### ***SECTION B: Event report and reflection***

#### **1. Event Objectives-**

The Faculty Induction Program aims to help new teachers:

- Understand their roles and responsibilities as faculty members.
- Familiarize themselves with the structure, functioning and professional expectations in higher education institutions.
- Explore pedagogical processes - curricular considerations, instructional planning, teaching methods, classroom management and transaction, use of resources and assessment.
- Recognise the importance of self-development, socio-emotional development of students and of nurturing ethics and values in higher education.

#### **2. Event Description-**

Teaching is an ethically and intellectually demanding profession. New teachers need rigorous preparation and opportunities for continuous professional development along with academic and professional support. To facilitate this, Internal Quality Assurance Cell (IQAC) in association with the HR Department is organising the Faculty Induction Program.

Dear All,

Teaching is an ethically and intellectually demanding profession. New teachers need rigorous preparation and opportunities for continuous professional development along with academic and professional support. To facilitate this, **Internal Quality Assurance Cell ( IQAC)** in association with the HR Department is organising the Faculty Induction Programme as per the listed schedule :

**Event Details:**

**Date:** 9<sup>th</sup> September to 13<sup>th</sup> September , 2024

**Timings:** 2 PM – 4.30 PM

**Venue:** Dr. APJ Abdul Kalam Auditorium, Block-03, Sharda University

**Objective of Events:**

The Faculty Induction Programme aims to help new teachers:

- Understand their roles and responsibilities as faculty members
- Familiarize themselves with the structure, functioning and professional expectations in higher education institutions
- Explore pedagogical processes - curricular considerations, instructional planning, teaching methods, classroom management and transaction, use of resources and assessment
- Recognise the importance of self-development, socio-emotional development of students and of nurturing ethics and values in higher education

**Convener Details:**

**Advisor:**

- Prof. (Dr.) Sally Lukose, Director, IQAC

**Conveners:**

- Dr. Parul Saxena , IQAC Coordinator

## Any other suggestions comments

Overall good

Duration was very long, can be shorten all session due to classes and conduct on non teaching days, Unbale to attend 3 days

Overall induction program is well arranged.

Outstanding and Excellent Faculty Induction Programme

The rating is for the session I was able to attend. I was not able to attend all the sessions because of my classes and other important work that came up. Kindly consider.

Good FIP so far.

thank for the wonderful session

It was a very much needed event. Thank you for conducting it.

This type of Induction program should be two times in a year.

Informative and insightful sessions. Looking forward to attend more of such sessions.

Informative session 🙌Awaiting more such programs for faculty development

Nice conducted

Need a guidance session specially for publication of papers and patents.

Overall this faculty induction program was too good

No Comments

Between two presentation there should be a gape for questions answers.

Such programs are an enabler for the new Faculty

The overall event was excellent.

The event should be conducted in non-academic days or just after joining. It was hard to focus on the presentations due to other workloads. Just a suggestion.

List of in charge at various department can be circulated among newly joined for future references so that they can connect instantly over call or email for any help needed.

All is well

IT WAS SO INTELLEGTUAL EVENT

All sessions were important, informative and interesting

More hands on training may be given

Good orientation

It was quite good. However, it is difficult to adjust classes and attend the event.

Try to conduct the sessions on non class days

Great Initiative

Good

Kindly conduct such events at least twice 6 monthly.

We should select Non Teaching Days for such events.

The event maybe organized preferably when the new joiners are having less academic load.

session on ERP and other academic requirements at SU should be more comprehensive

We need more such programs for IQAC .

Excellent Programme

Overall event was excellent.

Induction program should start with physical orientation of campus and facilities. Next should be exposure to website and features with hands on training on academic portal and E-Zone. Overall time for induction program can be reduced by re prioritizing and proportionate time allotment to must

know things. Some of the topics were for educating the faculty can be avoided. Overall Induction program was good effort.

Okay

Good delivery

Informative sessions were held.

Keep it up

No suggestions

It should be conducted when no classes. As few important sessions left without attending.

it was a good experience

The FIP was knowledgeable and comprehensive.

It would have been beneficial to many if it had been conducted a few months ago

More hands on training may be arranged for things like E-Zone

Clashing of the classes and events hampers learning.

The Induction Program has to start at the time of joining immediately. In the midst of semester it is less effective.

It was a very interactive and engaging program.

Overall good experience

It was good.

This type of FDP organize in each semester.

thank you, it was very important and interesting

All good
