Two weeks certificate training program on

CYBER SECURITY & DIGITAL FORENSIC

2nd to 13th January 2023

ABOUT THE UNIVERSITY

Sharda University is a leading educational institution located in Greater Noida, Delhi NCR, India. A venture of the renowned Sharda Group of Institutions (SGI), the University has established itself as a high quality education provider with prime focus on holistic learning and imbibing competitive abilities in students. The University is approved by UGC and prides itself as a multi-disciplinary campus with fourteen schools in the NCR, spread over 63 acres and equipped with world class facilities.

ABOUT THE CENTER

Center for Cyber Security and Cryptology, Sharda University aims at promotion of interdisciplinary research & development, consultancy, and training in Cyber Defence and its allied domains. It aims to contribute towards furtherance of knowledge for providing solutions to present and upcoming challenges related to cyber defense in the global scenario.

ABOUT THE TRAINING PROGRAM

This program will provide a solid foundation of the theoretical and practical aspects of the different dimensions of cyber security, such as cryptography, network security, software security, system security measures and models, information security, computer forensics and knowledge of relevant standards and regulatory requirements, security audit etc.

This program will be offered in hybrid mode. For offline candidates the venue for this program would be the Center at Sharda University,Greater Noida. The content of this course will be covered in 40 sessions, each of 90 minutes. Out of which, approximately 50% sessions will be delivered by in-house resource persons and remaining will be delivered by external domain experts from industry, research labs, government agencies and academia.

TARGET GROUP

The program is open to Students/Faculty members/Researchers/Industry Professionals. *Limited Seats.*
