across Central Asia. Established through a Presidential decree in the historic city of Andijan, the university reflects the Sharda Group's unwavering vision to bring world-class education to developing regions.

With a future-focused curriculum and globally aligned pedagogy, Sharda University Uzbekistan is empowering a new generation of leaders, innovators, and change makers. Students are trained in high-demand fields like engineering, business, and information technology, ensuring they are industry-ready and regionally relevant. The university's programmes are tailored to the socio-economic landscape of Uzbekistan and neighbouring countries, bridging the gap between education and employability.

More than just a place of learning, Sharda University Uzbekistan is a vibrant hub for cultural exchange, international collaboration, and diplomatic soft power. By welcoming students from across Central Asia, the university is cultivating a spirit of unity, mutual respect, and global citizenship. Strategic academic partnerships and faculty exchanges further enhance the learning experience, making it truly international in nature.

Highlight:

- License No. OT 0034 granted by the State Inspectorate for Supervision of Quality in Education under the Cabinet of Ministers of the Republic of Uzbekistan.

- International Accreditation from the International Accreditation Organization (IAO), recognizing its high educational standards.

A New Era of Excellence in Higher Education

Established in 2024 through an Act of the Uttar Pradesh State Legislature, Sharda University Agra is envisioned as a centre of learning where modern infrastructure meets progressive pedagogy. Strategically located on the Agra-Delhi Highway, the sprawling 30-acre campus offers both accessibility and a serene environment conducive to learning.

Designed to inspire, the campus blends modern infrastructure with thoughtfully curated spaces that foster learning, creativity, and holistic development. Every classroom, lab, and recreational space is a step toward nurturing minds that think freely and act with purpose.

Sharda University Agra offers a wide spectrum of programmes in engineering, management, law, and healthcare—fields that are critical to the future of India. The curriculum is industry-aligned and globally relevant, encouraging students to learn beyond textbooks through real-world exposure, expert mentorship, and cross-disciplinary experiences.

At its core, the university is student-centric. From quality faculty and modern facilities to incubation support and global collaborations, every element is designed to empower young individuals with the skills and confidence they need to thrive. Backed by the Sharda Group's legacy of educational excellence and a commitment to nation-building, the university stands as a beacon of opportunity in the region.

For every dreamer, innovator, and future leader, Sharda University Agra is more than a place of learning—it is the beginning of a journey toward meaningful impact and a brighter tomorrow.

Celebrating Knowledge, Culture, & the Spirit of Jammu & Kashmir

On April 2, 2025, Sharda University proudly hosted Sharda Sangam at the prestigious Sher-I-Kashmir International Convention Centre in Srinagar. This landmark event celebrated the convergence of education, culture, and community in the heart of Jammu & Kashmir. Graced by the presence of Hon'ble Shri Manoj Sinha, Lieutenant Governor of J&K, as our Chief Guest, and Ms. Sakeena Itoo, Cabinet Minister, as the Guest of Honour, the event marked a momentous occasion for the Sharda academic community and the region at large. Sharda Sangam brought together students, educators, policymakers, and thought leaders to engage in meaningful dialogue, cultural showcases, and collaborative aspirations for the future of education in the valley. The program included inspiring addresses by dignitaries, insightful panel discussions, and captivating performances reflecting the rich cultural tapestry of Jammu & Kashmir.

The event reaffirmed Sharda University's commitment to empowering youth, fostering innovation, and contributing to the educational transformation of the region.

Making Ideas Big For Budding Entrepreneurs

Sharda University is steadfast in supporting the Hon'ble Prime Minister's vision of Atmanirbhar Bharat by cultivating a dynamic environment that inspires innovation and entrepreneurial thinking among its students. Through its StartUp wing, Sharda Launchpad, the University provides budding entrepreneurs with mentorship, essential resources, and practical support to bring their ideas to life and scale them into successful ventures.

Over the past five years, Sharda Launchpad Federation has grown into a dynamic innovation and entrepreneurship hub, supporting more than 200 innovators and startups through pre-incubation, incubation, capacity building, mentoring, funding, and industry connect programs. Recognized through initiatives such as Startup India Seed Fund Scheme (SISFS), DST NIDHI i-TBI, MSME Idea Hackathon, StartInUP, iHUB DivyaSampark, and Electropreneur Park 2.0, the incubator provides students with opportunities to transform ideas into startups.

Sharda Launchpad collaborates with leading academic institutions, investors, industry partners, and startup ecosystem organizations to provide students with opportunities for innovation, prototyping, startup creation, funding access, and market exposure. The establishment of the CSR Centre of Excellence and Innovation Commercialization Hub have further strengthened pathways for research commercialization, industry engagement, and social innovation.

By combining the academic strength of Sharda University with a strong startup ecosystem, Sharda Launchpad continues to nurture future entrepreneurs, innovators, and changemakers who are contributing to India's vision of innovation-led growth and self-reliance.

INNOVATE BHARAT HACKATHON 2026

AT SHARDA UNIVERSITY

Sharda University organised INNOVATE BHARAT – Hackathon 2026, a national-level innovation platform designed to encourage students, researchers, and technology enthusiasts to develop cutting-edge solutions for real-world challenges. The hackathon aligned with the vision of building a sustainable, technologically empowered, and innovation-driven nation. The event promoted interdisciplinary collaboration and encouraged participants to develop practical solutions using emerging technologies. It served as a platform to nurture creativity, strengthen research culture, and promote startup and entrepreneurial thinking among students and professionals.

- To promote innovation and creative problem-solving skills
- To encourage development of sustainable and scalable technological solutions
- To provide exposure to real-world industry and societal challenges
- To strengthen academia–industry collaboration
- To foster startup and entrepreneurial mindset among participants
- To enhance hands-on skills in emerging technologies
- To support national initiatives such as Digital India, Smart India, and Sustainable Development Goal

Kartavya Path Dialogue

Mr. Aman Gupta, Co-Founder and CMO of boAt Lifestyle, participated in a notable event at Sharda University titled "Kartavya Path Dialogue".
He shared insights into his entrepreneurial journey, discussing the challenges and successes of building boAt into a leading brand. An interactive segment allowed students to engage directly with Mr. Aman Gupta, posing questions and seeking guidance on various topics related to entrepreneurship and business strategy.
The event also marked the official unveiling of the Sharda E-Cell logo, symbolizing the university's commitment to fostering entrepreneurial initiatives.

SUPER COMPUTER FOR NEW AGE RESEARCH

Next Generation SUPER COMPUTER For Research in A.I. & Emerging Technologies

Sharda University has established Sharda NextGen Cyber & Quantum Systems Facility with an nVIDIA DGX H100 system, fourth generation of the most powerful supercomputer for machine learning and artificial intelligence. In the NCR region Sharda University is the first educational institution and very few Universities of India to acquire this top of the line supercomputing system for AI model building, training & inferencing. Apart from AI, this system can be utilized for other High Performance Computing tasks such as Molecular Dynamics simulations for bioinformatics & drug discovery & Quantum Computing simulations among others. Since Sharda University has two hospitals with state of the art equipment, & data from these hospitals is being used to develop AI models for diagnostic purposes.

One of the very few universities in India to have DGX H100 Super Computer for new age research. The gold standard for:

- A.I. models simulation
- Scentific simulations
- Quantum Computing simulation projects
- Bio-medical and drug discoveries
- Genomics & Proteomics Studies

Multi-disciplinary Research Centres:

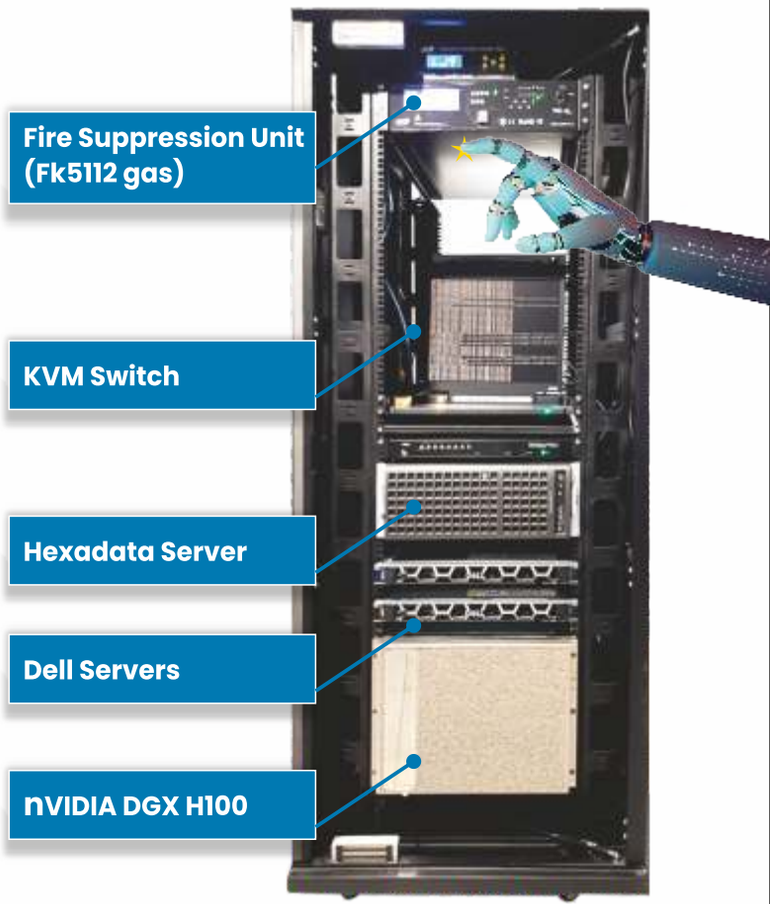

- Sharda NextGen Cyber & Quantum Systems Facility
- Centre for Artificial Intelligence in Medicine, Imaging & Forensics
- Centre for Cyber Security and Cryptology
- Centre for Solar Cells and Renewable Energy
- Central Instrumentation Facility DST-FIST Life Sciences

Sharda School of Computing Science

B.Tech.
Computer Science & Engineering (CSE)
- **CSE** - Artificial Intelligence & Machine Learning
- **CSE** - Artificial Intelligence & Data Science
- **B.Tech** Computer Science & Medical Engineering (AI)
- **CSE** - Cyber Security & Forensics in association with **EC-Council**
- **CSE** - Full Stack Development in association with **Xebia Academic Alliance**

Information Technology (IT)
Bachelor of Computer Applications (BCA)
- **BCA** - Artificial Intelligence & Machine Learning
- **BCA** - Cloud Computing and IoT • **BCA** - Cyber Security

B.Sc. - Computer Science
- **B.Sc.** - Artificial Intelligence & Machine Learning
- **B.Sc.** - Cloud Computing and IoT
- **B.Sc.** - Cyber Security

B.Sc. - Information Technology
Master of Computer Applications (MCA)
- **MCA** - AI & ML • **MCA** - Data Engineering & AI
- **MCA** - Cyber Security • **MCA** for Working Professionals

M. Sc. - Computer Science
- **M. Sc.** - Computer Science (AI & ML)
- **M. Sc.** - Cyber Security
- **M. Sc.** - Data Engineering & AI

M.Tech. - Computer Science & Engineering
- M.Tech. - Networking & Cyber Security
- M.Tech. - Software Engineering • M.Tech. - Data Science
- M.Tech. (CSE) for Working Professionals

Ph.D. in all Computing Science and Engineering Branches (Full Time/Part Time)

Sharda School of Law

B.B.A. LL.B. (Hons.) Integrated
B.A. LL.B. (Hons.) Integrated
LL.M.
- Corporate & Commercial Law • Criminal Law
- Human Rights Law • International Law

Ph.D. in Law (Full Time/Part Time)

Sharda School of Engineering & Science

B.Tech.
Electrical and Electronics Engineering (EEE)
- **EEE** - Specialization in Renewable Energy Systems
- **EEE** - Specialization in Advance Electric Vehicle in association with **L&T EduTech.**

Electronics & Communication Engineering
- **ECE** - Specialization in Robotics & Automation
- **ECE** - Specialization in VLSI Design and Technology
- **ECE** - Specialization in Semiconductor Design Framework for Industrial ICs in association with **L&T EduTech.**

Electronics & Computer Engineering
- **Electronics & Computer Engineering** - AI & ML

Mechanical Engineering (ME)
- **ME** - Specialization in Advanced Electric Vehicles in association with **L&T EduTech.**
- **ME** - Specialization in Mechatronics

Civil Engineering
- **CE** - Specialization in Multi Modal Transportation Infrastructure with AI & ML in association with **L&T EduTech.**

M.Tech. - Civil Engineering
- **CE** - Environmental Engineering
- **CE** - Structural Engineering
- **CE** - Construction Management
- **CE** - Geotechnical & Earthquake Engineering
- **M.Tech.** Civil for Working Professionals

M.Tech. - Electrical & Electronics Engineering
- **EEE** - Instrumentation & Control
- **EEE** - Industrial Automation
- **EEE** - Power System Engineering

M.Tech. - Electronics & Communication Engineering
- **ECE** - Digital Communication • **ECE** - VLSI Technology

M.Tech. - Mechanical Engineering
B.Sc./B.Sc. (Hons./Research) - Physics
- B.Sc. / B.Sc. (Hons/Research) - Physics with minor in AI based Computational Physics
- B.Sc. / B.Sc. (Hons/Research) - Physics with minor in Renewable Energy

B.Sc./B.Sc. (Hons./Research) - Chemistry
- B. Sc. (Hons./Research) Chemistry with Minor in Data Analytics / Machine Learning / Entrepreneurship
- **B.Sc./B.Sc. (Hons./Research) - Computational Chemistry**
- **B.Sc./B.Sc. (Hons./Research) - Environmental Science**
- **B.Sc./B.Sc. (Hons./Research) - Biochemistry**
- **B. Sc. (Hons./Research)** Biochemistry with Minor in Forensic Science & Serology

B.Sc./B.Sc. (Hons/Research) - Mathematics
- **B.Sc. (Hons/Research) -** Electronic Science
- **B.Sc./B.Sc. (Hons/Research) -** Data Science and Analytics
- **MS** - Quantum Computing
- **M.Sc. -** • Biochemistry • Data Science & Analytics
- Statistics • Physics • Mathematics
- Environmental Science Management
- **M. Sc. Chemistry**
- **M. Sc. Chemistry Specialization in**
- Organic • Inorganic • Physical

Ph.D. in all Engineering & Sciences (Full Time/Part Time)

Sharda School of Bio-Science & Technology

B.Tech. BioTechnology
B.Tech BioTechnology Specialization in
- Computational Biology • Genetic Engineering
- Fermentation Technology • Plant & Agricultural Biotechnology
- Stem Cell & Tissue Engineering

B.Tech. Food Technology
B.Tech. Food Technology Specialization in Food Safety & Quality Assurance
B.Sc./B.Sc.(Hons/Research) - Zoology
B.Sc./B.Sc. (Hons/Research)
- Biotechnology • Microbiology • Food Science & Technology

M.Tech. - Biotechnology Specilization in
- Animal Biotechnology • Plant Biotechnology
- Genetic Engineering • Bio-Engineering and Bio-Informatics

M.Tech. - Food Technology
M.Sc. - • Biotechnology • Microbiology • Virology • Zoology
- Food Science & Technology

M.Sc. - BioInformatics & BioTechnology
Ph.D. in all Bio-Science & Technology (Full Time/Part Time)

Sharda School of Business Studies

B.Com./B.Com. (Hons./Research)
B.Com./B.Com. (Hons./Research) - Finance & Accounting with ICA
B.Com. - International Accounting & Finance (with ACCA, UK)*

B.Sc. (Post Basic Nursing)
M.Sc. (Nursing)
- Community Health Nursing
- Obstetrics & Gynecology Nursing
- Medical Surgical Nursing
- Child Health Nursing (Paediatrics)
- Psychiatric Nursing

Ph.D. in Nursing (Full Time/Part Time)

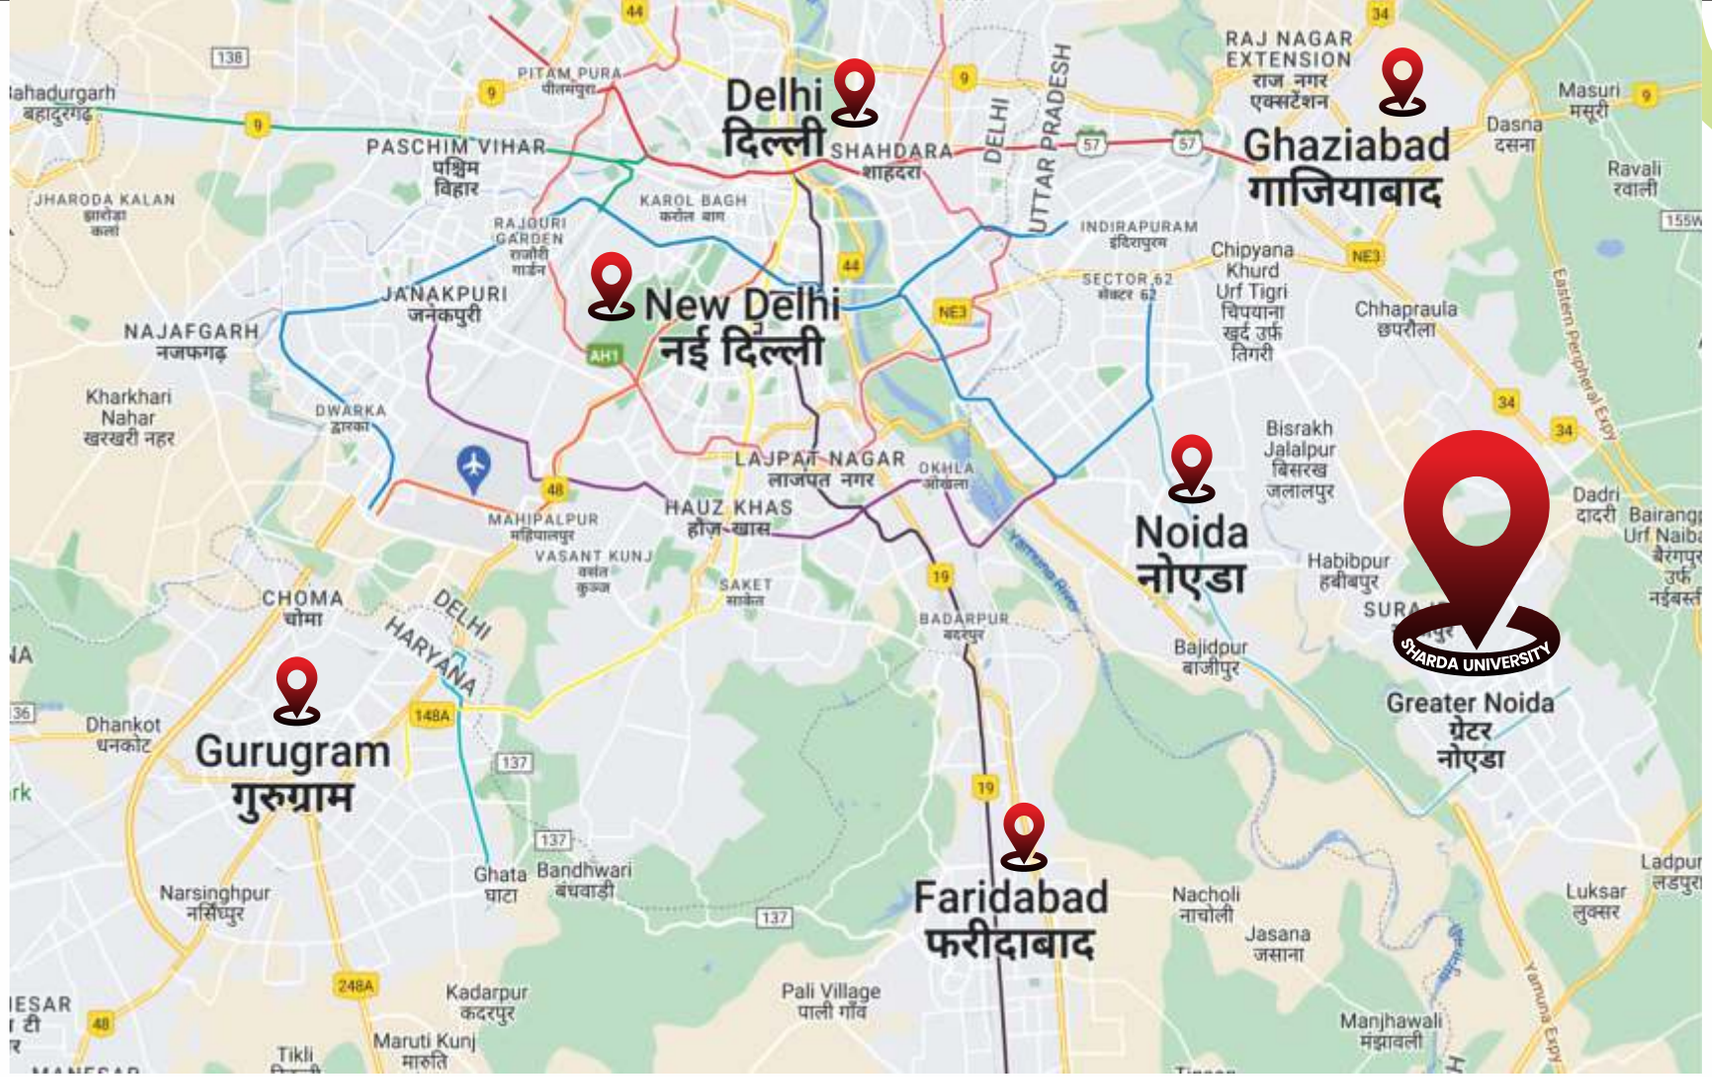

Sharda School of Allied Health Sciences

Bachelor of Physiotherapy (BPT)
Bachelor of Medical Radiology & Imaging Technology (BMRIT)
Bachelor of Medical Laboratory Sciences (BMLS)
B.Sc. - Cardiovascular Technology
B.Sc. - Forensic Science
Bachelor of Optometry
Bachelor of Nutrition and Dietetics (Honours)
Master of Physiotherapy (MPT)
• Musculoskeletal Sciences • Neuro Sciences
• Cardio-Pulmonary Sciences • Sports Sciences
M.Sc. (Clinical Research)
M.Sc. (Forensic Science)
Master of Nutrition and Dietetics
Ph.D. in Allied Sciences (Full Time/Part Time)
• Physiotherapy • Nutrition and Dietetics
• Clinical Research • Forensic Science

Sharda School of Medical Sciences & Research

Bachelor of Medicine & Bachelor of Surgery (MBBS)
MD/MS (Clinical Branches)
MD/MS (Non-Clinical Branches)
MD Pathology
M.Sc.
• Medical Anatomy • Medical Bio Chemistry
• Medical Microbiology • Medical Pharmacology
• Medical Physiology
Ph.D. in Medical (Full Time/Part Time)
