SECTION B: Event report and reflection

1. **Event objectives-** As we strive for continuous improvement in our educational programs, understanding and effectively measuring CO and PO attainment is crucial for enhancing the quality of education we provide to our students. The primary objective of this workshop is to empower faculty members with the knowledge and tools required to assess, measure, and improve Course Outcomes and Program Outcomes.
2. **Event description:** The speakers discussed about the significance of CO and PO in the context of program accreditation and continuous improvement. They also emphasized on alignment of course objectives with program outcomes. The assessment tools and strategies to measure CO and PO attainment were also detailed in the workshop.
3. **Participants** (compulsory for events):
