SHARDA UNIVERSITY

NAAC A+ ACCREDITED

Sharda University, ranked 87 among India's top universities in the University category by the National Institutional Ranking Framework 2025, and placed among the top 43% of universities in Asia by the QS University Rankings 2026, has built a reputation that goes far beyond conventional academics. With students from over 95+ countries, NBA-accredited Engineering and MBA programmes, and strong recognition across Medical, Dental, Engineering, Management, and Law, it offers a truly multicultural and multi disciplinary ecosystem.

Home to learners from more than 95 nations, Sharda University lives up to its identity as India's global university. It offers 135+ UGC-recognised programmes across undergraduate, postgraduate, and doctoral levels. Set on a 63-acre campus in Greater Noida, the university seamlessly integrates diversity, interdisciplinary learning, and innovation. With Artificial Intelligence embedded into its curriculum, students are prepared not just to keep pace with the future, but to lead it.

Backed by global recognition, a vibrant international campus, distinguished faculty, research excellence, and strong placement outcomes, Sharda University is more than just a university - it's a launchpad where global ambitions take flight, and the world truly converges.

SCHOOL OF **DENTAL SCIENCES**

The School of Dental Sciences (SDS) was established in the year 2006. Now, part of Sharda University, it envisions an ambience of excellence, inspiring, value based education, research and development. SDS imparts dental education of a very high standard to its students. The School has adopted innovative methods in teaching with community-based teaching education and research. The educational goal of SDS for its students is to ensure a holistic development in theoretical, practical and clinical skills with the aim to prepare compassionate human beings, caring, responsible and courteous dental professionals and society conscious citizens.

Key Facts & Figures

- One of the leading Schools of Dental Science in Delhi NCR
- Well equipped dental labs with focus on making students learn the use of latest equipment
- Faculty from top hospitals and dental colleges of India
- Focus on participation in various dental competitions both nationally and internationally
- Emphasis on 'learning by doing' to put theory into practice
- Internship at the 1800+ beds Sharda Care-Healthcity
- 280+ modern dental chairs, CBCT, Lasers, Implants and CAD-CAM Lab

Uniqueness Which Fuels Ambitions

- School of Dental Sciences has been awarded Best Dental School in North by Education Leadership Awards 2017.
- Super specialties in the areas of Oral Medicine & Radiology, Prosthodontics, Conservative Dentistry, Periodontology, Orthodontics, Oral Surgery, Oral & Maxillofacial Pathology and Oral Microbiology, Pedodontics, Public Health Dentistry & Implantology.
- Library with more than 6000 books & many reputed National and International print and e-journals.
- DEU at School of Dental Sciences is a dedicated continuing dental education unit that is actively involved in conducting various scientific activities which are useful for both staff & students.
- School of Dental Sciences is recognized by Min. of Health & Family Welfare, Govt. of India and Dental Council of India.
- SDS is the only dental college in NCR having Medical College & hospital within the campus hence there is a lot of clinical material available to study.

Awards & Recognition

- Best Dental College, 4th Excellence in Dental Proficiency Awards 2019, by Indian Association of Dental Students.
- Ranked 24th India's Best Dental Colleges, India Today 2026.
- Ranked 28th India's Best Dental Colleges, India Today 2021.
- Ranked 33th India's Best Dental Colleges by India Today 2024.
- Ranked 7th among top 16 Emerging Dental Colleges by India Today MDRA Rankings 2024.
- Ranked 17th out of Top 20 Dental Colleges by Outlook 2024.
- Ranked Among India's Best Dental Schools - 5th Rank in U.P., 11th Rank in North India & 24th Rank in India.

FACULTY THAT'S TRULY INSPIRING

DEAN'S MESSAGE

"Dentistry today is not merely a profession — it is a calling that stands at the crossroads of science, compassion, and innovation."

Dear Aspiring Dental Professional,

It is with great pride and warmth that I welcome you to the School of Dental Sciences (SDS), Sharda University — an institution that has, since 2006, remained steadfast in its mission to nurture clinically excellent, ethically grounded, and socially conscious dental professionals.

At SDS, we believe that a truly great dentist is built not in the classroom alone, but at the chairside, in the community, and through the relentless pursuit of knowledge. Our programmes — the BDS and the MDS across seven specialities — are designed to give you exactly that breadth of experience. With over 280 state-of-the-art dental chairs, advanced imaging facilities including CBCT, and nine active clinical departments serving a high patient load, our students gain the kind of real-world clinical exposure that defines competent, confident practitioners.

As an Oral Medicine and Maxillofacial Radiologist with over 15 years in academics and clinical practice, my own journey has taught me that curiosity is the most powerful instrument in a clinician's hands. Whether it is the early detection of an oral precancerous lesion, the precision of a CBCT-guided diagnosis, or the emerging role of Artificial Intelligence in dental imaging — the frontiers of our discipline are expanding rapidly, and we intend to be at that frontier.

Our faculty bring not only academic rigor but also a genuine passion for mentorship. With peer-reviewed publications, national award-winning research, and active engagement with the National Dental Commission, SDS is an institution that takes its responsibilities to the profession seriously. I warmly invite you to be part of this journey.

Dr. Hemant Sawhney
Dean, School of Dental Sciences
MDS – Oral Medicine & Radiology

Dr. Shailesh Varshney, Head & Professor
Department of Periodontology
Graduated 2002, post-graduation 2007. Over 18 years academic experience, PubMed & Scopus -indexed publications. Guided numerous postgraduate and undergraduate students.

Dr. Dhirja Goel, Head & Professor
Department of Pediatric & Preventive Dentistry
BDS from MN DAV Dental College, Solan, MDS from Kothiwal Dental College, Moradabad. 16 years teaching experience. Multiple publications, books, and patents.

Dr. Pooja Kabra, Head & Professor
MDS-Conservative Dentistry & Endodontics
BDS (KGMC Lucknow), MDS (SPIDMS, Faizabad). 18 years 8 months teaching experience. 53 publications, 6 books, 3 book chapters, 1 patent granted, 4 published. Life member IACDE, IES, ISDT.

Dr. Swati Sharma, Head & Professor
Department of Public Health Dentistry
BDS from MJP Rohilkhand University, MBA from VMRF, Salem & MDS from Pacific Dental College. 45 publications, 10 grant patents from Government of India. Member IDA, IAPHD, ISID.

Dr. Poonam Agrawal, Head & Professor
MDS-Orthodontics & Dentofacial Orthopaedics
BDS and MDS from KGMC. Extensive experience at Seema Dental College (Rishikesh), Krishna Dental College (Gzb), and K.D. Dental College (Mathura). Professor and Head at SDS since 2013.

Dr. Anurag Hasti, Head & Professor
MDS-Prosthodontics and Crown & Bridge
BDS from Santosh Dental College, Ghaziabad; MDS from SDM Dental College, Dharwad; MBA Health Care Administration FMS, Delhi & PGCOI Manipal. Teaching experience of 19+ years. 41 publications, 14 books, 2 patents.

Dr. Mithilesh N. Mishra, Head & Professor
Department of Oral & Maxillofacial Pathology & Oral Microbiology
MDS from KLE Institute of Dental College, Belgaum. 16 years experience. 43 publications. On the review board of multiple national and international journals.

Dr. Sachin Kumar, Head & Professor
Department of Oral & Maxillofacial Surgery
BDS and MDS. Areas of interest: Orthognathic Surgeries, Implantology, Cranio-Maxillofacial Trauma, Cysts and Tumours, TMJ Surgeries, Cleft & Craniofacial Surgery, Cancer Surgeries. 30+ publications.

Dr. M. Siddharth, Professor
Department of Periodontology
BDS from Amravati University and MDS from Manipal University. 20+ years teaching. Multiple publications, invited speaker & chairperson at national conferences.

Dr. Dinesh Kumar Bagga, Professor
MDS-Orthodontics & Dentofacial Orthopaedics
BDS and MDS from KGMC. 1 year KGMC Senior Resident, 5 years at Santosh Dental College and 10 years at ITS Dental College.

Dr. Pallavi Sharma, Professor
Department of Periodontology
BDS (Subharti Dental College, 2008), MDS (KLE VK Institute, Belgaum, 2012). 13+ years experience. Publications including FDI's International Dental Journal. 4 patents granted by Gov. of India.

Dr. Vidyadevi Chandavarkar, Professor
Department of Oral & Maxillofacial Pathology & Oral Microbiology
BDS from KLE Institute, Belgaum & MDS from VS Dental College, Bangalore. 15 years experience. Multiple publications in national & international journals.

Dr. Ashish Choudhary, Professor
MDS-Prosthodontics and Crown & Bridge
Graduate and Postgraduate (Prosthodontics) from SDM College of Dental Sciences. Fellow in Oral Implantology with 23+ years of teaching experience. Associated with SU since 2006. Author of 53 publications, 10 books, & 11 patents.

Dr. Ekta Choudhary, Professor
MDS-Conservative Dentistry & Endodontics
BDS from SDM Dental Sciences and MDS from Bapuji Dental College. 23+ years experience. 90+ publications, 20 books, 15 patents. Presiding Officer, ICC. Indo-Pacific Distinguished Research Award, Best Academician.

Dr. Radhika Gupta, Professor
Department of Periodontology
BDS-M.S. Ramaiah Dental College, MDS-V.S. Dental College, Bangalore. Publications in national & international journals; editorial board member & reviewer for international journals.

Dr. Mahesh C. Chhabra , Associate Professor
Department of Biochemistry
M.Phil Delhi University, Ph.D in Medical Biochemistry from LLRM Medical College, Meerut. 2 Publications in National Journals.

Dr. Yanina Singh, Associate Professor
Department of Pediatric & Preventive Dentistry
MDS from College of Dental Sciences, Davangere. Areas of interest: preventive dental care, behavior management, and patient education. Multiple publications and patents.

Dr. Neha Awasthi, Associate Professor
Department of Pediatric & Preventive Dentistry
13+ years of academic and clinical experience. Author of 23 publications, 2 books, 2 chapters and 3 patents/copyrights, and an external examiner for leading dental institutions.

Dr. Mahinder S. Chauhan, Associate Professor
MDS-PProsthodontics and Crown & Bridge
BDS and MDS (Rama Dental College, Kanpur, 2012 and 2015). 10 years teaching. 25 national & international publications, 5 books & 3 patents.

Dr. Tanu Gupta, Associate Professor
MDS-Prosthodontics and Crown & Bridge
BDS and MDS from SDS, Sharda University. 8+ years teaching. 18 publications and 2 books. Life member, Indian Prosthodontics Society.

Dr. Aryen Kaushik, Associate Professor
MDS-Prosthodontics and Crown & Bridge
MDS from College of Dental Sciences, Davangere. 8 PubMed & Scopus- indexed publications. 3 patents. Focused on clinically driven research.

Dr. Surabhi Duggal, Associate Professor
MDS-Prosthodontics and Crown & Bridge
BDS from Kothiwal Dental College and MDS from SRM Dental College. 4+ years teaching. 7 publications.

Dr. Stuti Gupta, Associate Professor
Department of Periodontology
MDS Periodontology. 7 years experience. 30+ publications, 10 books, 5 book chapters, 4 granted patents, 2 published patents. Active member of Institution's Innovation Council.

Dr. Shashank Agarwal, Associate Professor
MDS-Conservative Dentistry & Endodontics
BDS and MDS from SDS, Sharda University. Experience of 7 years 5 months. 17 publications. 1 patent. Member IADT, IACDE, IES.

Dr. Raman Mishra, Associate Professor
MDS-Conservative Dentistry & Endodontics
BDS & MDS & 8.6 years teaching experience. Published 15+ research articles in national and international journals. Reviewer for reputed scientific journals and active member of IACDE, IES, and IDA Noida.

Dr. Rishibha Bhardwaj, Associate Professor
MDS-Orthodontics & Dentofacial Orthopaedics
9 years academic and clinical experience. Committed to advanced treatment techniques.

Dr. Kanak Priya, Associate Professor
MDS-Orthodontics & Dentofacial Orthopaedics
MDS Orthodontics (2020). Associate Professor at SDS since 2021. Pursuing PhD in Dental Sciences from Sharda University.

Dr. Rohit Sharma, Associate Professor
Department of Oral & Maxillofacial Surgery
BDS from Hindustan Institute, Greater Noida, MDS from SDS, SU. 21+ publications. Patent on Bone Graft Condenser & Carrier. Emerging OMS Surgeon of the year. National Dental Excellence Award. Guest Speaker, AOMSI MIDCOMS Agra.

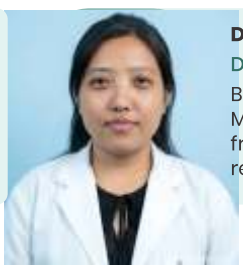

Dr. Siddharth Rawat, Associate Professor
Department of Oral & Maxillofacial Surgery
BDS from Hindustan Institute, Greater Noida, MDS from SDS, SU. 20+ publications, 4 books. Judge, Scientific Session, 48th AOMSI Annual Conference. Best Senior Lecturer.

Dr. Parul Khare Sinha, Associate Professor & In-charge, Forensic Odontology
Department of Oral & Maxillofacial Pathology & Oral Microbiology
BDS-College of Dental Sciences, MDS-Saraswati Dental College, M.Sc. Forensic Odontology KU Leuven, Belgium. 45 publications.

Dr. Srishti Thakur, Assistant Professor
Department of Periodontology
BDS from ITS-CDSR, Muradnagar & MDS from SDS, Sharda University. Published in Malaysian Dental Journal & Journal of Chemical Health Risk.

Dr. Nenung Yirang, Assistant Professor
Department of Pediatric & Preventive Dentistry
BDS from Chaudhary Charan Singh University, Meerut & MDS in Pediatric & Preventive Dentistry from SU. Published several articles in peer-reviewed dental journals.

Dr. Ashima Tyagi, Assistant Professor
Department of Pediatric & Preventive Dentistry
BDS from Manav Rachna Dental College, Faridabad & MDS from Pedodontics Subharti University, Meerut. 1+ year teaching experience. Publications in national & international journals.

Dr. Richa Mishra, Assistant Professor
Department of Oral Medicine & Radiology
BDS from Peoples College of Dental Sciences, Bhopal & MDS from Rishiraj College, MP. 8 years teaching experience. 22 publications. Life member of IAOMR.

Dr. Kushdeep K. Gupta, Assistant Professor
Department of Oral Medicine & Radiology
BDS & MDS from KDDC, Mathura), M.Sc. Forensic Odontology from GFSU, Gandhinagar. 2.5 year teaching experience. 5 publications. Fellow, Indian Board of Forensic Odontology.

Dr. Shubhangi Garg, Assistant Professor
Department of Oral Medicine & Radiology
BDS from KDRC, Moradabad & MDS from Subharti Dental College, Meerut. 2 years teaching experience. Research in oral medicine, maxillofacial oncology and imaging. 3 publications. Life member IAOMR and IDA.

Dr. Tamanna, Assistant Professor
Department of Pediatric & Preventive Dentistry
BDS and MDS from SDS, Sharda University. 2+ years teaching experience. Author of multiple Publications, books and patents.

Dr. Manisha Singh, Assistant Professor
Department of Oral Medicine & Radiology
BDS and MDS (KLE Dental College, Karnataka). 2 years teaching experience. 16 publications. Life member of IAOMR.

Dr. Talagadadeevi Prasanna Lakshmi Sudha Assistant Professor
MDS-Conservative Dentistry & Endodontics
BDS from Sree Sai Dental College, Srikakulam, AP & MDS in Conservative Dentistry & Endodontics from KIMS Dental College, Amalapuram, AP

Dr. Ritu Sharma, Assistant Professor
MDS-Conservative Dentistry & Endodontics
BDS and MDS from SDS, Sharda University. 6 years 9 months. 20 publications. 1 patent. Member IADT, IACDE, IES.

Dr. Sadaf Amreen, Assistant Professor
MDS-Conservative Dentistry & Endodontics
BDS from JSS Dental College, Mysore & MDS from Teerthanker Mahaveer Dental College. 11+ Scopus-indexed publications. 1 patent. International Advisor, 8th International Conference on Dentistry, Kuala Lumpur.

Dr. Supriya Singh, Assistant Professor
MDS-Conservative Dentistry & Endodontics
BDS and MDS from Divya Jyoti College. Experience of 3 years 7 months. 14 publications. Active member, Indian Association of Conservative Dentistry and Endodontics.

Dr. Farheen Khan, Assistant Professor
MDS-Conservative Dentistry & Endodontics
BDS and MDS from SDS, Sharda University (2019 and 2024). Experience of 1 year 3 months. 11 publications. 1 patent. Active member of IACDE.

Dr. Jyoti Yadav, Assistant Professor
MDS-Conservative Dentistry & Endodontics
BDS from K.D. Dental College, Mathura and MDS from Teerthanker Mahaveer Dental College, . Member of IACDE.

Dr. Ayush Dixit, Assistant Professor
MDS-Orthodontics & Dentofacial Orthopaedics
BDS (Manav Rachna Dental College), MDS Orthodontics (College of Dental Sciences, Davangere). Focused on predictable, aesthetic, patient-centred orthodontic outcomes.

Dr. Sakchhi Tiwari, Assistant Professor
Department of Public Health Dentistry
BDS and MDS (BBD College of Dental Sciences, Lucknow). 5+ years teaching experience. 13 publications, 1 patent, 1 book. Life member of IAPHD.

Dr. Warsha Yadav, Assistant Professor
MDS-Orthodontics & Dentofacial Orthopaedics
BDS (Desh Bhagat Dental College, Punjab), MDS Orthodontics (National Dental College, Punjab). At SDS since November 2023. Publications in peer-reviewed journals.

Dr. Faisal Noor Ahmad, Assistant Professor
Department of Public Health Dentistry
BDS and MDS (Kothiwal Dental College, Moradabad). 4 years teaching experience. 14 publications. Book on Health Literacy (Lambert Academic Publishing). Life member of IAPHD.

Dr. Aprajita, Assistant Professor

Department of Oral & Maxillofacial Surgery

MDS in Oral & Maxillofacial Surgery from the SDS, SU. She has various publication in national & international journal. Has keen interest in delivering comprehensive surgical & patient-centred care.

Dr. Eram, Assistant Professor

MDS-Prosthodontics and Crown & Bridge

BDS from Kothiwal Dental College, MDS from Inderprastha Dental College. Life member, Indian Prosthodontics Society.

Dr. Deepali Neeraj, Assistant Professor

MDS-Prosthodontics and Crown & Bridge

BDS from SDS, Sharda University, MDS from Bharati Vidyapeeth Dental College, Navi Mumbai. Experience of 1 year 4 months. Life member, Indian Prosthodontics Society.

Dr. Shrishti Jain, Assistant Professor

MDS-Prosthodontics and Crown & Bridge

BDS from Manipal College of Dental Sciences, Mangalore, MDS from SDS, Sharda University. 1 book published. Member of IPS.

Dr. Ayushi Mishra, Assistant Professor

MDS-Prosthodontics and Crown & Bridge

BDS from Maharana Pratap Dental College, MDS from SDS, Sharda University. Life member, Indian Prosthodontics Society.

Dr. Kamna Pandey, Assistant Professor

Department of Oral & Maxillofacial Surgery

BDS and MDS from Sudha Rustagi College, Faridabad. Top 7 Prize Paper - MIDCOMS 2023; Best E-Poster — AOMSI Annual Conference 2023. Member: Haryana Dental Council, AOMSI.

Dr. Vinay Kumar, Tutor

Department of Public Health Dentistry

BDS from K.D. Dental College & Hospital Mathura. He continues to provide comprehensive oral healthcare while contributing to the training and mentor ship of future dental professionals.

Dr. Shailesh Kumar Verma, Tutor

Department of Public Health Dentistry

BDS from SU with a strong foundation in clinical dentistry, oral healthcare, diagnosis, and preventive dental practices. Gained extensive hands -on clinical experience while working in one of India's leading tertiary care hospitals.

Dr. A. Ashwini, Assistant Professor

Department of Oral & Maxillofacial Pathology & Oral Microbiology

BDS from Meenakshi Ammal Dental College and Hospital and subsequently earned my MDS from JSS Dental College and Hospital.

Dr. Rashi, Assistant Professor

MDS-Prosthodontics and Crown & Bridge

BDS from Inderprastha Dental College & Hospital & MDS in Prosthodontics & Crown & Bridge from SU. With 2.5+ years of teaching experience and authored 7 publications and 3 books.

Dr. Ritika Gupta, Assistant Professor

Department of Periodontology

BDS and MDS from ITS Dental College, Greater Noida. Publications in national and international journals. 2 patents filed. ICMR thesis grant recipient.

Dr. Jyot Kaur Kohli, Assistant Professor

MDS-Prosthodontics and Crown & Bridge

BDS from MCODS, Manipal and MDS from SDMCDS&H, Dharwad. 1 publication, 4 internationally published books.

Dr. Piyush Vatsa, Assistant Professor

Department of Oral & Maxillofacial Surgery

BDS from Manipal College of Dental Sciences, MDS from Government Dental College, Bangalore. 3 publications. Member: Delhi Dental Council, AOMSI, ISOI.

Dr. Maitreyi Ranjan, Assistant Professor

Department of Microbiology

Ph.D. in Medical Microbiology from, BHU, & M.Sc. in Medical Microbiology from MAHE, Manipal.

Published 16 research papers in national and international indexed journals & holds 3 patents.

Dr. Nistha Singh, Tutor

Department of Public Health Dentistry

BDS from SDS, Sharda University (2024). In-charge, Rural Health Training Center. 1 publication in international journal.

Dr. Priyanka Roy, Assistant Professor

MDS-Prosthodontics and Crown & Bridge

BDS from Chhattisgarh Dental Collage and Research Institute, MDS from SDS, SU. Publications 3, Books 1, Patent 1, Life member Indian Prosthodontics Society.

DENTAL PROGRAMMES **DESIGNED FOR SUCCESS**

Established with an aim of developing top dentists, School of Dental Sciences has evolved into one of the leading Dental Schools in India. From the moment students arrive, they are considered to be the members of the dental community and are challenged to meet the expectations of all.

KEY **DEPARTMENTS**

School of Dental Sciences has nine Departments and one Continuing Dental Education unit. All departments are complimenting with each other in training the dental students and also to cater all types of dental patients.

PERIODONTOLOGY
This department deals with diagnosis, treatment and prevention of diseases related to gums and supporting tissues, Placing the dental implants & Maintenance of dental implant supported dentures.

CONSERVATIVE DENTISTRY AND ENDODONTICS
This department is specialized in performing simple filling of the decayed tooth/ teeth, root canal treatment, Crown fabrication, Bleaching etc.

ORAL MEDICINE AND RADIOLOGY
Identifying the basic disease of the oral cavity (Mouth) including the teeth and jaws, and administrating medical line of treatment.

PROSTHODONTICS AND CROWN & BRIDGE
This is the specialty in replacing missing tooth/teeth by making the partial denture, complete denture, crown & Bridges, and construction of missing part of the structure of Maxillo facial region. And actively involved in making Implant supported Dentures.

PROGRAMMES OFFERED BY
SCHOOL OF DENTAL SCIENCES

BDS	4+1 Years
MDS - Periodontology	3 Years
MDS - Oral & Maxillofacial Pathology and Oral Microbiology	3 Years
MDS - Prosthodontics including Crown & Bridge	3 Years
MDS - Conservative Dentistry & Endodontics	3 Years
MDS - Oral & Maxillofacial Surgery	3 Years
MDS - Orthodontics & Dentofacial Orthopaedics	3 Years
MDS - Pediatric & Preventive Dentistry	3 Years
Ph.D. - Dental Sciences	Min. 3 Years

National Dental Commission (NDC)

ORTHODONTICS AND DENTOFACIAL ORTHOPEDICS

Related to the management of malaligned Jaws & teeth and improving the appearance of the patients through braces and aligners.

PUBLIC HEALTH DENTISTRY

Related to Creating the Dental health awareness among the public by conducting regular Camps, Meetings, Survey etc. and through village outreach programmes by mobile Dental Van.

ORAL AND MAXILLOFACIAL PATHOLOGY AND ORAL MICROBIOLOGY

Department is related to the learning of the different pathological process involving the Oral Cavity and its involvement in systemic disease and also teaching the undergraduate about morphology of the tooth / teeth.

PEDIATRIC AND PREVENTIVE DENTISTRY

Creating healthy smiles through preventive, compassionate, and child-friendly dental care tailored to every stage of childhood.

ORAL AND MAXILLOFACIAL SURGERY

Deals with diagnosis, surgical treatment, & rehabilitation of diseases, injuries, and deformities affecting the mouth, jaws, face, and related structures. The department provides comprehensive patient care ranging from routine tooth extractions and dental implant placement to the management of facial trauma, oral cancers, jaw cysts and tumors, facial infections, temporomandibular joint (TMJ) disorders, orthognathic surgery, and reconstructive procedures.

Bachelor of Dental Surgery (BDS)

About the Programme: The Bachelor of Dental Surgery (BDS) programme prepares students to become skilled, compassionate and future-ready dental professionals. Combining a strong foundation in basic medical sciences with hands-on clinical training, the programme enables students to diagnose and treat a wide range of oral health conditions. The programme concludes with a one-year paid rotatory internship, offering extensive clinical exposure across all major dental specialities.

Eligibility Criteria: For Indian Nationals (National Dental Commission (NDC) Guidelines)

- A candidate must be an Indian National and shall have passed 10+2 examination conducted by Boards/Councils/Intermediate examination established by State Governments/Central Government with English as one of the subjects and Physics, Chemistry and Biology as optional subjects. The candidate shall have passed subjects of English, Physics Chemistry and Biology individually also.
- Scheduled cast and scheduled tribe students shall be given relaxation of 10% in the aggregate marks required for eligibility.
- Candidate should have secured minimum of 50% marks in Physics, Chemistry and Biology taken together at the competitive entrance examination where such examinations are held for selection.
- The candidate shall have completed the age of 17 years at the time of admission or will complete the age on or before 31st December of the year in which he/ she seeks admission.

Admission Procedure: National Eligibility Cum Entrance Test (NEET) qualified students are only eligible to get the admission. For further inquiry kindly visit Admission cell SU Greater Noida.

Experience comprehensive dental education with extensive clinical and internship training.

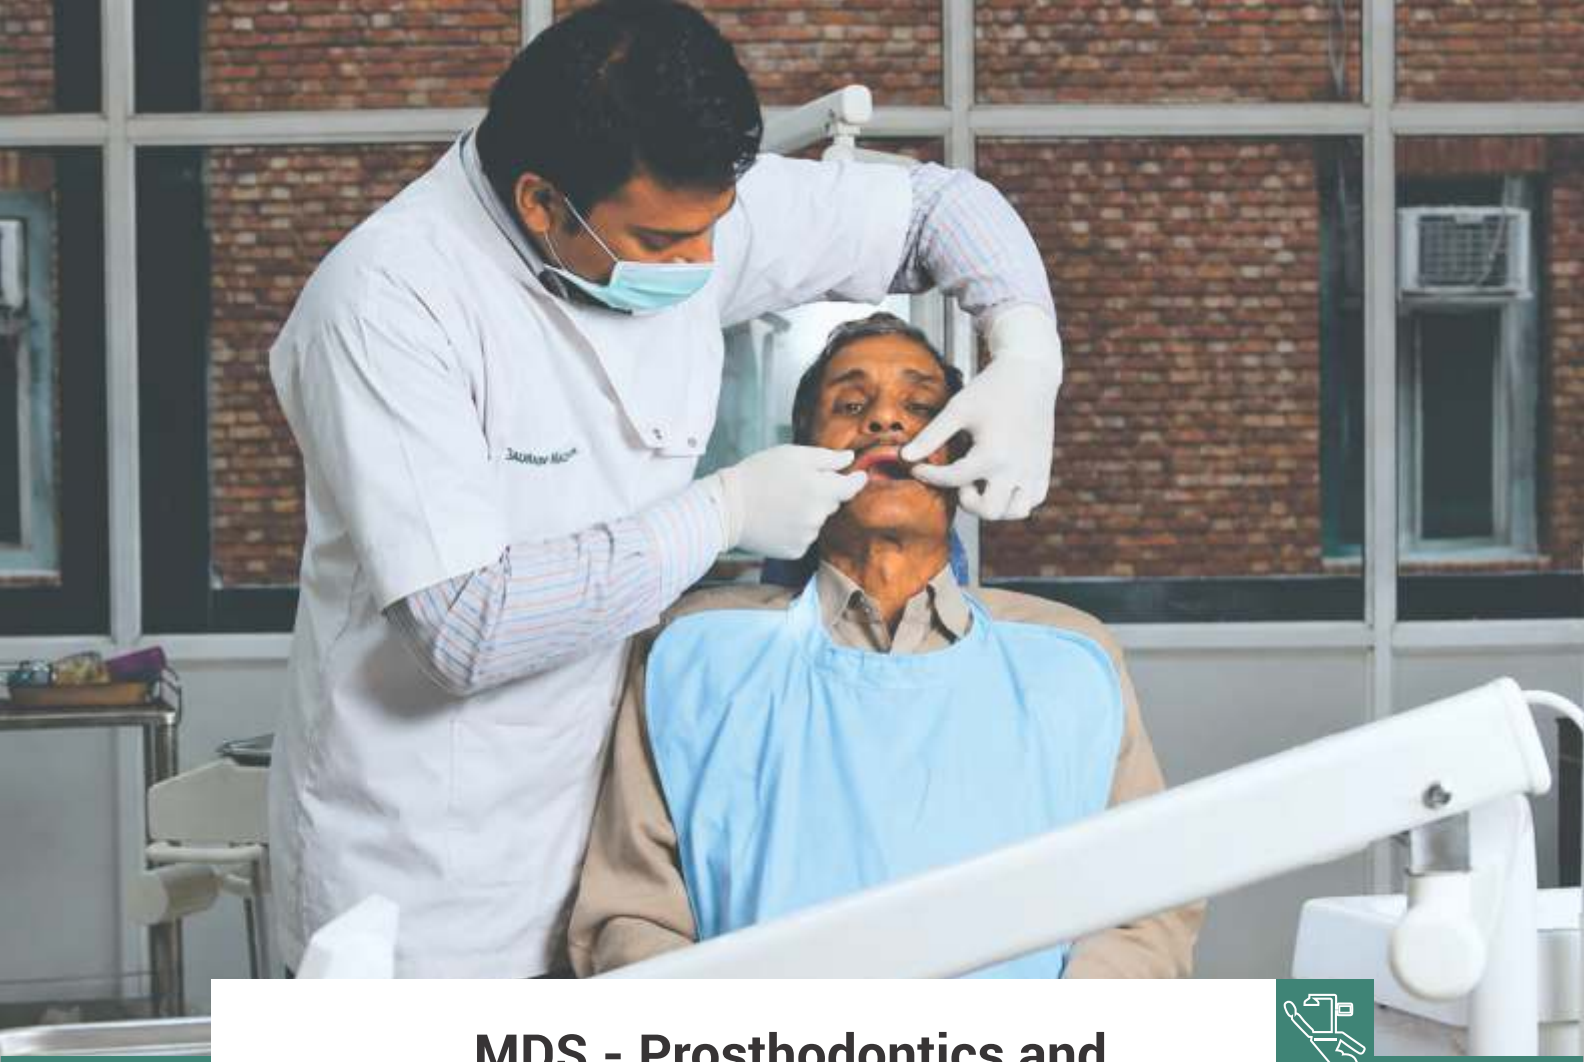

MDS - Conservative Dentistry & Endodontics

About the Programme: The MDS in Conservative Dentistry & Endodontics is a three-year postgraduate programme focused on preserving natural teeth through advanced restorative and endodontic care. Students gain expertise in the diagnosis, prevention, and treatment of dental caries, fractured and discoloured teeth, root canal therapy, dental pain management, and periapical diseases using modern clinical techniques and technologies.

Department Highlights: The Department of Conservative Dentistry and Endodontics features advanced clinical facilities, including separate undergraduate and postgraduate clinics, a phantom head pre-clinical laboratory, and state-of-the-art equipment for restorative dentistry and root canal treatment. Equipped with digital radiography (RVG), rotary endodontic systems, apex locators, bleaching units, magnification systems (surgical microscope), and modern sterilisation facilities, the department provides students with extensive hands-on training in contemporary restorative and endodontic procedures.

Master advanced restorative dentistry and endodontics to preserve natural smiles with precision and care.

MDS - Prosthodontics and Crown & Bridge

About the Programme: The MDS in Prosthodontics & Crown & Bridge is a three-year postgraduate programme that trains students to restore and replace missing teeth using advanced prosthetic solutions. Combining clinical expertise with modern laboratory techniques, the programme equips students to deliver functional, aesthetic, and patient-centred dental care. Graduates gain advanced skills in fixed and removable prosthodontics, implant-supported restorations, research, and comprehensive treatment planning.

About the Department: The Department of Prosthodontics & Crown & Bridge specialises in restoring and replacing missing teeth through advanced prosthetic rehabilitation. Equipped with a state-of-the-art CAD-CAM laboratory and expertise in digital dentistry and implantology, the department offers comprehensive training in crowns, bridges, dentures, implant-supported prostheses, and maxillofacial prosthetics. Students gain extensive pre-clinical and clinical experience, preparing them to deliver functional, aesthetic, and patient-centred dental care.

Master the art and science of restoring smiles with advanced prosthodontic and implant therapies.

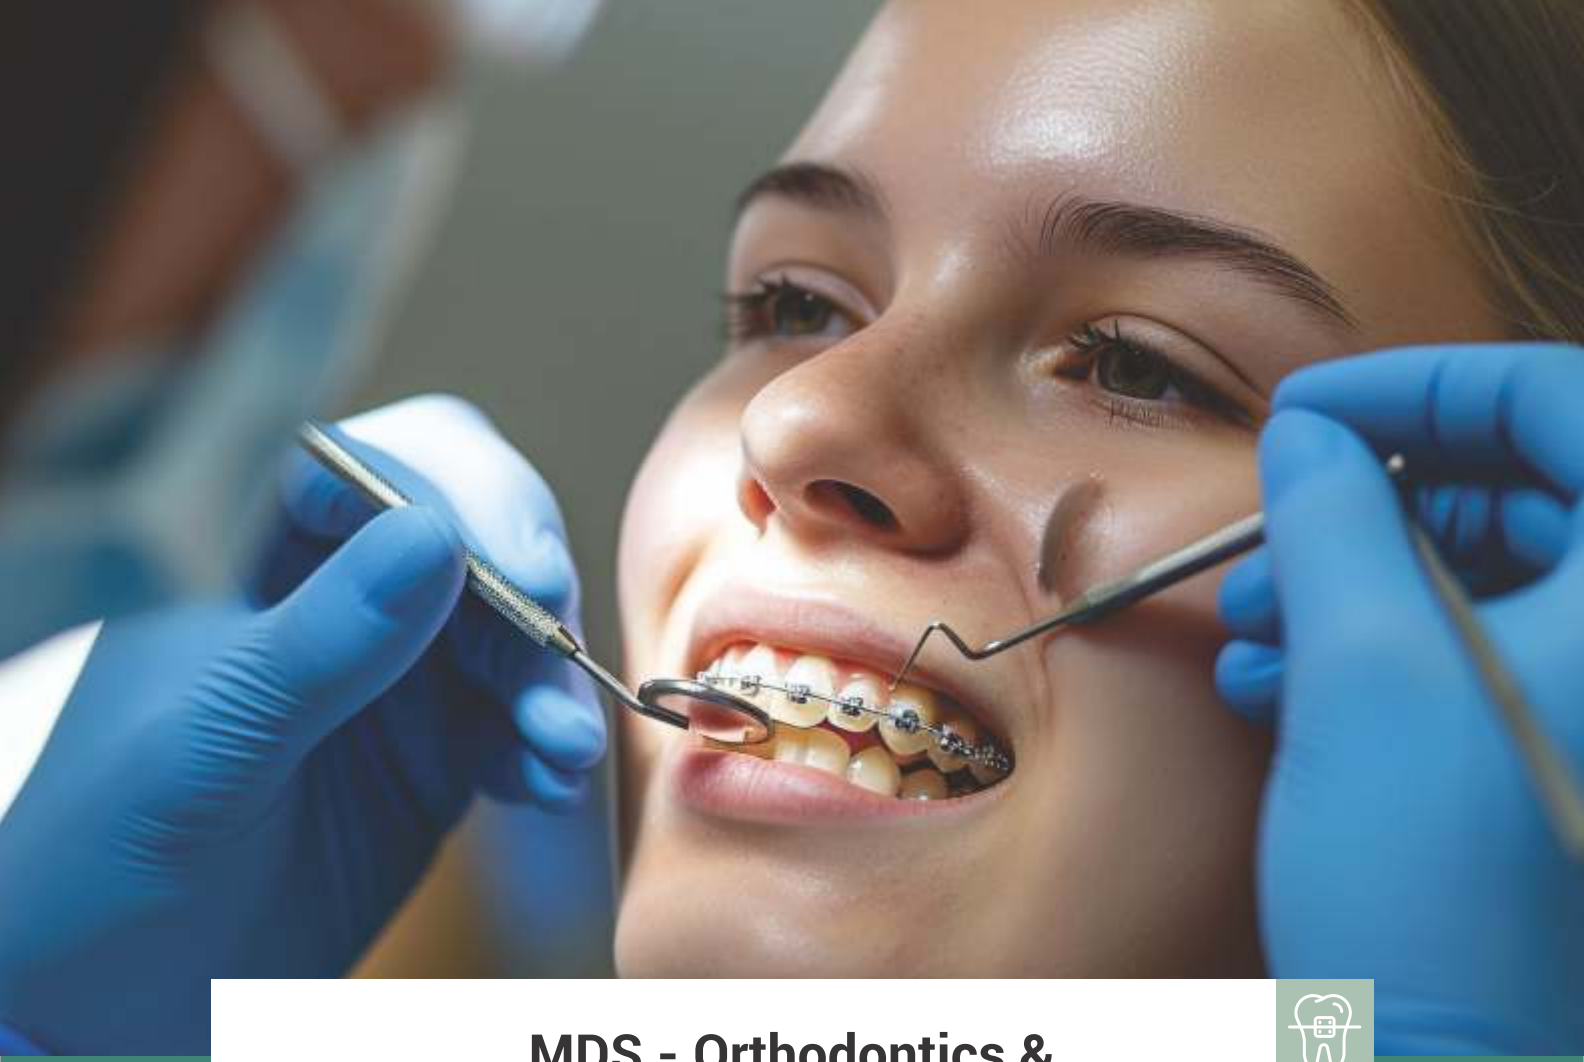

MDS - Oral & Maxillofacial Surgery

About the Programme: The MDS in Oral & Maxillofacial Surgery is a three-year postgraduate programme that prepares students to diagnose and surgically treat diseases, injuries, and defects affecting the mouth, jaws, face, and neck. The curriculum combines advanced surgical training, clinical expertise, and research, enabling graduates to manage complex maxillofacial conditions with confidence and precision.

Department Highlights: The Department of Oral & Maxillofacial Surgery offers comprehensive training in the diagnosis and surgical management of diseases, injuries, and deformities of the mouth, jaws, face, and neck. Supported by advanced operation theatres and the 1600+ bedded ShardaCare-Healthcity quaternary care hospital, students gain extensive clinical exposure in facial trauma, oral cancer, orthognathic surgery, TMJ disorders, cleft care, implantology, and reconstructive procedures using state-of-the-art surgical facilities.

Master advanced oral & maxillofacial surgical techniques through comprehensive clinical training & hands-on experience.

MDS - Orthodontics & Dentofacial Orthopedics

About the Programme: The MDS in Orthodontics & Dentofacial Orthopaedics is a three-year postgraduate programme that focuses on the diagnosis, prevention, and correction of irregular teeth, jaw alignment, and facial growth abnormalities. Students receive comprehensive clinical training in advanced orthodontic techniques and dentofacial orthopaedics, preparing them to deliver precise, aesthetic, and functional treatment outcomes.

Department Highlights: The Department of Orthodontics & Dentofacial Orthopaedics features state-of-the-art clinical facilities with dedicated undergraduate and postgraduate training sections, advanced diagnostic and treatment technologies (braces, aligners etc.), and modern sterilisation systems. Students gain extensive hands-on experience in managing complex dentofacial conditions while actively participating in research, scientific conferences, workshops, and publications, ensuring a strong foundation in clinical excellence and academic growth.

Master advanced orthodontic techniques to create confident smiles and balanced facial aesthetics.

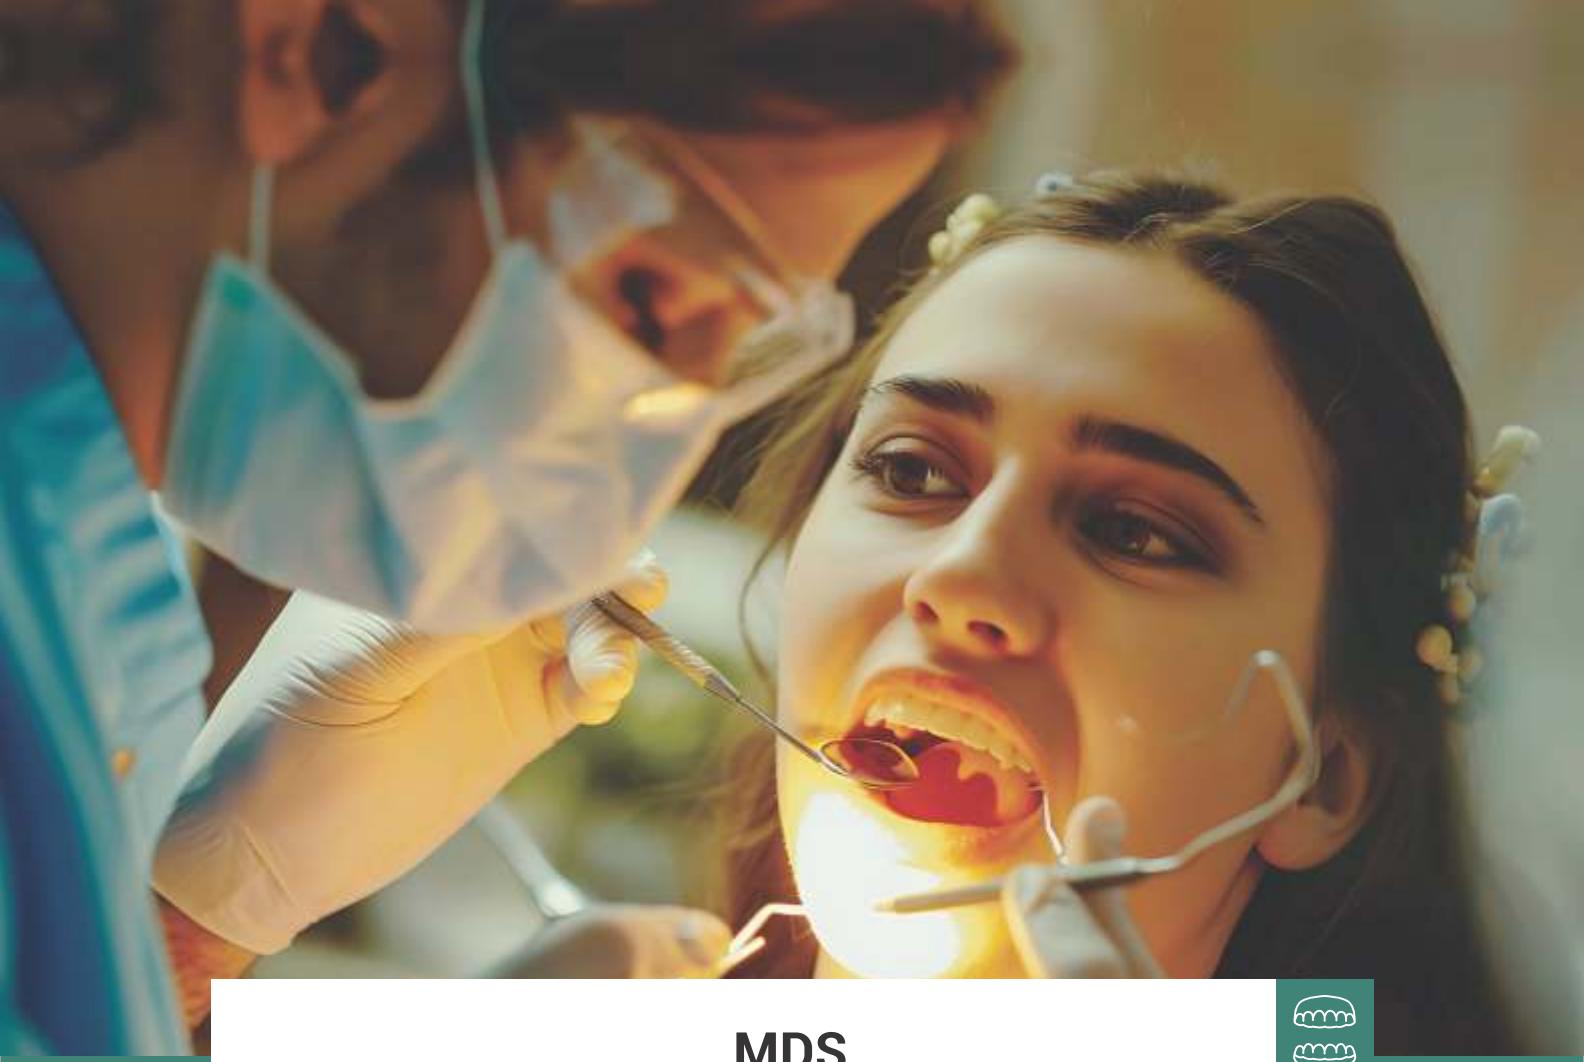

MDS - Pediatric & Preventive Dentistry

About the Programme: The MDS in Paediatric & Preventive Dentistry is a three-year postgraduate programme focused on providing comprehensive oral healthcare for infants, children, adolescents, and children with special healthcare needs. The curriculum combines evidence-based learning with extensive clinical training, enabling students to deliver preventive, restorative, and behaviour-focused dental care with confidence and compassion.

Department Highlights: The Department of Paediatric & Preventive Dentistry provides a student-friendly learning environment with dedicated undergraduate and postgraduate clinics, advanced clinical facilities, and Nitrous Oxide Inhalation Sedation (NOIS) units for comfortable paediatric care. Students gain extensive hands-on training in preventive, restorative, and minor surgical procedures through clinical practice, school dental health programmes, and special healthcare camps, preparing them to deliver compassionate, evidence-based dental care for children. are also trained well to face challenged cases with emphasis on evidence-based learning.

Specialise in creating healthy smiles for children through advanced paediatric dental care & preventive dentistry.

MDS
Periodontology

About the Programme: The Master of Dental Surgery (MDS) in Periodontology is a three-year postgraduate programme designed to develop specialists in the prevention, diagnosis, and treatment of diseases affecting the gums, periodontal ligament, cementum, and supporting bone. The curriculum combines advanced academics with extensive clinical training, enabling students to manage complex periodontal conditions.

Students gain hands-on experience in laser-assisted periodontal therapy, regenerative procedures, dental implantology, periodontal plastic and aesthetic surgeries, and other advanced treatments using state-of-the-art clinical infrastructure and modern surgical technologies.

Department Highlights: The Department of Periodontology features 45 advanced dental chairs, a fully equipped sterilization unit, Minor OT, library, discussion room, and Wi-Fi-enabled learning spaces. Students receive hands-on training using modern technologies, including soft tissue lasers, dental implant systems, ultrasonic scalers, electrocautery units, air polishers, microsurgical instruments, and advanced regenerative equipment (for PRP and PRF), ensuring comprehensive exposure to contemporary periodontal care.

Master advanced periodontal care with hands-on training in laser therapy, regenerative procedures & dental implants.

MDS - Oral & Maxillofacial Pathology & Oral Microbiology

About the Programme: This three-year postgraduate programme focuses on the diagnosis, prevention, and understanding of diseases affecting the oral and maxillofacial region. Students develop expertise in oral disease diagnosis, histopathology, microbiology, and advanced laboratory techniques, preparing them for successful careers in clinical practice, research, and academics.

Department Highlights: The Department of Oral Pathology & Microbiology is equipped with advanced histopathology, microbiology, haematology, and cytology laboratories that support excellence in diagnosis, research, and clinical training. With modern diagnostic facilities, specialised laboratories, a comprehensive museum, and state-of-the-art research infrastructure, the department provides students with extensive hands-on experience in oral disease diagnosis, oral cancer detection, and advanced laboratory techniques.

Master the science of diagnosing oral diseases through advanced pathology and microbiology training.

ALUMNI **TESTIMONIALS**

Dr. Justina Naorem, MDS 2nd Year, Pediatric & Preventive Dentistry

As a postgraduate student in Pediatric and Preventive Dentistry, my journey involves continuous learning and growth. A demanding academic environment and active outreach programs enhance my clinical skills, resilience, and emotional maturity. Providing specialized care for children builds my confidence and strengthens values of precision, patience, and compassion.

Ms. Aina Sultan, Intern

On Sharda University's vibrant campus, I found diverse minds that come together to learn, laugh, grow, and harvest a bond that's strong and serene. With each passing day, I'm becoming a confident and compassionate scholar, ready to make a difference in the lives of my patients. Our supportive faculty and staff members guide us with care and help us shape our skills and dreams with precision. Late-night conversations in the hostel and laughter-filled days are creating memories that I'll cherish for a lifetime in every way.

Dr. Shreya Gupta, MDS 2nd Year

I am currently pursuing MDS in Conservative Dentistry & Endodontics at Sharda School of Dental Sciences, and my experience so far has been both enriching and inspiring. The institution provides a strong academic foundation supported by knowledgeable and approachable faculty who are always willing to guide and mentor students. The clinical exposure we receive is comprehensive and well-structured, allowing us to gradually build confidence and competence in patient care.

I am proud to be a part of this institution, as it is shaping me into a skilled, ethical, & compassionate dental professional.

Manya Aggarwal , BDS

My experience has been all about growth and new experiences. The professional facilities and the supportive faculty have helped me build a strong clinical foundation and the confidence to take on the challenges of my dental career.

Mr. Vipin Pratap Singh, Alumni

My five years at Sharda University's School of Dental Sciences have been transformative. Completing my Bachelor's in Dental Surgery here was deeply enriching. The university's diverse environment enhanced my learning and helped me build lasting friendships with students from various cultures.

The dedicated faculty provided excellent education and practical training, equipping me with the skills needed for a successful dentistry career. Living in the campus hostel offered a strong sense of community and memorable experiences.

Dr. Uzma Zubair, MDS Orthodontics

My association with the department has been enriching and transformative. The clinical and laboratory facilities are equipped with modern technology ensuring exposure to the highest standards of orthodontic diagnosis and treatment planning. The dedication of the faculty plays a pivotal role in shaping the learning experience.

CULTURAL SOCIETY OF **SHARDA UNIVERSITY**

Fine Arts

FINE ARTS CLUB

The Fine Arts Club brings out the hidden artistic talents of our students. With students participating in art programmes conducted during Independence Day, Sports & College Day functions, as well as Inter/Intra College competitions, they are given a platform to express their thoughts and emotions through art.

Dramatics Club

DRAMATICS CLUB

The Dramatics Club is for students who are interested in Performing Arts. The Club offers acting classes, a creative outlet for theatrically minded students, and a variety of theatrical productions for the students to enjoy. In the past, students from the Club brought accolades for the University in various events.

Environmental Club

ENVIRONMENTAL CLUB

The main purpose of the Environmental Club is to educate on sustainable practices, to implement change in the best interest of the environment, and to include all persons working to improve the future of our earth by conducting significant workshops and seminars.

Fashion Club

FASHION CLUB

The Fashion Club aims to bring students together who have a passion for the fashion industry by participating in local and regional fashion events. Club members work with Fashion Merchandising students to help with events and activities on and off campus. The Club has hosted fashion shows, fashion showcases, and window dressings of local businesses.

Photography Club

PHOTOGRAPHY CLUB

Photography Club of Sharda provides a platform where talent meets creativity and gives rise to productivity. Students are engaged in various activities that challenge their imaginative capabilities, assist in sharpening their photographic skills, & present an opportunity for students to learn from each other.

Music Club

MUSIC CLUB

Music Club caters to the passion of student providing quality facilities like instruments, dedicated music room and a plethora of events. It serves as a platform for musicians of all genres and skill levels to showcase their talent at various events like Sufi Night and Voice of Sharda, etc. held at Sharda University.

Diversity Club

DIVERSITY CLUB

Sharda University has a diversified group of students from across 95+ nationalities. The Diversity Club is dedicated in raising awareness of the various cultures among all students. Throughout the year various events are organized by the students to explore different cultures like Rejoice 3D, Festivals of Light, etc.

Dance Club

DANCE CLUB

The Club was established with the mission of bringing out the hidden talents of students and also provides them a stage where they can showcase their dancing talent and interest. The Club provides lot of opportunities in the form of competition and workshops for igniting the spark of interest present in the budding dancers & honing their skills towards showcasing their talents.

Literary Club

LITERARY CLUB

The Club aims to foster love for language, enhance literary creativity and provide an avenue for self-expression beyond the school curriculum. It is also to develop and hone the literary skills of students and inspire them to develop a taste for literature by conducting various workshops. The Club also initiates competitions in extempore, essay writing, creative writing, poetry writing, debate, elocution, quiz and reading to enhance the speech and oratorical skills.
