Hon. Chancellor,  
Sharda University

## Chancellor's Message

Dear Faculty and Students,

As we embark on another exciting academic session filled with promise and potential, I am delighted to extend my warmest greetings to each member of our university. The University takes pride on achieving 87<sup>th</sup> position in prestigious NIRF 2023 (The National Institutional Ranking Framework) rankings. This remarkable achievement is a testimonial to the hard work and the efforts of all the stakeholders.

Our university provides a platform where everyone has an opportunity to excel. It is a constant endeavour at the University to foster an environment to inclusivity and inculcate intellectual curiosity among its students. As we steer through these dynamic times, it is our collective responsibility to uphold our commitment to academic excellence, integrity, and respect for diversity.

I take immense pride in the accomplishments of our students, the dedication of our faculty, and the support of our staff to project our university as a global centre for quality teaching and learning.

Look forward to your contributions and support, which are integral to our continued success, and I am confident that together, we will achieve even greater heights.

---

## Shri. Y. K. Gupta

Hon. Pro-Chancellor,  
Sharda University

## Pro-Chancellor's Message

Dear Members of our University Community,

It is my pleasure to address you through the second edition of **Brightside**.

In these pages, you will find stories of achievement, innovation, and the remarkable spirit that defines our university. Sharda University is consistently flourishing in the area of education and research to achieve higher landmarks and make its mark globally.

I congratulate the achievements of our students, faculty and staff, whose dedication continues to elevate our university to greater heights, and I look forward to more such innovative ideas to achieve remarkable milestones.

As we set our sights on becoming a globally recognized university, it is imperative that we fortify our academic programs, enhance research capabilities, and provide abundant opportunities for international exposure to both our students and faculty. By nurturing a culture of innovation, entrepreneurship, and global citizenship, we empower our graduates with the skills and perspectives needed to thrive in an ever-evolving world.

Let us continue to inspire each other, innovate fearlessly, and uphold the values that make our university a beacon of knowledge and opportunity. Thank you for your continued dedication and contributions to our shared mission. I take pride in leading an institution which runs on high values and principles.

All the best for your future Endeavours!

## Vice-Chancellor's Message

Dear Faculty and Students,

It is with great pleasure that I extend my warmest greetings to each of you through this second edition of this newsletter. As we reflect on our achievements and challenges, I am continually impressed by the dedication and resilience shown by all the members of the university including Faculty, Staff and Students.

This year has brought both triumphs and trials, yet together we have navigated them with a spirit of unity and purpose. The University Ranking (#87) in NIRF 2023 and specifically the ranking of School of Pharmacy (#62) are great achievements in the sphere of competitive excellence among the Higher Educational Institutions in the country. Besides, the establishment of DST-Satellite Centre for Policy Research by Ministry of Science and Technology, Govt. of India has widened the horizons for research and will give a boost to the evidence-based research in the broad thematic area of innovation.

The University is committed to fostering innovative and entrepreneurial ideas among the next generation of innovators and entrepreneurs. In this regard, I am delighted to share that Sharda University has granted a significant amount under the 2nd cycle of student innovation seed fund scheme to strengthen the research & innovation ecosystem. The University also witnessed a proud moment by hosting the 5th Tec novation Hackathon where the students from different universities came together to solve the problems of various sectors of society.

Let us embrace this moment to strengthen our bonds, foster collaboration, and champion the transformative power of education. Together, we will shape the future and make a positive impact on our community and beyond.

With best wishes.

## Registrar's Message

Esteemed Faculty and Students,

I extend my heartfelt gratitude and sincere congratulations to each of you for your unwavering dedication and outstanding commitment to excellence. It brings me immense joy to announce that our institution has been ranked 87<sup>th</sup> in NIRF-2023, marking a significant milestone in our journey of academic process.

This position in NIRF ranking stands as a testament to our collective efforts in delivering quality education, fostering a conducive learning environment, and upholding the high standards of teaching, research, and innovation. I must also commend the invaluable contributions of our administrative staff whose dedication to efficiency and attention to detail have been instrumental in maintaining the operational integrity of our institution.

I urge each member of our university community to embrace a forward-thinking mindset and actively engage in shaping the trajectory of our institution. Together, we can cultivate a dynamic and inclusive environment that fosters intellectual curiosity, critical thinking, and holistic development.

Once again, congratulations to all for this remarkable achievement. Let us forge ahead with unwavering pride and enthusiasm as we continue to strive for excellence and carve out the future of our beloved institution.

With great pride and anticipation,

Director IQAC,  
Sharda University

## Director IQAC's Message

I am delighted to congratulate each one of you on our institution achieving a significant milestone: securing the 87th rank in NIRF-2023 in the University category. This achievement underscores our institution's unwavering commitment to nurturing a culture of academic excellence, rigorous standards, and continuous improvement. It reflects the dedication of our esteemed faculty and the hard work of our students.

This accolade reaffirms our pledge to deliver a transformative educational experience and to foster a vibrant research environment.

As we commemorate this remarkable accomplishment, let us also focus on embedding a culture of quality throughout every aspect of our institution. To accomplish this goal, we must adopt a comprehensive and systematic approach that promotes continuous enhancement and innovation. Central to this approach is fostering a culture of self-assessment, utilizing data-driven insights for decision-making, and sharing best practices across disciplines and departments.

Looking ahead, we should aim to enhance our global reputation by participating in international rankings that recognize institutions for their academic prowess, research contributions, and global impact. Engaging in such rankings will broaden our visibility, foster collaborations, and create new opportunities for our faculty and students on a global scale.

Together, let us uphold our commitment to academic excellence, integrity, and continuous advancement with enthusiasm and optimism.

## About Sharda University

Sharda University, Greater Noida, is a NAAC A+ accredited private State University established in 2009. The university has 14 schools having 25 departments imparting instructions in almost all disciplines of pure & applied sciences, engineering & technology, management, social sciences & humanities, architecture, law, agriculture, education, media, film & entertainment, nursing, pharmacy, allied health science, dentistry, and medical sciences. It offers 130 programmes out of which 56 are at the Undergraduate level and 70 at the post graduate level. The university also offers a doctoral programme, diploma in Nursing and Pharmacy and a certificate course in English proficiency.

The university boasts of a comprehensive infrastructure aimed at enhancing the learning experience for students. It has a sprawling eco-friendly green campus of 62.7 acres with state-of-the-art built-up area of 3.30 lakh sq. meter, catering to nearly 15000 students, including approx. 12% international students from 65+ countries.

As per NIRF 2022-23 rankings, the university was placed at 87<sup>th</sup> position amongst all universities in India, with several specialized centres of research providing cutting-edge technologies and high-end analytical equipment for faculty and students. So far, the University has awarded 463 Ph.D degrees and has 55 granted and 378 published patents to its credit. Recognising the fact that the country today needs not only the job seekers but also job providers, the university has commissioned 'Sharda LaunchPad' that provides students and industry a platform with requisite infrastructure to convert their innovative ideas into products of societal development. Likewise, skill development has been emphasised and the idea of 'Make in India' has been given a new thrust. For experiential enrichment of the students, the University has introduced a credit based 'Community Connect Programme'. The university has recently set up Sharda University EPIPWA Skill Development Centre, as a platform to collaborate with industry, society and other agencies to develop agile and able workforce, which will lead to a strong community and nation.

Its 1200+ bedded Sharda Care – The Health City offers complete healthcare comprising basic medical and surgical treatment, super-specialties, high-end diagnostic and therapeutic services through sophisticated equipment.

## ► Capacity Building Activities for Faculty and Non-teaching staff

### HANDS ON TRAINING PROGRAMME ON BASIC LIFE SUPPORT

The Hands-on Training Program on Basic Life Support (BLS) was conducted for the students of Sharda School of Allied Health Sciences on 16 May 2023. The event was marked by interactive sessions and practical demonstrations and successfully imparted knowledge on crucial aspects of BLS, including CPR techniques

and emergency response protocols. Students actively engaged in hands-on practice, fostering confidence in their ability to respond effectively during critical situations. The training was conducted under the guidance of specialists from the Trained Nurses' Association of India, Central Institute of Nursing & Research & Elderly Care Home, Greater Noida.

### A HANDS-ON FABRICATION WORKSHOP

A Hands-on Fabrication Workshop at the Department of Architecture, School of Design, Architecture and Planning (SDAP), Sharda University, was held from March 16 to 21 March 2023. The workshop, spanning five days, provided students with a hands-on experience in working with diverse materials. The event focused on the transformative aspect of design by encouraging participants to convert waste into value. The workshop offered practical exposure to different materials, fostering creativity in re-purposing waste, and provided an experiential learning environment.

# CULTURAL SOCIETY OF SHARDA UNIVERSITY

The Cultural Society of Sharda University is formed of 9 Clubs, where each of the clubs will be operated by student coordinators and board members under the supervision of faculty coordinators. The cultural society will be governed overall by the following functionaries:

- The Dean of Students' Welfare
- The Associate Dean of Students' Welfare
- Faculty Advisors of Cultural Society

## FINE ARTS CLUB

The Fine Arts Club brings out the hidden artistic talents of our students, cultural programmes are conducted during Independence, Sports and college day function. Students participate in Inter & Intra-College competitions. The purpose is to encourage students to express their thoughts and emotions through art.

## MUSIC CLUB

Music Club caters to the passion of student providing quality facilities like instruments, dedicated music room and a plethora of events. It serves as a platform for musicians of all genres and skill levels to showcase their talent at various events like Sufi Night and Voice of Sharda, etc. held at Sharda University.

## DRAMATICS CLUB

The Dramatics Club is for students who are interested in Performing Arts. The Club offers acting education, a creative outlet for theatrically minded students, and a variety of theatrical productions for the students to enjoy. In the past students from the Club brought accolades for the University in various events.

## DANCE CLUB

The Club was established with the mission of bringing out the hidden talents of students and also provides them a stage where they can showcase their dancing talent and interest. The Club provides lot of opportunities in the form of competition and workshops for igniting the spark of interest present in the budding technocrats and honing their skills towards showcasing their talents.

### FASHION CLUB

The Fashion Club aims to bring students together who have a passion for the fashion industry by participating in local and regional fashion events. Club members work with Fashion Merchandising students to help with events and activities on and off campus. The Club has hosted fashion shows, fashion showcases, and window dressings of local businesses.

### LITERARY CLUB

The Club aims to foster love for language, enhance literary creativity and provide an avenue for self-expression beyond the school curriculum. It is also to develop and hone the literary skills of students and inspire them to develop a taste for literature by conducting various workshops. The Club also initiates competitions in extempore, essay writing, creative writing, poetry writing, debate, elocution, quiz and reading to enhance the speech and oratorical skills.

### DIVERSITY CLUB

Sharda University has a diversified group of students from across 80+ nationalities. The Diversity Club is dedicated in raising awareness of the various cultures among all students. Throughout the year various events are organized by the students to explore different cultures like Rejoice 3D, Festivals of Light, etc.

### PHOTOGRAPHY CLUB

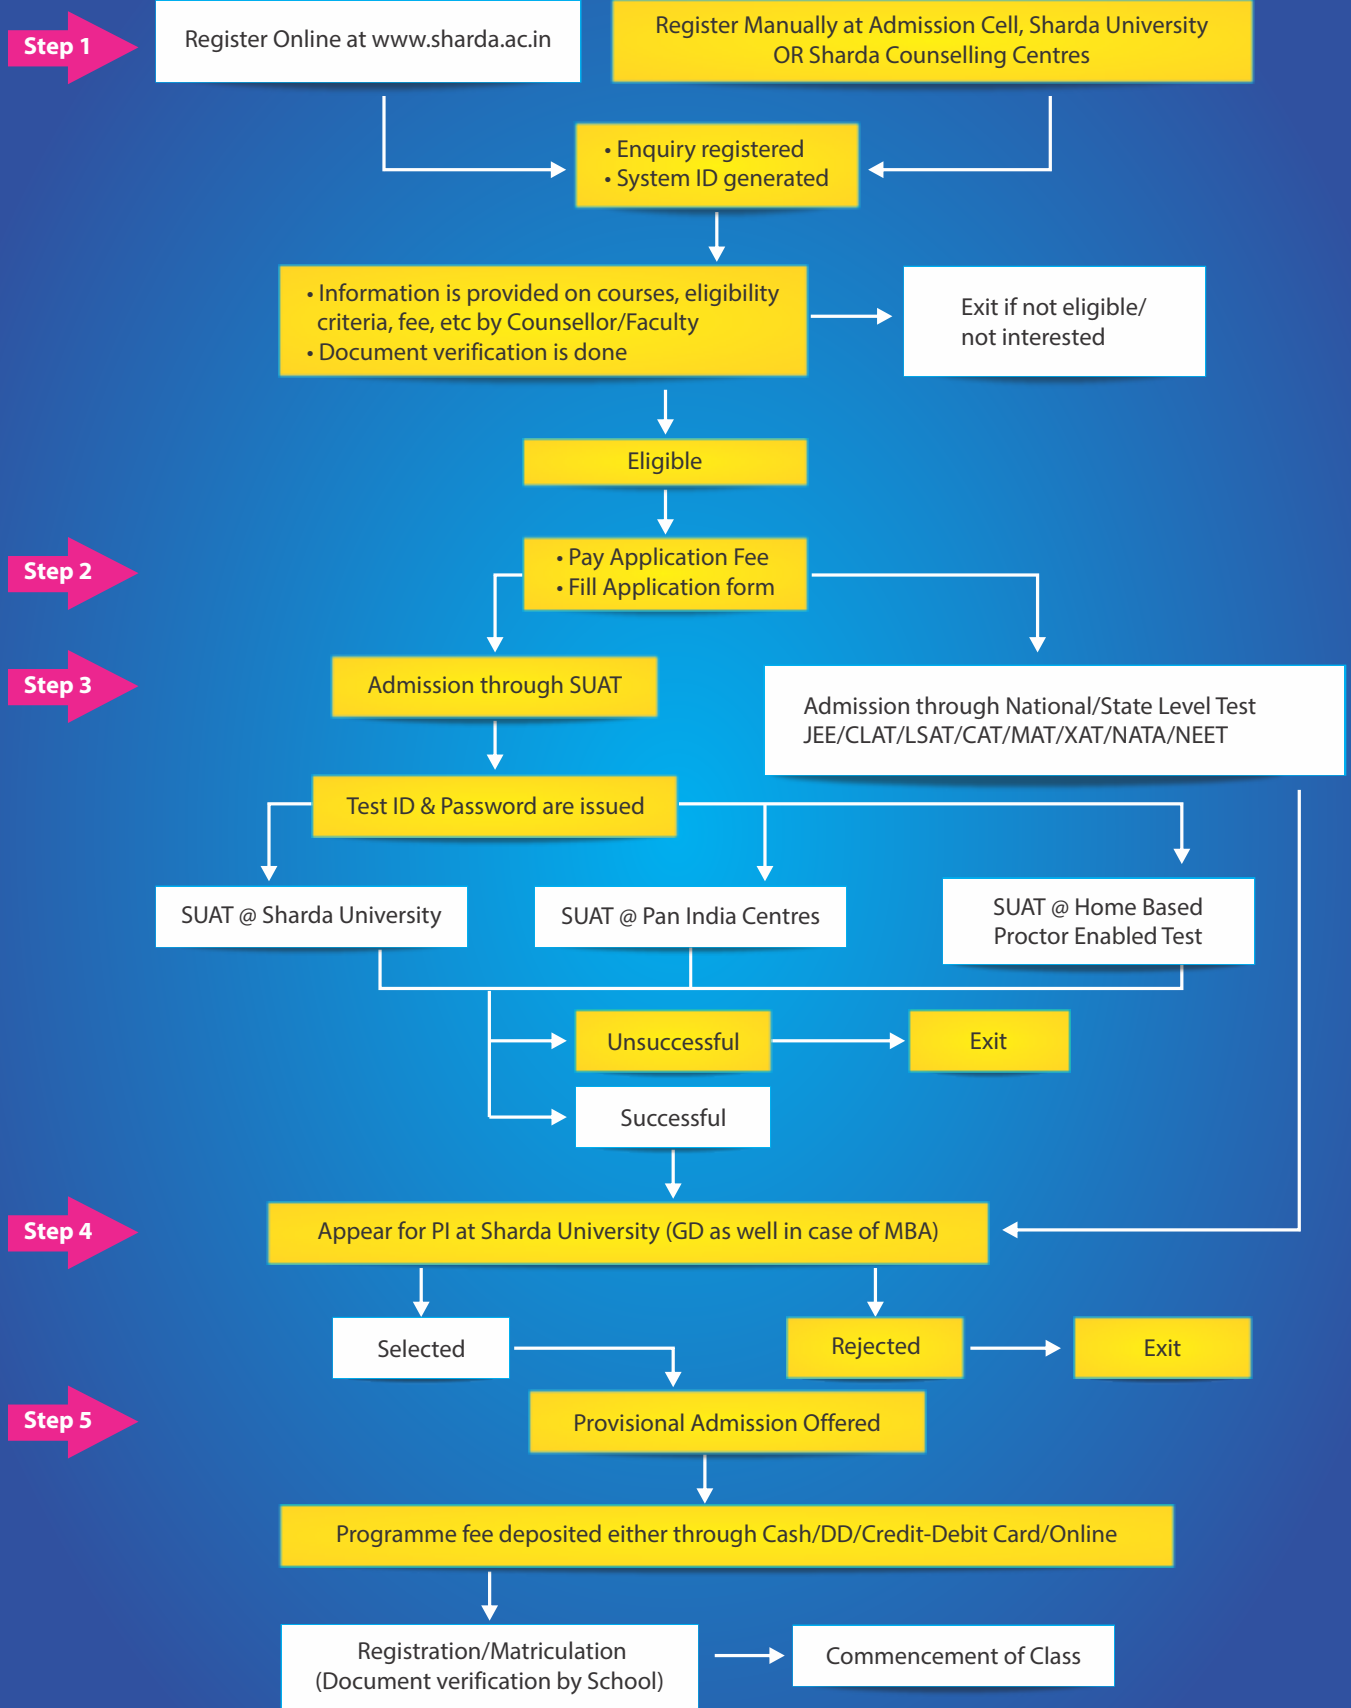

Photography Club of Sharda provides a platform where talent meets creativity and gives rise to productivity. Students are engaged in various activities that challenge their imaginative capabilities, assist in sharpening their photographic skills, and present an opportunity for students to learn from each other.

### ENVIRONMENTAL CLUB

The main purpose of the Environmental Club is to educate on sustainable practices, to implement change in the best interest of the environment, and to include all persons working to improve the future of our earth by conducting significant workshops and seminars.

# Admission Flow Chart

# Greater Noida.

## Hub of Education in Delhi-NCR.

Situated adjacent to New Delhi, Greater Noida is one of the fastest developing educational hubs. Home to some of the leading universities in India, Greater Noida sees lots of international students pursuing their career dreams.

India's first ISO 9000-2000 certified city, Greater Noida is amongst the cleanest, greenest and most well planned cities of India. Greater Noida is amongst the selected cities of the world, chosen for F1 Grand Prix Race.

Sharda University campus at Knowledge Park III is the largest in Greater Noida & the entire NCR.

“Greater Noida integrated township is shaping up as India's smartest city, the National Capital Region's most modern urban development centre and its fastest-developing centre of attraction. It has emerged as a modern model of far-sighted town planning.”
